"Bigger and Better" Tijuana Rises on Ruins of Fire

"A bigger and better" Tijuana, with more devices for extracting the money of glibble, pleasure-seeking Americans, is being erected on the ruins of the \$1,000,000 fire that completely razed one block and bit into others in the Mexican border resort. The district hardest hit was that given over to saloons, cafes, gambling houses and curio shops, patronized chiefly by visitors from the U. S. Aerial photo shows center of the damage.

McNary Interests Hearers on Talks At Pass Congress

Much interest in United States Senator McNary's talk on reclamation was manifested by residents of the vicinity of Grants Pass Tuesday, according to Linn W. Nesmith, of Klamath Falls, who was a guest of the senior senator during his visit in southern Oregon. McNary spoke before the Oregon irrigation congress. He returned yesterday to his home at Salem.

Senator McNary has been holding hearings on reclamation and irrigation in California and Colorado. He expressed regret that he was unable to visit Klamath Falls. McNary is chairman of the senate committee on reclamation and irrigation.

Nesmith returned here late last night by automobile.

GET READY for TOMORROW ~ Everyone

Within the next ten years, we see more industries, better development of the resources of this region, better business for everyone; and now is the time to get ready.

Our New Industries Department is with you—new capital and new people are needed to make the most of your wealth of natural resources.

The New Industries Department is disclosing to investing capital the great raw material wealth of our Agriculture, Timber and Minerals. It is working for the legitimate expansion of every industrial possibility for the region, and supplying a consolidated, supplementary Chamber of Commerce type of service for the five Oregon counties and the one California county within our territory.

We have every confidence in what the future holds in store, and hydro-electric power's participation in it. At present the Industries of this region are counting more on electricity than ever before; and we are proud to be able to say that the communities we serve have advanced further in the use of labor-saving household equipment than many of the largest cities on this coast or anywhere else. If you are ready to have your household work done electrically—a member of this company will be glad to tell you how little it costs.
