Foot Health Days

Thurs., Fri., Dec. 10 and 11

Mr. R. G. Leonard, expert in the fitting of Scholl's Foot Specialties and Orthopedic Appliances, will be in our

to advise in the correction of foot troubles and promoting better health by aiding in Foot Health. He was here last July, and we sincerely hope the response to his visit will be as large or larger this time.

Don't Guess - this test tells which feet are yours!

Impressions of normal feet and feet with fallen arches made on Dr. Scholl's Pedograph. This machine makes an exact impression of your socked foot and shows its exact condition. Ask our foot expert to make a free Pedograph picture of your feet.

Come to Us for Foot Health!

The tortures of foot ills hasten the advent of old age; cause premature grayness; reflect themselves in wrinkles in the face; spoil the grace and beauty of the body structure; lower the nerve tone; make one irritable and induce physical exhaustion.

Corns, callouses, bunions, tender heels, crooked toes—all point to a weakened arch condition—Nature's warning of the most agonizing of all foot troubles—flat-foot. Neglect your feet no longer. Come to us and you will not only enjoy speedy relief from all pain, but also the many other benefits in physical health and attractiveness that come with it. WE KNOW HOW. The services of our Foot Comfort Expert cost you nothing.
