Fair and Warmer Is Weather Man's Dope For Sunday's Game

WASHINGTON, Oct. 10.—Fair and warmer tomorrow for the fourth game of the world series, was the promise of the weather bureau in its forecast tonight.
The bulletin issued for the District of Columbia follows:
"Fair, with rising temperature Sunday; Monday increasing cloudiness and warmer; probably showers Monday night; diminishing northwest winds becoming moderately southerly Monday."

STANFORD WINS FROM OCCIDENTAL

STANFORD UNIVERSITY, Calif., Oct. 10.—(United Press)—The red shirts of Stanford won a hard fought game here this afternoon from Occidental 28 to 0.
Despite a tendency to raggedness in spots, and one situation in which they were in danger of being scored upon, the Cardinals showed little of the disastrous weaknesses with which they opened the present season. The southerners offered a class of opposition fit to test the defense and the scoring ability of Stanford.
Captain Ernest Nevers of the Cardinals was taken from the game in the second quarter to save his strength, after he had carried the ball the length of the field on two occasions for touchdowns.
The Cards appeared to be in better shape to meet the University of Southern California eleven next week, in the first conference game, than had been expected of them in today's battle.
The score:
Stanford 7 7 7 7—28
Occidental 0 0 0 0—0

U. OF C. AGGIES DEFEATED 32-13

SACRAMENTO, Oct. 10.—Unable to stop the aerial attack of the St. Mary's college, but showing much better form than at any other time this season, the University of California Aggies went down to a 32 to 13 defeat here today.
The score might have been larger, but the St. Mary's players fell into a lot of hard luck in the way of fumbles, and were heavily penalized for holding on numerous occasions.
The farmers drew first blood early in the first quarter, when, after recovering a St. Mary's fumble on the 25 yard line, Tont sent a placement kick squarely between the poles. St. Mary's retaliated a few minutes later by sending Underhill across the line for a touchdown on a 20-yard pass from Rooney.
The Aggies took another three points on a placement kick in the second quarter. Franklin, St. Mary's, scored a touchdown. Tutz, Aggie left end, recovered a St. Mary's fumble and ran 35 yards to a touchdown in the same period.
The farm boys were unable to score after the first half. Grant, St. Mary's fullback, made two touchdowns in the third period, and another in the fourth.
Score:
St. Mary's 6 6 13 7—32
Aggies 3 10 0 0—13

TIGERS DOWN MIGHTY NEBRASKAN WARRIORS

ROLLINS FIELD, Columbus, Mo., Oct. 10.—The Missouri Tigers humbled the mighty Nebraska eleven here this afternoon, 9 to 0 in one of the greatest football struggles ever seen on the local field.
Missouri swarmed all over the Corn Huskers and fought desperately from the first to the final whistle against the team that whipped "Red" Grange and the Illinois eleven last Saturday.
KANSAS AGGIES BEATEN
DES MOINES, Iowa, Oct. 10.—Cheered by 10,000 football fans, who packed Drake university's new \$500,000 stadium, Conch Owsie Solomon's Bull Dog squad this afternoon trounced the Kansas Aggie eleven to the tune of 19 to 0.

