

HEADLINERS ARE NOW SIGNED FOR SPEEDY PROGRAM

Fast Battlers Ready for Go At Scandia Hall Here On December 1st

Fans are due to see the fastest pair of battlers on the Pacific coast in their respective classes here on Tuesday, December 1, when Billy Watson and Mike De Pinto come together in Scandia hall for the Christmas toy benefit billed for that date. These two will go for ten rounds in the main event of the evening. Both have fought before. Watson put it over De Pinto for a decision at Eureka about six months ago. Naturally De Pinto thinks he can stage a comeback for at least a decision over Watson. That, however, is a matter of opinion, which the bout on Tuesday will decide.

The two young battlers will go on at about 135 pounds. That is the weight the fans like to see. Then again both are clever, experienced in the ring and are to headline a card on Tuesday that will force them to extend themselves to keep a reputation as headliners.

Johnnie Sylvester makes no hesitancy in predicting that Mickey Gibbons will surprise the fans here with an exhibition of speed unexcelled heretofore this season. Gibbons is a favorite with Sylvester and is looked upon to put it over Chuck Sams in the second of the double headliner. This battle is booked for six rounds at 145 pounds and is looked upon to be the greatest seen in Klamath Falls at that weight.

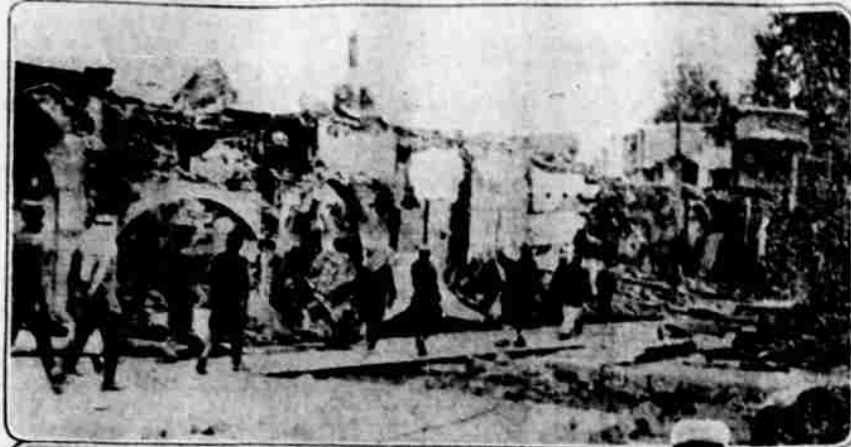

Again comes another 145 pound for four rounds, an extra special between Sid Herbert, and Kid Clark of Portland. This is also looked upon as a special attraction in an especially attractive card.

Right down the line on this card there are two 131 pounders Kid Thomas of Portland and Eddie McDonald, of Los Angeles, making up the last of the specials which will go for preliminaries on one of the best cards to be seen in this city in many a decade, of all goes well. It took a lot of trouble to line up this bout and prior to its being arranged the wires were kept hot getting things down pat. But it's all ready now insofar as signing up is concerned and there is a treat for the fans next Tuesday.

There will also be a new referee on that night, the identity of whom has not yet been divulged by Matchmaker Sylvester.

Fans are extended an invitation to come down and watch the boys at work any afternoon or evening.

Pictures Tell Story of Damascus Massacre; French Barricade City to Bar Retaliation

Ancient Damascus is in ruins, as a result of the warfare of French soldiers and Syrian rebels. Photo at top shows condition of city after bombardment of French guns in which 1,000 natives were killed; at bottom is a view of one of the many street barricades set up by the French to prevent retaliations.

They workout in the union hall underneath the Scandia hall main floor.

Ticket sales will start on Friday at the Rex billiard hall, The Smoke, Waldorf and Mecca.

Walker Sails Over To Easy Decision

NEWARK ARMORY, NEWARK, N. J., Nov. 25.—(United News)—Mickey Walker of Elizabeth, N. J., and Sailor Friedman of Chicago, boxed 12 rounds at the Newark armory on Wednesday in a bout that was scheduled as "for the welter-weight championship of the world."

It was hard to see how the promoters figured out this advertisement, for the title which the jaunty Jersey man has held for many months now, was not once in danger at any time during the fight.

The sailor, who recently has turned over a new leaf, and put himself under the care of "Boo Boo" Hoff, fought the best he knew how, but he never succeeded in worrying the champion.

Walker won the unofficial decision without dispute. In New Jersey, the referee is not permitted to tell who wins a fight, but in this instance there was no necessity for any official announcement.

BENNY HILL MAKES NEW SPEED RECORD

CULVER CITY, Calif., Nov. 25.—(United News)—Benny Hill established a new automobile speed record here when he whirled his roaring Miller around the Culver City track at the rate of 140.6 miles per hour. Hill's time was checked by an official A. A. U. timer, as he was qualifying for the 250-mile race to be held Sunday.

This is said to be the first time a car has been able to negotiate a circular track at 140 miles an hour. The straight-away record is only 141.5 miles an hour.

MAN RELEASED TO VISIT SICK WIFE

Rancher Arrested for Having Still on Place, Wife Ill and Needs Operation

Four miles southeast of Malin there is a small farm house, squatting near a private road which leads from the highway. It is a poorly constructed house, poorly painted, hiding away as if ashamed of its own bareness.

In the farmhouse, according to officers, there is a woman who soon must undergo an operation. The woman has but little to say, and asks nothing of society.

Yesterday evening, in the Klamath justice court, there sat a bearded man, 28 years of age, nervously crushing the black hat which lay in his lap. According to officers, he, too, is suffering from an ailment which has caused him much unpleasantness.

The man was C. Wenzel, husband of the woman whose chance lies with the surgeon's knife. The man was under arrest, charged with the unlawful possession of a moonshine still, and with moonshine liquor.

Officers, accustomed to tales of misfortune, were moved by the story told by Wenzel, and he was released on his own recognizance. Sentence will be imposed Friday morning at 10 o'clock.

"If you are allowed to go, will you promise to come back?" Wenzel was asked.

He nodded his head, continuing to manipulate the black felt hat. "I'll come back," he said.

A short while later he was in a battered car, bound for the house which squats by the side of the road. Thanksgiving, for him and

his wife, will be spent in wondering what his sentence will be.

Wenzel was arrested about midnight, yesterday, by Prohibition Officer Bill Cole. In view of the circumstances surrounding the case, Cole said that he personally, would not press the charge of possessing a distillery.

VAUGHN FOUND GUILTY

A bare five minutes after the jury in the case of Tom Vaughn, charged with operating a distillery, had received its instructions yesterday, it again filed into the court room.

"Guilty," the jury said. Vaughn, who was indicted at a recent session of the grand jury, will receive sentence Friday morning at 10 o'clock, imposed by Circuit Judge A. L. Leavitt.
