Any green like parsley, cress or lettuce, used as a garnish with meat or fish should be thoroughly washed before using and eaten. These vegetables are sources of mineral salts and of some vitamins.

BILLY'S UNCLE

Professor Leads New Irish Party

Prof. W. Magennis, who turned against Irish Free state government following the London agreement on the Irish boundary question, is leader of a new political faction with the name of "People's party." Magennis wants to set up a central government for the whole country.

A piano sets out of tune whether it is used or not. It should be tuned every six months and inspected to see if the felt parts are in order. Extreme dryness has a damaging effect upon pianos because the wood contracts and shrinks away from the metal parts. Keep the piano, therefore, in the coolest part of the room so far as possible, carefully avoiding dryness as well as dampness.
