

LIBRARY BOARD REJECTS BIDS; PRICE IS HIGH

Bids received by the library board for the proposed library to be built this year on the corner of Fifth and Klamath streets, were far in excess of the amount of money in the hands of the board.

The library board met last night for the purpose of awarding the contract for the building and were forced to reject all bids submitted.

"We will not act further until we confer with Mr. Marsh, our Portland architect," stated a member of the board last night.

The lowest bid was submitted by Cofer Bros. of Klamath Falls, the amount being \$52,816, which included heating, ventilating and wiring. The highest bid was submitted by Stevens & Son of Portland, called for a total of \$67,517.

Foreign War Vets Initiate Members At Recent Session

The ranks of the Veterans of Foreign Wars have been increased by sixteen new members following a recent meeting at the courthouse, where initiation ceremonies were held.

Candidates initiated as follows: J. E. Christopherson, Portland; Monte C. Walter, Portland; A. S. Robinson, Portland; Fred F. Sauerman, Portland; A. E. Dailey, Lebanon; P. B. Henderson, Clackamas; R. Marano, Portland; D. A. Dick, Portland; L. B. Cragmill, Portland; O. R. Weiss, Portland; Jim Zones, Raymond, Wash.; Lieut. John Hyatt, Portland; Warren Cooper, Portland; George Parka, Portland; John Rayan, Portland, and D. E. Thurnkell, Portland.

Approximately 85 members of the post were present at the meeting.

MALIN MASONS ARE SEEKING OWN LODGE

Malin may receive a dispensation from the grand master of the Masonic lodge for the installation of the lodge there, according to announcement yesterday by prominent Masons of Klamath Falls.

During a meeting of the Masonic lodge Monday night, recommendations were passed to the grand master in Portland, for a lodge in Malin. The little southern Klamath county town has been trying to get recommendations from the Klamath Falls lodge for the proper dispensations, and the outlook is at last favorable for them.

TWO YOUNG MISSES NAMED BY PARENTS

Two recent arrivals in Klamath Falls have received names and will be christened shortly. They are both baby girls.

Mr. and Mrs. Thomas White Deizell have named their first daughter, Carol. Deizell is affiliated with the California Oregon Power company. Mrs. Deizell and child are in a local hospital.

Anne Elizabeth is the name given to the few weeks' old daughter of Mr. and Mrs. George Stevenson of Caledonia Marsh. Mrs. Stevenson is the daughter of Mr. and Mrs. "Cap" Calkins.

LAST HALF LICENSE PLATES NOW READY

Automobile license plates for the last six months of 1926 were placed on sale yesterday by Sheriff Bert E. Hawkins. Some temporary tags were furnished ahead of schedule to permit of local dealers having cars in their salesroom that have already been ordered, to move them out.

It is expected there will be a large volume of business for the permanent tags during the next few days.

MODERN WOODMEN TO HOLD MEETING TONIGHT

Members of Klamath Falls lodge of Modern Woodmen of America are asked to attend a special meeting of the order tonight, Wednesday, in I. O. O. F. hall. Several important business matters will come up for discussion.

PERKINS BOYS SHOW SLIGHT IMPROVEMENT

The condition of Eugene and Derwood Perkins, young sons of Mr. and Mrs. Ernest Perkins, who were seriously injured in an automobile accident Sunday, remains about the same, although slight improvement was noted last night, according to hospital authorities.

Collier Led His Ticket at Recent Primary Election

The abstract of votes for the entire state primary election held on May 21 last, was received in Klamath Falls yesterday and shows that Hon. A. M. Collier of this city led the ticket in the twenty-first representative district, comprising the counties of Klamath, Lake, Jefferson, Deschutes, and Crook, by 231 votes. The official vote is given as follows:

Collier 3845
Hamilton 3614
Burdick 3442

This is Collier's second successful race to attend the Oregon legislature as a representative. The first time he ran two years ago he ran second.

Klamath county has a strong representation in the fifty-fourth session of the state legislature which will convene at Salem January 5, 1927. Burdick has had ten years' experience as a legislator and Collier and Hamilton four years each. This trio were members of some of the most important committees during the last session, including the ways and means, irrigation, judiciary and banking, with Burdick honored by being selected speaker of the house.

Next winter with John H. Carlin of Medford as speaker of the house, Collier, Burdick and Hamilton will no doubt be strongly entrenched in the lower house as they were during the last session. Collier was a member of the powerful committee on ways and means, irrigation and banking and manufacturing.

Collier is a prominent business man of Klamath Falls and Burdick and Hamilton are lawyers of Bend and Redmond.

The organization of the next session of the legislature is now practically complete. John H. Carlin has 45 out of a total of 60 votes pledged him for speaker of the house, while Harry Corbett of Portland has 21 out of a total of 30 for president of the state senate and lieutenant governor.

Senator Corbett is of a pioneer family of Portland and long prominent in the state. He will be the youngest president of the state senate ever to have filled that office in Oregon, and with the possible election of L. L. Patterson as governor, Corbett should make a splendid assistant to Patterson as governor.

Wantland Avenue Will Be Vacated Without Delay

The vacation of Wantland avenue which follows the Southern Pacific right of way from the depot south to Sixth street, will be made in the near future, following the unanimous agreement of the city council at their last meeting to that effect.

The vacation of this street has been voted in order to allow adequate room for proposed Southern Pacific development scheduled for the immediate future.

The question, which has been confronting the municipal body for some time, resulted when it was learned that the southern end of Wantland avenue would be bisected by the traffic viaduct to be erected above the Sixth street crossing. As no other practicable course was open to the council, it was voted to have the thoroughfare vacated.

