Pleasing Footwear In  
**CORRECT FALL STYLES**

For Smartly Dressed Women and Misses

Autumn brings with it a revision of artistic ideas and patterning in every manner of apparel—as colorfully and pleasingly new in fashionable footwear as in other accessories—for both women and men. In appreciation of this response to seasonal styles.

Our Exclusive  
**Down Stairs Store**

is showing exclusively original ideas in the preferred modes and novelty creations of charming footwear for women, young ladies and school girls. This is in harmony with the Golden Rule policy of maintaining the popularity of its shoe department year in and year around, spring, summer or fall.

Style-at-a-price in modish footwear prevails in this large showing—eleven different patterns in one shipment for women and young women and school girls. These are "the style," quality is apparent and wear equally worthy as their quality and style.

New shapes and colors are being shown for men and boys. These offer the men folks the same opportunity to be correctly "shoed" in latest lasts of quality footwear, assuring style-at-a-price.
