

INDIANS TO WIN HOSPITAL FIGHT

Claiming that the erection of a tuberculosis hospital in Chiloquin for the use of the Indians on the reservation would tap too heavily on the tribal funds, a petition has been circulated by Ike Jackson, Klamath county tribesman, among local Indians to kill the measure.

From the stand now taken by Robert N. Stanfield, senator from Oregon, the prospects of the hospital are fading away.

Following is a copy of the letter received by Jackson from Senator Stanfield:

Mr. Ike Jackson,
Sprague, Oregon:

I am very glad to have your letter of the 13th instant and hasten to inform you that in response to the objections from the Indians and their friends in Oregon, I was able to have the item for a tubercular hospital stricken out, so there will be no more trouble about that for the present.

I am very glad to hear from you and hope that you will always write me with reference to anything in which you are interested. It is magnificent of you to go sixty miles to write a letter in the interest of your people.

With all good wishes, I am,
Most sincerely yours,
ROBERT N. STANFIELD.

Business Women Meet on Monday

"The Intimate Life of Helen of Troy" will be one of the interesting features of the meeting on Monday evening in the White Pelican hotel, when members of the Business and Professional Women's club of Klamath Falls hold their April dinner. Mrs. Maida Harwood will give the book review.

All those members and guests whose birthdays fall in March or April will be honored at the meeting Monday night. The remainder of the program, equally as interesting, includes parliamentary law, Mrs. Lena Dennis; vocal solos by Mrs. Esther Dunivan, and current events from one other member.

TROUT SEASON TO OPEN THIS WEEK, THURSDAY, APR. 15

(Continued from Page One)

4,000 feet below the mouth of Spencer creek, or 2,000 feet above the same.

Don't fish in the north end of Diamond lake, beyond the red buoys. Incidentally Lloyd Tucker of the Diamond lake hatchery crew was in town Saturday, and stated that cars would be able to make the trip to the lake by May first.

Here is a final reminder of a change made in the Oregon laws since last season: The daily limit of trout caught in any lake is 15 pounds and one fish. The lake and stream limit differs to this extent.

OFFICERS STAGE FRUITFUL RAID

(Continued From Page One)

In the middle of the kitchen floor. Officers participating were C. H. Bennett, leader; Jack Lewis, Mitchell and Swindler. White will be taken before Justice R. C. Spink at Chiloquin, since the raid was made on a search warrant from the northern judge's court.

While escorting the crowd from 827 Klamath avenue to the court house, R. E. Knowles picked up Frank Paboke on Main street, considerably under the influence of liquor, according to Knowles, and Paboke was ordered to join the parade. He started off faster than the rest, but finally broke into a run, but was unable to outdistance Knowles, who prevailed upon Paboke with his sap to hold his place in line.

ARMY COURT TO OPEN AT ONCE

General Butler to Testify Against His Host in Drinking Party

SAN DIEGO, Calif., April 10.—(United Press).—Rear Admiral Thomas Washington, commandant of the twelfth naval district, San Francisco, is due to arrive here tomorrow to prepare for the court-martial of Colonel Alexander Williams on charges of intoxication.

Capt. Joel R. P. Pringle of the battle fleet, San Pedro, will arrive tomorrow also. The other six members of the board are already here.

General Smedley D. Butler, who instigated the court martial, was still at the naval hospital tonight. He plans to leave his sick bed long enough to testify, returning to the hospital after he has been heard.

It was rumored in naval circles that Colonel Williams would plead guilty and forego making a defense to shield fellow officers, whom General Butler asserted were drinking also on the night of the "wet" party of welcome tendered him by the accused colonel.

By pleading guilty it will not be necessary to call a number of "eye witnesses" of the "cocktail" party at the Williams home, it was said.

Jupe Hands Game to Portland Nine

PORTLAND, April 10.—(United Press).—Old Jupe took a hand today and helped the Beavers out of a tight hole and gave them a 7 to 6 victory over the Seattle Indians. With the score 7 to 6 against them in the eighth inning, the Indians came to bat in their half of the 9th and by a slugging rally scored three runs and still had men on bases but one out when old Jupe came to the Beavers' rescue. It rained too hard and the game was called off in the first half of the ninth, the score reverting to the eighth inning, and giving the Beavers the victory.

Score—
Seattle..... 6 14 0
Portland..... 7 11 2

Batteries—Miljus, Lee and E. Baldwin; Burns, Ortman and Berry.
