Essex Coach

\$195 Down

Through Hudson's long-time policy of giving greatest values for the money, this is the lowest price, the finest Hudson, the greatest value Hudson ever offered. Only Hudson's exclusive advantages of the famous patented Super-Six principle combined with the world's greatest production of 6-cylinder cars make it possible. By greater margins than ever before it is today the "World's Greatest Buy."

A surprisingly small down payment brings one of these delightful gifts to your home.

The Super-Six principle exclusive to Hudson and Essex is responsible for the largest selling 6-cylinder cars in the world because it gives results in smooth, brilliant action, reliability and economy never attained by any other type. This Essex in all ways is the finest ever built. Easier riding and driving, more flexible in performance, handsomer in line and finish, and it is also lower in price than ever before.
