WHIPPING POST BILL PREPARED

Representative Douglas of Washington Seeks Harsh Punishment Law

OLYMPIA, Wash., Nov. 10.—A bill being prepared by Representative Ralph Douglas for presentation at the extra session of the Washington legislature provides a maximum penalty of 100 lashes and a minimum of ten to be inflicted at the whipping post on perpetrators of crimes of violence.

The bill would subject convicted murderers, sentenced to life imprisonment, to the maximum penalty of 100 lashes, and whippings would be administered in decreasing degree in accordance with the nature of the offense.

HIGH SCHOOL IS URGED BY MEDICS

Dr. G. A. Massey, Director of C. of C. Declares Building Educational Necessity

Dr. G. A. Massey, member of the board of directors of the Klamath Falls chamber of commerce, who has shown considerable interest in a proposed new high school for the city, tried in vain to resign as a director, when his colleagues met at the chamber of commerce yesterday noon.

In the first place, Dr. Massey's fellow members didn't want him to resign. In the second place, there was not a quorum present and, in consequence, his resignation could not be considered.

Dr. Massey had explained that he felt he should quit the board, since outside duties had prevented him from attending regularly. "Andy" Collier, president of the board, urged Dr. Massey to reconsider.

But little was accomplished at yesterday's meeting, although a number of questions were discussed. In response to questions, Dr. Massey said there was only two ways of securing a new high school: One by creating a new bonding district, and the other by convincing all the county that it should erect a high school. He held the latter plan to be the more feasible of the two.

Dr. Massey explained that he had been so busy with grade school work, that he had had but little opportunity to devote any time to the high school situation.

Trees, which are to be planted on various streets of Klamath Falls, soon are to arrive, according to Mr. Collier. They will be placed in the ground under proper supervision, and another shipment, he said, is to be received in the spring.

Due to the fact that today is Armistice day, the usual forum luncheon is not to be held, it was announced by Lyon Sabin, secretary of the chamber.

MORE ATTENTION!

The Klamath Daily News
Was very busy
Getting ready yesterday
And couldn't tell you
All the excitement
So we asked you
If you would wait
And here we are now
All ready for you
With invitations out
For everybody to come
To our party held
At our office
Tomorrow night,
Which is Thursday.
The presses will run
And surprise you.
The fellows and ladies
That make your paper
The latch string's out.
We thank you,
The Whole Darn Staff.

THOUSANDS FALL AS CRY OF WOLF ROCKS WALL ST.

Wildest Day Marked in History

SALES BREAK RECORDS

Total of 3,527,000 Shares Sold As Bears Swipe Market Clean

NEW YORK, Nov. 10.—With a crash that reverberated through the narrow canyons of Wall street and wiped out thousands of small investors the length and breadth of the land, the bottom fell out of the stock market Tuesday.

The wildest day in the history of the New York stock exchange in which a record number of sales—3,527,000 shares—was recorded, came technically to an end at 3 p. m., with stocks off from five to 25 points.

The termination of business for the day was only the signal for a great flood of calls from brokers for more margins from their customers, however, and Wall street experts expect the cataclysmic decline to continue Wednesday morning.

What happened was easy to understand. The great bull market of 1925 had been inflated far beyond reason by the overconfidence of hundreds of thousands of small investors.

Somebody cried "wolf!" and the bears did the rest.

The advance in prices of almost all the leading stocks listed on the stock exchange this year had gone too far. The exchange had become a potential powder barrel, and it needed just a spark to touch it off and blow the invested savings of men and women throughout the country into smithereens.

It is the "little man," as the investor of moderate means is known in "the street" who has suffered the full force of the swipe from the bear's paw. Few if any of the mil-

FRENCH CAVALRY TO LAUNCH OFFENSIVE

LONDON, Nov. 10.—(United News)—French cavalry has begun an encircling movement between Damascus and Homs, preparatory to a French attack in force against the rebels around Damascus, according to a dispatch from Beirut.

