## DAILY MARKET QUOTATIONS

**Wool**

PORTLAND, Dec. 16. — Holiday character permeates the entire wool trade of the country, and very little activity is indicated at any point, according to special messages received by the Journal. Weakness in South Americans is a factor of importance at the moment, but little change is shown in the domestic situation.

Locally the market is without trading or feature. Indications at this time are that the trade will at least await the heavyweight goods offering of the American Woolen company about mid-January.
