

ZION LUTHERAN MOVES TO NEW EDIFICE SUNDAY

Initial services by the Rev. G. W. Hoffmann, pastor of Zion Lutheran church, will be held in the new home, 1025 High street, at 10:30 o'clock Sunday morning.

This handsome edifice, consisting of a combination house of worship and chapel, has just been completed, and the Rev. Hoffmann is happy to know that he is privileged to occupy the pulpit for the first time.

Dedication of the new church will take place on Sunday, July 11, with special services. Already it is announced that Rev. W. F. George of Portland, will deliver the dedicatory address. He is a masterful orator, a deep thinker and a profound theological student, and it is assured at this time that a large following will be present.

Services heretofore have been held in the chamber of commerce rooms.

IS IT LUNACY TO REMAIN UNMARRIED?

WASHINGTON, June 11.—(United News)—There are more single than married men in insane institutions of the country, while the proportion of women is just the opposite.

This fact was disclosed in a survey made by the department of commerce which indicates that insanity is increasing with three times more patients in hospitals by ratio now than in 1880. Insane institutions in 1923 had 267,617 patients, compared with 49,492 in 1880, the number per 100,000 of population increasing from \$1.6 to 245. Of male patients in 1923, more than six out of ten, or 62.3 per cent were single and more than one out of four married. Of female patients, 39.2 per cent were single and 43.1 per cent married.

LAW ENFORCEMENT BEHIND JAIL DOORS

(Continued from Page One)

Dupage county jail at Wheaton to begin serving his sentence. "I will not be very active due to my confinement, but I will be in the saddle just the same. I have arranged to turn my office here over to Charles Peters and George Webster, my deputy and assistant."

Hoffman said he would always be available before law enforcement conferences at his cell at Wheaton, and cautioned Peters and Webster not to do anything "radically different" without consulting him.

The sheriff has been fighting the sentence for nearly a year, but is now eager to start the "vacation" as he calls it, and get back on the job as leader of the drive on crime. He lost his last appeal to the United States supreme court and mandates for his incarceration are being prepared at the federal building for service Saturday or Monday.