The dawn of Armistice day will be the signal for what the French hope will prove a decisive offensive against the rebels, who virtually surround Damascus.

Airplanes are busy on the outskirts of the city, and the explosion of bombs in the rebel strongholds are plainly visible from the roofs of Damascus houses.

Between Damascus and Homs the French are endeavoring to round up the rebels, and thus prevent them from moving southward.

Mae Murray Wins in Suit Against Duell

NEW YORK, Nov. 10.—Charles H. Duell, motion picture producer, has lost a legal battle with another of his film stars, Mae Murray, winsome leading lady in many famous productions, obtained a judgment of \$650 against Duell in supreme court here Tuesday. The sum represents a month's rent of her west side apartment, which the actress claimed the producer should have paid.

WOOF, WOOF, SAYS THE BOSS WHEN HIS BONNY CASHIER HANDS HIM THIS ONE TO LAUGH OFF

A lanky stranger sauntered up to the blonde cashier at the Shasta cafe, on Seventh street yesterday. The stranger owned an honest face, a meal which he recently had stored away, a gold tooth which had assisted in its mastication, and a way with him.

"Will you cash this check, Miss?" he wanted to know.

The young woman looked at the piece of paper, the honest face, and the handsome gold tooth. The check

MINE CONFAB OPENS SESSION

Gov. Pinchot Seeks to Exert Mediating Influence on Strike Principals

PHILADELPHIA, Nov. 10.—For the second time since it began, Gov. Pinchot will attempt to exert a mediating influence in the anthracite coal strike when the first of a new series of conferences, to which he has invited leaders of the operators and miners opens here Wednesday.

The governor is registered at the hotel here, where John L. Lewis, international president of the mine workers maintains his headquarters. The two men will confer Wednesday at this hotel.

Lewis announced late Tuesday that he had accepted an invitation from the governor for a conference on the strike situation. A similar invitation was sent to Maj. W. W. Inglis, while declining to discuss the tenor of Pinchot's invitation, or commenting on its contents, indicated a willingness to confer.

SCHOOL DAY COST \$125 FOR DRIVER

Yreka Man Who Tried Stunts On District School Pays Heavy for "Fun"

A man who gave his name as J. F. Meadows, of Yreka, Calif., who, a few nights ago, was taken into custody after he had driven his automobile along paths that were neither straight nor narrow, yesterday entered a plea of guilty in justice court to a charge of reckless driving. Mr. Meadows, according to Sheriff Burt Hawkins, had availed himself of all privileges accorded a school pupil and had played on various athletic apparatus to be found at a school on the Reno road, prior to the time he was arrested.

Meadows was assessed a fine of \$125.

"He frightened the school ma'am, and we can't have that," commented Justice of the Peace Ed Kendall yesterday afternoon after he had collected the \$125.

Meadows was lying in a ditch when officers arrived, Sheriff Hawkins said.

Defense Scores in Oberholtzer Trial

NOBLESVILLE, Ind., Nov. 10.—(United News)—The defense in the Oberholtzer murder trial scored another victory as the first phase of rebuttal testimony came to an end late Tuesday.

The state called Mrs. Hilton U. Brown, wife of an Indianapolis publisher, to testify as a character witness for Miss Madge Oberholtzer, whose personal conduct has been the subject of a bitter defense attack, but the defense attorneys objected, and their objection was sustained by Judge Will Sparks.

D. C. Stephenson, former ruler of the Indiana K. K. K., Earl Gentry and Earl Klenck are on trial for murder in connection with Miss Oberholtzer's death early last spring. It is charged they abducted and assaulted her, and that she died later partly as a result of her wounds, and partly as a result of poison, which she swallowed after the alleged assault.

DELEGATES ARRIVE TO ATTEND GRANGE MEET

SACRAMENTO, Calif., Nov. 10.—Delegates to the national grange convention began arriving here Tuesday. Sessions open Wednesday.

A special train, carrying delegates from 36 states, arrived during the afternoon. A reception was held at the capitol later in the day.

