CORTICELLI FASHIONS

Irene Castle's excellent taste and
style sense again come to the fore
in this clever "Corticelli" Satin-
Tremaine Frock with its smart
waistline shirred ever so slightly
and coaxed into a point. Magnifi-
cent brocaded embroidery adds a
wealth of beauty to sleeves and
collar. Madame and Mademoiselle
may don this Frock for early Fall
wear with the delightful assur-
ance that it has the approval of
"America's Best Dressed Woman."

CORTICELLI FASHIONS

Miss Castle is in constant touch with
leading couturiers, both here and
in France, and it is natural, there-
fore, that she should be one of the
first to know the latest whims of
Madame La Mode. Dyed mole col-
lar and cuffs to match one's
Frock is quite the newest thing—
which is why Irene Castle sponsors
it in this smart Frock of "Corti-
celli" Crepe-Satin Tremaine, made
even smarter by metallic ribbon
that shimmer in three sprightly
lines.

The Young Fellows
Like Our Styles!

That's evident more and more each season with increased
patronage. They tell us we select the models that are
most becoming to them, pick the woolens and patterns
they like, and have our clothes tailored with custom care.
And with all these important features we price our clothes
so reasonably low that every Suit in this store is the value
of the season.

They are Kuppenheimer's Good Clothes—see them
at \$30 to \$60.

We have styles that the older fellows like also.
