WIRE NEWS OF THE WORLD

SHIPS SENDS SOS

LEWES, Del., Dec. 16.—The coast guard radio station here picked up an SOS call from an unidentified ship late Wednesday night. The call did not give the location of the vessel nor the reason for the distress signal. No repetition of the SOS was heard by the stations along the coast.

NAGGING EXPECTED

WHITE PLAINS, N. Y., Dec. 16.—"Nagging is to be expected when you take a woman for better or for worse," commented Justice Taylor, when counsel for George Fancher, New York railroad employe, who is being sued for divorce, said his client had left home because he was constantly nagged.

"Nagging is a good thing in some families, some times," the court added.

CHILE AGAINST PERSHING

ARICA, Chile, Dec. 16.—Chile's appeals against General John J. Pershing's activities as chairman of the Tacna-Arica plebiscite commission are on their way to President Coolidge.

The plebiscite commission certified the appeals Wednesday. They are understood to amount to a protest against Pershing for delaying the plebiscite, which is to determine whether Tacna and Arica shall remain a part of Chile or go to Peru.

SENTENCED TO CHURCH

ATLANTIC CITY, N. J., Dec. 16.—Neil McCabe, 28 years old, was sentenced to attend church services every Sunday for a year after he had been convicted of assault and battery. His mother saved him from a jail term.

TOBACCO COMPANY PRESIDENT

NEW YORK, Dec. 16.—George W. Hill has been elected president of the American Tobacco company. Upon leaving college in 1904, Hill entered the service of the American Tobacco company, working in the fields and manufacturing department. Two years later he went into the sales and advertising branch of the company.

In 1912 he was elected vice president, and since then has been in charge of all sales and general promotion of the company.

When Percival S. Hill, the last president of the company, suddenly died on December 7, the board of directors decided that George W. Hill was the man to fill his shoes. The new president is only 41 years old.

EGG PRODUCTION IS PROMISE OF MEDFORD CHICK FANCIER

Ownership of the largest poultry farm in southern Oregon is the boast of C. F. Carpenter of Medford.

He has, at his Rogne River poultry farm, 6,000 laying hens—all white leghorns of the Hansen, Tanager and Hollywood strains.

This spring Carpenter expects to hatch 40,000 chicks, a direct implication that there will be fitting accompaniment to ham for some time to come.

New Crescent City Highway Is Ready

PORTLAND, Dec. 16.—The Grants Pass-Crescent City section of the Redwood highway has been completed from Grants Pass to Adams Station, Calif., and will be thrown open to traffic on December 21, according to an announcement made here today by C. H. Purcell, district engineer, United States bureau of public roads. This comes as one of the most significant road announcements in Oregon for many months, as completion of this unit provides a standard grade macadamized highway from Grants Pass to Adams station, thereby eliminating the treacherous and steep climb over Oregon and Gasquet mountains.
