Framed Pictures For Your Home
Make Plain Walls Beautiful

3 Day Special
Choice **\$1** Each
Today, Wednesday, Thursday, Nov. 3, 4, 5.

ALL PICTURES—Reproductions of paintings by masters of the art of picturing scenes on canvas with brush and colors—to brighten the home atmosphere, add color, happiness of suggestion—to make plain walls beautiful.

- Description of Pictures**
- Picture**—Exact reproductions in colors on heavy grade art material.
 - Colors**—Permanent.
 - Size**—Inclusive of frame, twelve and three-three-eighths (12 3-8) inches by fifteen and seven-eighths (15 7-8) inches.
 - Frame**—Bronzed polychrome frame of gum cedar seven-eighths (7-8) inches wide, faultlessly mitred and joined.
 - Glass**—Heavy, clear, perfect glass.
 - Hanger**—Patented, decorated in same color as frame, firmly secured to frame, for picture to hang flat against wall.

This is an unusual offering, at this time when so many new homes are being completed and decorative material being eagerly sought, this assortment of pictures provides an economical way to enhance and increase the interior appearance—in fact to beautify the home. We believe it impossible to duplicate such a frame and hanger for the price of \$1, not mentioning the glass and the painting reproduced.