DISTRICT CHOOSES JACOB—SHORT ON BOARD SELECTION

Anti-Administration Candidates Win

ORGANIZATION SOLID

Eberlein Stands Watch At Polls All Day Long Till Last Vote Is In

R. L. ("Lum") Short and J. L. Jacob, administration candidates of the Klamath Irrigation district board won by a strong majority at the polls yesterday over Charles Drew and G. L. Carleton, anti-administration candidates.

Short led his ticket by piling-up 250 votes as against 96 for Carleton. Jacob polled 239 votes as against 101 for Drew.

The result shows a strong sentiment of this community in support of the policies of R. E. Bradbury who has been president of the board for the past two years. It also gives clear indication of the perfectly working organization that has been built by Bradbury. Drew and Carleton were utterly without organization in the field.

All day workers for Short and Jacobs were at the polls and in the field accomplishing effective work. It is surprising that the total vote did not go higher than it did, considering the untiring effort made on behalf of the Bradbury candidates to get voters to the polls. Last year the total vote was 378 as compared with a total of 551 for yesterday.

Even Charles Wood Eberlein stood watch at the Altamont precinct all day long, retiring only when the last vote was counted. The result at Altamont made certain the victory of the Bradbury forces, for it had been very doubtful. Every precinct had its Bradbury workers.

Malin was the first district to report, but its strong majority for Short and Jacob, as was anticipated, did not indicate the final result. It was only when the early returns from Altamont showed that Short and Jacob were running with a three to one lead that the final result was no longer in doubt.

Drew won in only two precincts over Jacob. He led in Merrill over Jacob by 29 to 20, and in Olene by 15 to 16. Carleton had a strong lead over Short in Merrill, 33 to 22.

Secretary A. M. Thomas had the complete vote in the district office by 6:30 o'clock. It was reported so promptly by telephone that not more than three people knew the count had begun. But the boys came in later to celebrate and a good time was had by all.

	Drew	Jacob	Carleton	Short
Altamont	30	75	25	80
Spring Lake	9	44	8	46
Midland	2	11	2	12
Olene	18	16	13	19
Merrill	29	20	33	22
Malin	13	73	15	71
Totals	101	239	96	250

PROCLAMATION

WHEREAS November 11 is set aside as Armistice Day throughout the nation, marking the cessation of hostilities in the great World War, and

WHEREAS it is customary to observe that day by entering into festivities of a patriotic nature,

THEREFORE BE IT RESOLVED that we, the Mayor, and Common Council of the City of Klamath Falls do recommend and urge that all places of business in this city close on November 11, 1925, at 12:00 noon and remain closed for the balance of the day, and that the citizens of this city observe Armistice Day in the most befitting manner.

FRED R. GODDARD,
Mayor.
CHAS. I. ROBERTS

YOU CHASE ME, SAYS RUDOLPH

Mr. and Mrs. Valentino Play Independent Leads In "I Should Worry"

NEW YORK, Nov. 10.—(United News)—"You chase me" is the little game being played by Rudolph Valentino, Hollywood's favorite of the Sahara, and his wife Miss Winifred Hudnut Valentino.

"She may call up if she wishes," said Rudolph condescendingly, when informed that Mrs. Valentino had just arrived in New York on the Leviathan from abroad. "If any one does any telephoning it will be my husband," replied Mrs. Valentino, when informed of the sheik's generous offer. In the meantime the ambitious Winifred is going right ahead with plans for her own work in the movies under her professional name of Natache Rambova.

CHEST DRIVE TO FUSE ALL BODIES

Individual Organizations Are Merged to Work Toward Common Goal

To lose the identity of individual organizations and fuse together as one in the interests of the community chest drive is the basis of the 1926 drive of the Klamath Falls chest committee.

The initial meeting of the members of the drive was held last night in the chamber of commerce rooms with 34 members present representing 24 organizations.

Chris Barnstable will head the drive as chairman, with Mrs. Gordon Dixon as secretary, and George R. Lindley as treasurer.

