

STARKEY WILL TACKLE STRONG OAKLAND BOY

Patrons of the humped arena who attend the next mitt-ball at Scandia hall, scheduled for June 22, will get a taste of real fighting, according to Manager Johnny Sylvester, who today announced the card for the event. The boys selected for the fight last are said to be fast, shifty and hard hitting and there will be not only a display of clever boxing, but plenty of genuine "scrapping" also, Sylvester said.

The ten-round main event of the card will be stepped by Benny Dotson, the rugged 135-pound Oakland mauler, who is well known here as a lad with a wallop and a clever guard, and the popular local favorite, "Kid" Starkey, whose punching prowess and clean ring style have won for him the respect of his opponents and the admiration of his friends.

Both lads are strong and rugged for their division and are reported to be in excellent trim. They are expected to show one of the snappiest bouts ever seen in a local ring. Starkey is said to be in fine fettle. Easy victory over "Wildcat" Evasco, the tough Filipino boxer from Sacramento, and the dopsters are allowing him a knockout over Dotson before the fight goes to the sixth round.

In the semi-windup battle, Wilbur Harrington, Chilquoim slugger, and Jimmie Harms, the quick-mixing Oaklander, who scored a knockout over Sidney Dean of San Francisco in the second round of their mill here last week, will exchange taps for six rounds to a decision—unless Harms repeats the performance of his last fight at Scandia hall. These boys are evenly matched, however, and fistic fans are looking forward to an interesting engagement when they cross mitts.

No selections have as yet been made for the curtain raiser, but Manager Sylvester says that he intends to put on a scrap between popular local boys that will be a decided improvement over the usual mill of this kind.

Applegate Tells History Finding Lake of Woods

There is a charming story told by Captain O. C. Applegate, one of the most versatile of yarn spinners, of how, with Indian scouts and government rangers, he discovered Lake of the Woods and cut the first trail road from Medford into the lovely lake nestling in the shadow of Mount Pitt.

But it is for the commercial life of nearly 50 years later to tell of the loveliness of Lake of the Woods and bring people for miles around to spend the summers there. Already the banks of the lake are dotted with bungalows of residents from Klamath Falls, Ashland, Medford and even Grants Pass.

Last fall a company known as the Lake of the Woods Recreation company, organized with a full capital of \$25,000. C. E. Gates of Medford, who has a cabin at Lake of the Woods, is president; H. D. Mills, Reno, vice president; F. J. Newman, Medford, secretary, and Charles A. Wing of Medford is treasurer. R. S. Gleason is general manager. He is a former Berkeley resident.

Gleason was in Klamath Falls last night telling of plans to be carried out this summer in the improvements of the embryonic resort.

"We have to go slow this summer, but before the Fourth of July five housekeeping cabins will be completed. 10 boats will have been delivered and ready for use, a pier under construction to reach far out in the water and a fenced-off portion of the lake for children swimmers.

"Next summer we will start construction of our lodge as soon as the roads are open. The lodge will include a large dining room, kitchen, sleeping quarters for the managers, and a lobby. It will be built on rustic design of logs cut from around the lake. Probable cost of construction will be in the neighborhood of \$3500.

In addition to the lodge and cabins to be built next year Gleason said an oil station, short order house, and office and general store would be maintained. Canoes will probably be brought in to Lake of the Woods and about 25 additional boats.

The land to be occupied by the company is known as Aspen Point at Eagles Nest.

TIMBER LEAGUE GAMES INTEREST SCORES OF FANS

Klamath Falls Golden Rulers defeated Algoma Sunday afternoon in one of the most interesting games of the season by a score of 15 to 3. The Golden Rulers gathered 16 hits off Herman, Algoma's much touted speed ball pitcher, at the fair grounds Sunday afternoon for a total of 11 runs. This is Algoma's first defeat of the season, having won three straight.

Algoma will protest the game against the decision of the plate umpire who called Herman out for stepping over the plate to hit a pitched ball.

Golden Rulers who each got 3 hits were Maston, Kollis, Ellis, Robertson's hits included a home run over right field fence. Waggoner and Maguire each got a hit. Saunders got two hits and struck out eight. Generally good support by the Klamath boys made the game interesting.

Algoma produced seven hits for 4 runs, Bob and Griffith two each. Courtney, Anderson and Davis one each. Herman got 14 strikeouts while being touched for 16 hits.

Batteries—Golden Rulers, Saunders and Maguire; Algoma, Herman and Griffith. Score: Golden Rulers.....15 Algoma.....3

MUCH INTEREST NOW CENTERED IN BALL GAMES

SAN FRANCISCO, June 7.—A series of seven ball games which may have an important bearing on the Pacific coast league pennant race starts here Tuesday with Los Angeles and Mission as the contesting teams. The Angels are in first place with a five game lead over the Bears. The latter squad has been playing improved ball recently and may cut into the Seraphs' lead before the week is ended.

Seattle, a game behind Mission, plays in Sacramento this week, while Portland will make a desperate effort to rise from seventh place at the expense of the Hollywood Stars, who will entertain the Oregon city during the current series.

The cellarites, San Francisco, play in Oakland this week.

