LLOYD'S CASH STORE

LLOYD E. OGLE, Prop.

During the Lakeview Round-Up and
County Fair Make the Mercantile
Your Headquarters

We carry at all times a complete line of fruits, vegetables and lunch goods. This will be particularly acceptable during celebration time, when meals must be hastily prepared and little time can be spent at home. We are prepared to give prompt service, and efficient attention to the large crowds that we expect during this time.

We look forward with pleasure to greeting many of our old friends and hope to make many new friends during the period of our annual celebration.
