—to the greatest single success ever achieved by any one model, the OVERLAND SIX is the outstanding popular favorite of the year.

It is a six of astoundingly low price, duplicating design and construction of the big high-priced class. It is a full size Sedan of amazing room. It is equipped with a power plant which will outclimb—outpull—and outrun any standards you may have set.

In body finish and equipment, it stands head and shoulders above its price class. That 4,000 of these cars are being bought every month is an outstanding endorsement of the greatest value ever offered to the car buying public.
