### Are You Ashamed To Live In Klamath Falls?

WHEN you travel you do not register from New York City—do you? No siree—you take the hotel pen and proudly write down Klamath Falls, Ore. And even in the smoking compartment, it's "the greatest little town in the world." But, let's take a peep into your coat pocket and see if it has a label from a Klamath Falls clothing store.

### Are You Labeled?

Surely, if Klamath Falls is worth bragging about when you are away, it must be something more than just a place in which to sleep and eat when you are at home. Klamath Falls clothing stores can give you today and any day, as fashionable, as fitting and as economical a clothing service as any two cities that have a city hall—and since you are living here—prospering here and making your money here and your friends here, and can get unequalled clothing service, style, price and quality—a suit of clothes with a label of a Klamath Falls store would be complete, don't you think?

Suits for men, \$18 to \$35, featuring \$32.50 suits with two pairs of trousers; other prices have one and two pairs of trousers, also. Young men's suits \$18 to \$25, mostly two pairs of trousers.

Most of our regular prices are lower than auction sale prices.