Awaits Trial for Murder of Landlord Who Evicted Him

Because William Wuest, Cincinnati realtor, ordered Clive Vessier to move from the Wuest farm near Okeana, Vessier is now charged with shooting and killing Wuest when he attempted to enter the house. Left, above, is Sheriff Luether E. Epperson holding the gun with which Vessier is said to have committed the murder. Vessier (at right) says he shot in self defense.

PELICANS LOSE TORRID CONTEST WITH ASHLAND

Four hundred ardent baseball fans motored to Ashland Sunday to witness the Pelicans lose a game in which Klamath had a safe lead until the ninth inning.

Klamath Falls made two runs in the first inning off Davis, who was a spitball pitcher. Davis was yanked in the fifth when he weakened and was replaced by Sonny Mohler, former Klamath idol.

The Pelicans scored two more in the sixth, and a Pelican victory seemed certain. Sage held the Ashland team scoreless until the seventh inning when he lost control. He walked three men in a row, hit a batter and a hit counted for Ashland's first two runs. The Pelicans scored two more in the eighth inning and Ashland made one from Street, who replaced Sage, making the score Klamath Falls six; Ashland three.

Ashland, after holding Klamath Falls scoreless in the first half of the ninth, started a batting rally in their half. Coupled with a wild pitch by Street and a passed ball by King with some loose fielding, they scored four runs and won the game.

The outstanding features of the game were the hitting of Clark, who hit the ball hard, getting a triple and single in three trips to the plate, and the fielding of Harlan, who electrified the fans with his sensational catches.

The score follows: Summary—Three-base hit—Clark; two-base hit—Pillet. Innings pitcher—Davis 4; 2 runs, 4 hits. Innings pitcher—Sage, 8; 2 runs 5 hits. Base on balls, Sage 7; Street 1; Davis 2; Mohler 1. Hit by pitcher—Watts by Sage. Wild pitch—Street. Passed ball—King. Left on bases, Klamath Falls 6; Ashland 10. Winning pitcher—Mohler. Losing pitcher—Street. Time of game—2:20.

Water Johnson lost a 1 to 0 pitching duel to Wells of Detroit, and Uble stopped the Yankees at Cleveland, 5 to 2.

The White Sox replaced the Senators in fourth place by hitting three Boston pitchers hard, beating the Red Sox 10 to 5.

HELEN WILLS IS RECOVERING FROM ILLNESS

PARIS, June 7.—(United News)—The physique and recuperative power of Helen Wills who has been living an outdoor life and playing tennis since she was a child, has amazed physicians.

Dr. Maurange said Monday at the American hospital: "She has resumed eating as usual and had a good lunch today, sitting up in bed. In six or seven days she can leave the hospital."

The American tennis champion was operated on for appendicitis only last Friday evening.

How badly Miss Wills is missed by her team-mates in the hard court championships was evidenced Monday when Mary K. Browne alone of the American women contenders was left in the tournament.

Elizabeth Ryan displaying an unfortunate lack of steadiness in tight places, was defeated by Joan Fry, the little English girl, 7-5, 3-6, 11-9. The American player had two chances the deciding set on her own service, but served four double faults and went to pieces, while Miss Fry out-generated and out-paced her.

Vincent Richard and Howard Kinsley disposed of Count Salm and Baron de Kehrling, 6-1, 6-3, 7-5. The Austrian again "acted up," squabbling with the ball caddies and quarrelling with spectators in three languages.

JOHNSON LOSES HOTLY FOUGHT PITCHING DUEL

By United Press

The Athletics gained a full game on their rivals, the Yankees and the Senators Monday. Rain and wet grounds kept all the National league teams idle.

At Simmons' homer in the fourth inning broke up the game between the Mackmen and the Browns at St. Louis, Philadelphia winning 7 to 2.

Water Johnson lost a 1 to 0 pitching duel to Wells of Detroit, and Uble stopped the Yankees at Cleveland, 5 to 2.

The White Sox replaced the Senators in fourth place by hitting three Boston pitchers hard, beating the Red Sox 10 to 5.

Take ice from your kitchen lamp-socket!

It's as simple as that! The same economical electric current that does everything else about the modern house now delivers ice, too,—direct to your refrigerator without fuss, drip or bother.

Just attach to a kitchen lamp-socket. Put your hand inside and feel the air grow cool—cold—ice-cold—colder!

Electric refrigeration keeps air crisp-cold and dry. Foods stay fresh. Dangerous summer bacteria that breed in cool moist places shun the clean, dry, frosty cold of your electric refrigerator.

Even your present refrigerator can be turned into an electric. Ask your dealer to show you how simply and economically it can be done.

Attractive installment payments can be arranged.

3 reasons why Schilling Baking Powder is the pride of Western Kitchens

- Made from Cream of Tartar**
A pure food product derived from luscious grapes. No one has yet discovered a safe substitute for it. Ask your Doctor. He knows!
- Baking Insurance**
If for any reason you are dissatisfied with anything you ever bake with Schilling's...merely tell your grocer. Instantly, he will pay you for the things you have used (flour, butter, eggs, everything) and for the full package of Baking Powder. We will pay him. No red tape—no strings. Schilling is sure...that's all!
- An Even, Fluffy Texture**
Schilling Baking Powder raises a cake with myriads of fine, fluffy bubbles. Cream of Tartar always gives that fine, even texture that no substitute has ever been able to equal.
