

# Are YOU Lucky?

## Blind Chance Decides This

The whims of chance or the vagaries of luck may have smiled favorably upon you today. If so, there is \$2.50 awaiting you FREE at two of the business houses advertising on this page.

Certain numbers taken from the telephone book, have been drawn blindfolded by Mysterious Lady Luck for the purpose of this event.

Read the advertisement carefully, and if your initials and phone number appears in any of these advertisements, go to these firms and secure free \$2.50 in cash.

Even if you don't prove a winner, it is by no means a loss of time to learn of the good bargains these concerns offer.
