

STANFORD TAKES CALIFORNIA MEET

STANFORD STADIUM, Cal., April 17.—(United Press)—Stanford university this afternoon defeated the University of California for the fiftieth time in 34 years on the track and field.

The victory was a narrow one. It was decided with the last event—the relay. The final score was 69 to 62.

It was a glorious day for Stanford. The Cardinals thought they would win, but were afraid they wouldn't.

Six Stanford-California records were shattered, with new marks established in the 100-yard dash, the 440-yard run, the 880-yard, high jump, broad jump and relay.

Stanford took six first places, California eight, and one was split.

The dopsters began their "I told you so" with the running of the first event, the mile run, with Stanford making a clean sweep of all three places. But they wisely relapsed into non-committal silence when California made its eight points in the next event, the century.

The element of uncertainty from then on was conspicuously present.

When the relay runners went to their starting line the score stood: Stanford 64, California 62.

The meet hung on the last race.

The first heat was the only close one, probably because the runners started together. California was fully outclassed and at the finish its runner was hopelessly mired in the distance. Despite Stanford's clear walk-away in this event, its team extended itself sufficiently to shatter the old Cardinal-Bear record. The time and the new mark were 3 minutes 19 seconds. The former mark was 3 minutes 21 3/5 seconds.

The crowd was the biggest of the season. Both sides of Stanford stadium were well filled. It was estimated that 20,000 persons witnessed the meet.

Nebraska Boy Is 100-Yard Marvel

MEMORIAL STADIUM, Lawrence, Kan., April 17.—(United Press)—A new sprint marvel entered the select list here today at the annual University of Kansas relays when Roland Locke, of the University of Nebraska, equalled the world record in the 100-yard dash.

The sturdy Nebraskan clipped off the century in 9 3/5 seconds.

Locke also shared in a record breaking performance when the University of Nebraska half mile relay team established a new world's record by pacing the distance in one minute 25.6 seconds, four-tenths of a second faster than the former record. The team was composed of Hein, Daly, Davenport and Locke.

There was a wind at his back, but Fielding H. Yost, referee of the meet, ruled that the record would stand.

Several conference records were shattered in the meet.

HOLLYWOOD SLIPS.

LOS ANGELES, April 17.—(United Press)—The league leading Hollywood Stars suffered their third defeat of the week here today when the Los Angeles Angels trounced them, 7 to 3.

The hitting of Arnold Stutz, Angel center fielder, was largely responsible for the Los Angeles win. Stutz smashed out a home run and a double during the game.

They often correct indigestion.

Flowers-Walker Bout Called Off

NEW YORK, April 17.—(United News)—The New York state athletic commission has turned thumbs down on the proposed "Tiger" Flowers-Mickey Walker bout, which Tex Rickard had hoped to stage in June in Yankee Stadium.

"Harry Greb, who recently lost the middleweight title, has been promised first crack at Flowers," the commission said. "As for Walker, let him stay in the welterweight class. Plenty of work for him there."

This was a blow to Rickard, who had counted upon the Walker-Flowers fight to offset the loss of several other important bouts.

The commission told Tex, however, that he could have the bout between Joe Dundee and Willie Harmon, if he wanted it. This had been announced by the rival Coney Island stadium for May 25. It was explained that Rickard had the match for May 7, but released it to allow Harmon to box for charity May 17.

TOURNEY UNDER WAY.

OREGON AGRICULTURAL COLLEGE, Corvallis, Ore., April 17.—(United Press)—Second and third place winners in first three weights were determined and the two remaining holdover champions in upper weights came through unscathed in preliminary bouts today and all is set for the final and determining session of the N. A. A. U. wrestling tournament.

New champions in first three weights for 1926 are as follows: 112-pound, Leander Lupton, Cornell college, Iowa; 118 pounds, Cyril Mitchell, Multnomah A. C., Portland; 126 pounds, H. O. Boyvey, Iowa State.

GAME IS TIED.

SAN FRANCISCO, April 17.—(United News)—Rain stopped the game between the Seals and Missions at Recreation park this afternoon, after it had run to seven innings and a tie score of 2 to 2. Averill scored first for the Seals in the opening frame and the Bears came back strong in the third when Oeschger scored off a single and Finn scored off a wild throw. The Seals gained another tally in the seventh, when the rain ended the contest.

SENATORS BEAT OAKS.

OAKLAND, Cal., April 17.—(United Press)—The Senators grabbed one from the Oaks here today, 7 to 1, and came within one game of squaring the series. Kallio pitched a steady game for the Sacramento team, allowing seven hits, while his teammates were garnering 19.

Baker—At least five deep shafts will be sunk this year at Mother Lode Copper mine. Bend—City cleaners and dyers open two-story modern plant.

Red Bluff Rodeo Draws From Here

Klamath Falls and the Klamath ranges will be well represented this month at Red Bluff, when the annual Red Bluff Rodeo is held April 24 and 25. This became known yesterday when information was obtained as to dates and necessary demands as to entries of outside mounts by many local cowboys and horsemen.

H. D. "Curly" Brown, known throughout the coast as a breeder of fine horses, and one of the largest stock owners of Sisson district, has signified his intentions of entering a number of trotters and racers in the events scheduled for the two days.

According to J. J. Miller who, with a number of other Klamath rodeos, is planning to attend the rodeo, foot racing will also be prominently featured in order to pick out the Charley Paddock and Paavo Nurmi of northern California.

NOTICE FOR PUBLICATION

012631
United States Land Office, Lakeview, Oregon, April 1, 1926.
NOTICE IS HEREBY GIVEN that the State of Oregon, did, on the 1st day of February, 1926, file in this office its application to select as an indemnity school land selection, under the act of February 14, 1859 (11 Stat., 353), and the acts supplementary and amendatory thereto, the SW 1/4 Section 34, Township 27 S., Range 10 E., Willamette Meridian.
Any and all persons claiming adversely the lands described, or desiring to object because of the mineral character of the land, or for any other reason, to the disposal of the applicant, should file their affidavits of protest in this office, on or before the 20th day of May, 1926.

Quality Fresno Scrapers

—and—
Low Prices
See Us Before Buying

The blades are made from special high carbon plow steel, with hammer plated cutting edges. Hammer plating is much more costly than rolling, planing or grinding, but owing to the fact that hammering increases the density of the steel, and produces an even temper throughout the entire texture, the manufacturers of these scrapers have adopted this method, and thus produce blades with the greatest uniformity of temper and maximum wearing qualities. Still in spite of this they have maintained a price equal to all, and below some manufacturers.