KLAMATH HI WINS HARD GAME 12-7

Ashland Unable to Hold Up Attack of French's Grid Warriors

Klamath high school made up in more ways than one the defeat administered to her last week by Medford when she took the Ashland gridsters to a cleaning yesterday afternoon on the local grounds. The score with the final blow of the whistle stood 12 to 7 in favor of the Klamath men.
With the first kick off Klamath received and was back on her 30 yard line. Consistent ground gaining marked the first three minutes of play and after seven ground gains down, Klamath men scored. Failing to convert their touchdown made by Hall, the score stood 6 to 0.
Ashland in turn received on her 30 yard line and with a series of brilliant passes worked her way down the field. Three forward passes netting them approximately 15 yards apiece brought the visitors dangerously near the posts. Bungling their chances with a place kick they lost five yards with Barnes snagging the ball for Klamath.
The second quarter found the situation in Klamath's favor with one 20 yard gain and a 15 yard pass completed by Hall. First and ten with eight yards to go, Klamath's ball the local men failed to make their yardage and the ball was received by Ashland who brought in more fight at this point of the game than shown in the previous quarter.
In their second down Klamath received the ball and lost eight yards with a fumble. Klamath penalized five yards recovered the loss by a place kick from the 45 to the 45 yard line out of enemy territory. Yancey continued his consistent ground gaining with line plunging and bucking through the lighter Ashland men for several downs. Johnson of Klamath proved up in this quarter. Klamath rushed consistently down the field for downs and on the three yard line were held by the fighting Ashland men, losing the ball to the visitors.
The end of the half left the Klamath team still ahead with a score of 6 to 0 but a fight was rising among the Ashland men which they displayed to good advantage later in the game.
The most sensational play in the entire game was recorded in the first few moments of the third quarter when Zed Barnes, snappy end, grabbed the ball and tore for 25 yards down the field, through the Ashland ranks. With the ball in Klamath's hands and in Klamath territory it took but a few moments for another score to be recorded when Barnes carried the ball over. They failed to convert the goal and the final score for Klamath was 12.
Ashland came back in the fourth quarter and during the last ten minutes, play was entirely in the enemy territory. Worn by the consistent line plunging the heavier

HUSKIES DEFEAT MONTANA 30 TO 10

SEATTLE, Oct. 10.—(United Press)—The Washington Huskies defeated the Montana Grizzlies at the stadium here Saturday afternoon by a score of 30 to 10.
Playing one of the finest games of his college career at Washington, George Wilson, halfback, paved the way for two of the three touchdowns scored by the Huskies. He broke loose for two runs, the first for 35 yards in the second quarter, and again in the last period.
Bill Kelly, Montana's flashy quarterback, ran Wilson a close race for honors, but got little support.
Punting featured the game, with Russell Sweet of Montana and Geo. Guttormsen of Washington doing some nice kicking. Montana's line, badly outweighed, could hardly cope with the heavy Washington forwards.
In the final quarter, Montana by a wonderful display of spirit, made their first touchdown when a forward pass put the ball over from the eight-yard line. Sweet place-kicked from the 12-yard line in the first quarter for the other Grizzly three points.

YOUNG STRIBLING WINS ON DECISION

LOS ANGELES, Oct. 10.—W. L. "Young" Stribling, of Atlanta, won the referee's decision in a 10-round bout with Sailor Eddie Huffman here this afternoon.
The sailor was no match for the young Georgian, and took one of the worst trouncings of his ring career.
Stribling had the better of at least eight rounds, and evened the fighting in the others.
Huffman was on the verge of a knockout in the early rounds, the bell saving him at several stages of the match. He tried a feeble comeback in the final round, with Stribling on the defensive, but was unable to more than even the exchange of blows.

OREGON LOSES IN GAME WITH IDAHO

EUGENE, Oct. 10.—(United Press)—The University of Oregon's football team showed up with many weaknesses today and suffered the loss of a game at the hands of the Idaho Vandals, 6 to 0.
Vic Cameron, of the University of Idaho team, smashed the Oregon line twice for five yards each, and scored the only touchdown of the game in the third quarter.
Oregon's play fell short of expectations of its supporters. The line, practically the same that played wonderful defensive football for the Webfooters last season, was outclassed and failed to open 37 holes for its backs on the offensive.

IOWA VICTORIOUS

AMES, Iowa, Oct. 10.—The Iowa state college eleven came out victorious in its first conference game of the season against the Kansas university squad here this afternoon. The score was Ames, 20; Kansas university, 0. A crowd estimated at 10,000, witnessed the football classic, which was played in Iowa state college's new stadium, dedicated today.

Grange Shows Flash of Former Brilliance

URBANA, Ill., Oct. 10.—Although "Red" Grange delighted his admirers by exhibiting flashes of brilliance that recalled his great performances of 1923 and 1924, Illinois was given a scare this afternoon and barely crawled out of its game with Butler, winning 16 to 13.