Five committees have been appointed and their leaders Mrs. Nate Otterlein, supply; Albert May, purchasing; H. T. Savidge, soliciting; American Legion, distributing; Miss Lydia Fricke, investigation.

According to reports heard from (Continued on Page Two)

SALVAGE KING BEGINS LONG TOW ON PACIFIC

VICTORIA, B. C., Nov. 10.—The steamer Salvage King has won her race across the storm tossed waters of the north Pacific, according to a wireless message received here Tuesday night, which says the rescue vessel reached the listed steamship Polerie at 7 o'clock Tuesday night.

The Salvage King stated that a heavy cross sea is running.

On account of the fifteen degree list to port, caused by the shifting of the Polerie's grain cargo, the Salvage King made fast alongside the disabled freighter, and so will tow her back to Victoria.

Plumber Stricken At Pelican City

George H. Glenn, aged 34 years, 1 month, two days, died at 9:10 last evening from heart trouble while visiting at the residence of a neighbor in Pelican City. He was employed there as a plumber and general all-round work, having been up there for a year and seven months. He has been troubled with heart ailment for the past month, but nothing serious was thought of it. He is a native of Stanton, Va.

He leaves a wife, Mrs. G. H. Glenn, and a stepdaughter, Kathleen Livingston. Funeral arrangements will await word from relatives, who have been wired.

NEWELL LEAVES TO ASSUME DUTIES AS PROHIBITION HEAD

EUGENE, Nov. 10.—W. K. Newell expects within the next two weeks to leave for Portland, where he will make his home and be installed as deputy state prohibition officer, it was announced Tuesday. Newell has been in communication with the office at Seattle, and arrangements have been completed for him to take over the work of his new position.

Announcement of appointments of his aides will not be made by Newell until he has taken over the office, although a large number of applications have been received for the various appointive positions.

ARMISTICE DAY IS TO BE OBSERVED BY ENTIRE CITY

Banks and Business Houses Close

RESPECTS PAID 11:11

Corner Stone of New Legion Building to Be Laid In Fitting Ceremony

Stores will close at noon, banks all day, schools will close their doors and festivity will be the keynote of the day in commemoration of Armistice which, on November 11, 1918, at 11:11 o'clock ended the world war, five years of bloody struggle which tore the earth in combat and strife.

Eight years ago today, in every little town and village, in every city and metropolis throughout the world rang the glad tidings that the war had ceased. War became a thing of the past and the business of rehabilitating and the work of reorganizing that which had been destroyed took up the mind of the busy world.

But not once in that short eight years has the eleventh of November passed without ceremony or demonstration.

Ex-soldiers, too modest to appear but very seldom in their uniforms, will don khaki and Sam Brown belts and mingle with the throng. From the girls in the box factories to the stenographers who feel like they haven't had a vacation since "goodness knows when" will live a half holiday not to be forgotten soon in the history of Klamath Falls.

At one o'clock the cornerstone of the new American Legion building will be laid by "Smiling George" Griffith of Salem, past commander of the state American Legion and now deputy state treasurer of the Legion. Francis R. Olds, commander of the Klamath post and H. D. Lloyd Stewart met Griffith in Medford yesterday and returned with him to Klamath Falls for the ceremony.

Shortly after the laying of the cornerstone, when Griffith will address the throng which is expected at the ceremony, a football game will be called at 2:00 o'clock (Continued On Page Two)

Convict Meets Death In Fall From Cable During Jail Escape

FOLSOM, Calif., No. 10.—(United News)—In a spectacular attempt to escape from the Folsom state penitentiary by crossing the American river on a high cable Tuesday afternoon, one convict was killed and his companion recaptured.

Claude Kohl, 39, former Oklahoma convict and serving from five years to life for a California robbery, fell from the cable to jagged rocks along the river bank, 100 feet below. Robert York, 31, convicted of burglary, managed to cling to the swaying cable and worked his way back to the starting point, where guards awaited him.
