# Suits and Topcoats

Just another one of those value demonstrations, for which this store has become noted. This event marks the culmination of an exceptional purchase from one of America's leading makers—and the savings, in turn, are passed to you. So pronounced are the values that even the average layman will appreciate them.

**\$30                      \$40                      \$50**

The Suits are in the newest fall models, featuring the broad shoulders, the tapering waistline and snug hips. All the popular fabrics, color tones and pattern effects are included.

In the Topcoat group are the guard models, tubular styles and Chesterfield, shown in both American and European fabrics. Some Topcoats are single-breasted; others double-breasted.