SEALS WIN AGAIN

SAN FRANCISCO, Oct. 10.—Least there be any doubt about the Seals winning the Coast league pennant this year, after clinching it yesterday, the home town boys on their own lot here today beat the Vernon Tigers, 7 to 5.

CALIFORNIA GRIDS CRUSHED 15-0

BERKELEY, Calif., Oct. 10.—University of California supporters went home dazed this evening by a 15 to 0 drubbing administered to the Bruin eleven, the first defeat of Coach Andy Smith's "wonder team" in five years. Forty thousand fans, including many Olympic club rooters from among Stanford alumni, saw the reversal of form for the favorites. It was a "revenge" game, with four or more former Stanford stars in the clubmen's line-up, all the way through the game.
The Olympic, captain, Bailey, started the scoring in the second quarter with a touchdown, which was not converted. Locey, Olympic right tackle, carried the ball over the line again in the third quarter, and the goal was converted by Patrick, former Palo Alto star, for the extra point. The final two points for the clubmen came with a safety.

SANTA CLARA 6, FRESNO 0

FRESNO, Oct. 10.—Fresno state college eleven held Santa Clara college to a 6 to 0 score here today in a hard fought football game, the first scheduled by either team in the newly formed western conference. Santa Clara scored its lone touchdown in the third quarter, and failed to kick goal. Santa Clara held the University of California to a 25 to 0 score this year.

"At \$895 the Overland Six is head and shoulders above it's price class"

... you buyers of six cylinder cars, think this over . . . it will save you money in the long run, and add a lot to the pleasure and comfort you can get out of motoring . . . never, in the history of the automobile, have such superlative values been offered as are being offered to-day by Willys-Overland.

Overland Six Standard Sedan, \$895 f. o. b. Toledo

... at a price familiar to you as that usually asked for four cylinder enclosed cars, and far below some four cylinder car prices—the Overland Six offers you a quality which is hard to duplicate at from \$400 to \$600 more . . . no further appeal to your judgment is necessary.

A new type motor
... especially developed for this Overland, the six cylinder motor is far in advance—hung low in the chassis to give a straight line drive . . . perfectly balanced to give a smoothness of operation that is a revelation . . . flexible beyond any experience you have ever had with a light six, ready for any work you may ask it to do—and it delivers the biggest 40 H. P. that you have ever had under a hood.

Lubrication
... the force feed oiling system delivers the oil where it should go and when it should go in a quantity that lets you rest easy regarding lubrication . . . crank shaft is drilled and oil cooled.

Brakes
... the service brake gives a braking surface that insures perfect safety, big 12 inch brake drums on the rear wheels . . . the hand brake operates through a drum on the transmission . . . four times the braking power at the drum than you exert on the lever.

Quality equipment
... for equipment you get a magnetic speedometer, oil gauge, ammeter, windshield wiper, drum type headlights and all the features you really need. Auto-lite starting and lighting system.

Amazing riding ease
... the low swung body is hung on extra long semi-elliptic springs made of Chrome-vanadium steel, the best spring steel made—the way this Overland Six rides over rough roads is a revelation to anyone.

Real beauty in this quality car
... 13 1/2 feet from tip to tip, these are the dimensions of this REAL full-size Sedan . . . it's built for five real full grown people to ride in with comfort . . . lots of leg room, unusually deep seats beautifully upholstered in velour and designed for real riding ease. There is beauty in the room of this car . . . and there is a beauty in the body lines that will make you want it the minute you see it. It is long and low—racy and speedy looking . . . with such big window space that it gives you the vision of an open car. The doors are exceptionally wide and hung on hinges that keep it in place—rattle free and trouble proof.

We invite careful comparison
... go easy when you are buying a light six—see them all—try them all out—it's by direct comparison that we can best convince you of Overland superiority. But by all means try this Overland on a steep hill—on a rough street—in congested traffic—these are the places where real construction shows up—and when you ride in it just picture three or four hundred miles that you may want to travel some day—if Overland performance—Overland room—and Overland flexibility doesn't show you more than you ever expected to see—then our experiences have all been wrong.

Easy terms—low down payment—eighteen months for the balance and your present car as part of first down payment.
