Fights Charges of Yellowstone Mismanagement

Persons and organizations who caused the present investigation of the operation of Yellowstone National Park are being attacked by the park superintendent, H. M. Albright (above). He says their own purses are uppermost in their minds and not the best interests of the park, which is as large as the states of Rhode Island and Delaware combined. Albright is accused of favoritism and misuse of park facilities.

Duck Poison Lurks in Stagnant Pools

Stagnant pools of water, polluted with some strange poison caused the death of the thousands of ducks and water fowl killed in the Tule lake bed, according to opinions formed by those caring for the ducks and mud hens brought to the California Oregon Power company pond for study. The birds were brought to fresh water by United States Game Warden Tonkin on Thursday and Saturday of last week, the majority of the fowl in such a condition that they were unable to fly from the box in which they were carried.

Boy Scout Troops Attend Drill Meet

One hundred per cent was the average of attendance last night, when Boy Scouts of Troop No. 1, with Everett O. Nord as scout leader, met in A. O. U. W. hall for one of the peppy meetings that have been scheduled for the winter.

H. G. Shidler gave a fine discussion before the boys on the origin of the American flag, with personal experiences.

Another interesting talk was that of L. E. Banker, who took the boys in hand for 20 minutes and gave them the fundamental principles of scout drill and a brief outline of discipline.

Following practical instruction in various phases of scouting, during which time several of the boys passed the scout tests, the group

was divided into two sections and a game of knot tying baseball was won by Merle Swanson's group. Merle Swanson led the scouts in giving the scout oath, Lee Hunter in the scout laws, and Bob Hunter led the closing ceremony in the salute to the flag.

It is expected that Julius Mueller, scoutmaster of Troop No. 1, will return next Friday and take charge of the boys for the remainder of the winter. During his absence Nord has done splendid work with the boys, and created several interesting meetings.

POLICE HOLD MAN ON WIFE BEATING CHARGE

Raymond Dixon, colored, yesterday pleaded not guilty to a charge of assault and battery upon his alleged wife, but did admit that he had "beat her up, sah; yes, beat her up."

serious tickings of morning hours, on Friday, and Hazel, Dixon's consort, was the recipient of a beating, said to have occurred in their shack on the flats.

Immediately after the office of Police Judge Gaghen opened for his daily reception of drunks and automobile violators, Hazel put in her appearance, and swore out a warrant for Dixon's arrest.

Dixon, who is a porter in the Hall hotel, was hauled into court, where he was given the maximum fine of \$25, which he failed to provide. He is now resting in the city jail for 12 days.

Hazel has made herself scarce after a confab with the city police.

HI SOCCER TEAMS BATTLE TIE GAME

Ending with a tie of 0 to 0, even after playing an extra half, soccer teams of Klamath and Henley high schools failed to score yesterday afternoon when they met on the Klamath field.

Soccer is holding an interest all its own and the teams of the county high schools are taking an active part in the schedule of games this winter.

Girls of the Klamath volley ball team lost by one point to the Henley girls, with a final score of 37 to 38. Both the soccer game and volley ball contests were played at the same time, with a good attendance from the high school.

Tells Why He Can Now Eat Hearty

"A letter which I read in the paper about Carter's Little Liver Pills fitted my own case so closely that I could not help trying them and am very happy I did." So writes Mr. Frank J. Trumbull of Jersey City, N. J., whose letter goes on to say, "I had heard about Carter's Little Liver Pills for years but never knew they helped overcome poor appetite and sour stomach, until I read about another man in the same plight who took Carter's with good results. I tried them and can honestly say that they freed me of nasty gas on stomach, so that I can now eat without getting bilious, and they improved my appetite fully 100%. You can rest assured that from now on I will boost Carter's Little Liver Pills whenever I can." Recommended and for sale by all drug stores. (Advertisement)
