

K. F. H. S. QUINTET HAS 4 LETTERMEN

Hall-Barnes - Carrol - Graham
Are Four Hoopsters All
Ready for Work

Basketball, to some the greatest of all athletic sports, has appeared on the horizon of the season and will hold the interest of sports fans from now until the opening of the track season.

Klamath county high school, which proved its true metal in football this year has four lettermen around which Coach "Ditch" French will build his quintet.

The hoopsters who are left over from last year are Frank Hall, Zed Barnes, "Axy" Carroll and Howard Graham. Again the Hall-Barnes-Carroll trio looms up big and promising with things as big as those done in football looked for. As for Graham, he is a whizz with the ball and his long distance shots from any part of the floor won him a name on the maple not to be sniffed at.

With the completion of the American Legion building which is scheduled for not later than Christmas Day practice around the hoop will begin in earnest and French has the four lettermen as a nucleus around which he may build a winning team.

Others who are expected to turn out are Leslie Elmore, Howard Pruitt, who has played recently on valley teams, Louis Stewart "Budge" Maguire and "Abe" Connors.

The basketball schedule for the Klamath County Athletic association will be completed in the near future, according to Principal Jackson. This schedule will be given precedence over the valley schedule although a number of games are expected with the teams across the mountains to fill in the open dates of the Klamath team.

MEMBERS OF SENIOR CLASS PRESENTED WITH PENNANT

Senior girls of the high school were yesterday morning honored with a scholarship assembly when they were presented with the scholarship pennant by Miss Margaret Cummings, a member of the grand honor roll. Miss Jennie Grover, representing the senior girls, accepted the pennant.

Those who rated the grand honor roll were in charge of the assembly. Rev. J. Henry Thomas of St. Paul's Episcopal church, addressed the student body briefly.

The senior girls, who are the first to receive the scholarship pennant, will keep the emblem until the completion of the next six weeks, when the roll room receiving the highest grades will be the recipient.