YOUNG RAILROADER BRINGS BACK BRIDE

A wedding of interest to the younger set of Klamath Falls is that of Miss Mary Louise Johnson to Glenn Hunter, which was an event of Thursday, June 24, at San Francisco.

Mrs. Hunter is the daughter of Mr. and Mrs. A. Johnson of Astoria and for the past three years has taught in the Henley school. She is a sister of Mrs. Lloyd E. Stoner of Klamath Falls.

Hunter is the son of Mr. and Mrs. E. H. Hunter of Klamath Falls and has visited here a number of times. He is affiliated with the Southern Pacific company and will make his home in this city in the future with his bride.

All members requested to attend.

MOVEMENTS OF REAL ESTATE NOW PROMISING

"There has been an improved attitude on the part of real estate buyers within the past two or three days, noticeable enough to be a promising indicative of the summer buying."

This was the statement of George J. Walton, well known realtor and member of the firm of Walton and Wright, who reports an excellent start on a new week among real estate dealers in the city.

"Everyone was positive of the bond issue going through, and especially the railroad company, which has already several hundred men here."

"Home sites show good activity, as well as many lots purchased for investment purposes. Buildings in the newer residential sections are turning over rapidly and there is a surprising number of persons coming into Klamath Falls from California," stated Walton yesterday afternoon.

FORUM LUNCHEON WILL LISTEN TO NOTED EDUCATOR

Professor A. L. Peck of the school of landscape gardening and architecture of the Oregon Agricultural college at Corvallis, will be the main speaker at the chamber of commerce during the forum luncheon today.

While in Klamath Falls Prof. Peck has spent some time looking into the possibilities of plant arrangement at the proposed park site to be given the city by Rufus S. Moore.

Musical entertainment will be furnished by Miss Katherine Walton, violinist, and Miss Beatrice Walton, pianist.

FINED FOR VAGRANCY

A fine of \$20 was levied upon Frank Farra, Mexican, when he pleaded guilty to a vagrancy charge before Justice of the Peace R. A. Emmitt, yesterday morning.

Farra was arrested Sunday night by Officer C. C. Duggan.

Lady Orchestra Will Entertain Here July 6, 7

A bevy of pretty girls, as well as an aggregation of talented musicians, is a combination that would make a critic travel the proverbial length and breadth of the land to beat, but that is just the combination that music patrons of Klamath Falls are going to get when they attend the musicale to be given by the Famous Ladies' Columbia Concert orchestra at the Veterans' Memorial hall on the evenings of July 6 and 7.

The Columbia orchestra, which comes here under the auspices of the American Legion, is composed entirely of young women, and is acclaimed to be the largest and most perfect musical company of its kind on tour.

This unique organization is conducted by Mrs. Francis Knight, and is said to give not only delightful symphonies, but also unusually well executed solos. Each musician is an able soloist upon her own instrument. Also vocalists of exceptional merit are included in Mrs. Knight's company, and those who especially like this form of entertainment can feel assured of a pleasant evening, judging from the press dispatches that precede these much-heralded young women.

The Ladies' Columbia Concert orchestra will give two concerts here, one on the evening of July 6 and the other on the following evening. Tickets for the musicale are on sale at Shephard's Music store and at the Wirtz Music store.

Lucinda Marleau, motion picture star is a happy addition to the Ladies' Columbia Concert Orchestra. She brings her dancing partner with her and they are reported to have a wonderful act. See this brilliant couple at American Legion Hall, July 6 and 7. J30

Have You Met "The Union Oil Company?"

Do You Know "Who It Is" and What Its Aims Are? The Purpose of This Announcement is to Introduce It to You

NO DOUBT you buy the products of this Company—non-detonating Union Gasoline and Aristo Motor Oil. And you know they are efficient in your motor.

But that doesn't satisfy us. We want you to know these products "personally"—the organization behind them and the standards and ideals on which it is built.

"Union Oil of California" is an organization that is forty-three years old. It is all Western. Its founder, Lyman Stewart, whose son is president of this Company today, drilled some of the first wells in the West in 1883.

Since that time "Union Oil" has developed as the great wide West has developed until it has become one of the biggest industrial institutions in this part of America.

The management and progress of "Union Oil" has always been in the hands of Westerners. Many of the most prominent pioneers in California have been associated with it. And in the growth and expansion of the oil industry "Union Oil" has been a prominent figure for four decades.

Today, as in the eighties, the control of "Union Oil" is vested in directors who are business men and "oil men" with years of practical experience behind them.

But the mere production and refining of crude oil is not their sole interest. Their main interest is in you who drive a motor car—to serve you to this company's best ability.

Because you are the buyer of their products, and you must be served in such a way that you will be friendly, be pleased, be well served, so that you will buy and buy again.

For 10,200 stockholders—76% of whom are themselves Westerners—look to these men for dividends.

So these directors work for people—for you, so that you will gladly buy the Company's products—and for those thousands of stockholders so that their investment will earn a reasonable profit.

When you use non-detonating Union Gasoline and Aristo Motor Oil, therefore, you are dealing with an institution which is a community affair—a Western institution, paying \$15,600,000 yearly in salaries to Western employes and the greater portion of its dividends to Western people, a Company directed by Western men, whose products are "Western made" for Western motoring conditions.

"Union Oil" isn't soulless—it is human. It wants you for its friend. It renders service and manages its business with that desire uppermost in all of its endeavors.

Thus it is "introduced to you." And it invites you to enjoy a closer, better acquaintance in the future through the use of the products that it makes.

"To Serve You"

Union Oil Company of California

This is one of a series of announcements by the Union Oil Company which we believe will be of special interest to all Westerners. Others acquainting you with the development of the oil industry will appear from time to time. Look for them in this publication.
