

CHURCHES

(Continued From Page Two)

manuel Baptist church, we are not among the drifters. With such live, busy captains as the two we have to pilot us on our trip to Palestine, we cannot keep from progressing. February 14 will find them with chart and compass all ready to keep their ships safely on their way to our goal. Remember our slogan: Every member on time with Bible in hand.

All live beings need food and drink. The mid-week prayer service is even more than food and drink for Christians. You are missing a treat by not being present when the leader points out the interesting thoughts in the lesson each Wednesday evening.

A cordial invitation extended to all.
