RESOLUTION OF INTENTION

CALIFORNIA AVENUE, DELTA STREET AND SISKIYOU STREET.

The City Engineer, pursuant to resolution of the Common Council heretofore adopted, having on the 9th day of July, 1926, filed plans, specifications and estimates of the cost of improving California avenue from the easterly line of Conger avenue to the northerly line of Delta street; Delta street from the easterly line of California avenue to the easterly line of Siskiyou street; and Siskiyou street from the northerly line of Delta street to the southerly curb line of Oregon avenue, including a proper temporary connection with the existing roadway on Oregon avenue, to be known as Improvement Unit Number 58, and the council having taken same under advisement and finding said plans, specifications and estimates satisfactory;

BE IT HEREBY RESOLVED that said plans, specifications and estimates for the improvement of the said portions of said streets, being the specifications and estimates attached to the plans and estimates filed herein on July 9th, 1926, be and the same are hereby approved; and

BE IT FURTHER RESOLVED that the Common Council hereby declares its intention to improve said portions of said streets in accordance with said plans, specifications and estimates. Said improvement to consist of paving said portions of said streets with (a) Warrenite Bitulithic pavement, 1½" top on 3½" bituminous concrete base, or type "C" Portland cement concrete or type "C" Vibrolithic or asphaltic concrete, 1½" top, 1" binder on 3½" asphaltic concrete base; or (b) Warrenite Bitulithic pavement, 2" top on 4" bituminous concrete base, or type "A" Portland cement concrete, or type "A" Vibrolithic or asphaltic concrete, 2" top, 1" binder on 4" asphaltic concrete base; or (c) Warrenite Bitulithic pavement, 2" top on 4" crushed rock base, or asphaltic concrete, 2" top, 1" binder on 4" crushed rock base, at an estimated cost, including cement curbs on gutters, cement sidewalk and paving of some type all to the extent hereinafter defined, at an estimated cost, for (a) Warrenite Bithulithic pavement, 1½" top on 3½" bituminous concrete base, or type "C" Portland cement concrete or type "C" Vibrolithic or asphaltic concrete, 1½" top, 1" binder on 3½" asphaltic concrete base of $93,818.07; for (b) Warrenite Bitholithic pavement, 2" top on 4" bituminous concrete base, or type "A" Portland cement concrete, or type "A" Vibrolithic or asphaltic concrete, 2" top, 1" binder on 4" asphaltic concrete base, of $99,202.02; or, for (c) Warrenite Bitulithic pavement, 2" top on 4" crushed rock base, or asphaltic concrete, 2" top, 1" binder on 4" crushed rock base, of $90,228.77; said estimates to include in either event, engineering, supervision, advertising, clerical assistance and unforseen contingencies; said improvement of said portions of said streets to be as follows: California avenue is to have two 18-foot roadways, separated by a central parking strip except at intersections, which are to be paved full width, but as a part of this improvement, the two roadways shall be graded and paved only for the portion from Conger avenue to Third street, and on the portion north of Third street, only the westerly portion is to be graded, enclosed with curbs and paved, except at intersections; cement sidewalks, five feet wide are to be built on each side of California avenue from Conger avenue to Third street, but no cement walk is to be built north of Third street; Delta street and Siskiyou street are to be graded full width and improved with cement curb and gutter and a paved roadway 26 feet wide in the middle of the street, but no cement sidewalks are to be built; portions of a sanitary sewer system are to be put in as a part of this improvement, to the extent necessary to complete the paris coming in the areas to be paved, to avoid future cutting of the pavement. Provisions for storm sewer pipes and catch basins is made at the necessary points, to insure drainage of the streets. This includes a discharge sewer leading from the intersection of California avenue and Conger avenue to Link River, all in accordance with the said plans, specifications and estimates filed July 9th, 1926; and

BE IT FURTHER RESOLVED BY THE COMMON COUNCIL that the property hereinafter described be and hereby is declared to be benefited by said improvement, to-wit:

Lots 1 to 10, inc., block 103; all of blocks 102, 100, 99, 97, 96, 94, 93, 90, 89 and 86, Buena Vista Addition to Klamath Falls, Oregon; lots 1 to 4 inc., block 11; lots 4 and 5, block 12, and lots 1 and 2, block 10, in First Addition to Klamath Falls, Oregon; all of blocks 59, 60, 61, 62 and 63 in Buena Vista Addition to Klamath Falls, Oregon; lots 7 to 17, inc., block 84; all of block 85; lots 2, 3, 6, 7, 8 and 9, block 116; all of blocks 115, 114, 113, 112, 110, 109, 107, 106, 105 and 104, of said Buena Vista Addition of Klamath Falls, Oregon; and also all of the following described property: the property lying southerly and westerly from lot 4 of said block 104, Buena Vista Addition, and easterly from a line drawn from the southwest corner of lot 3, block 104, southwesterly to the most southerly point or corner of block 151 of said Buena Vista Addition; thence southeasterly to the center of the intersection of Conger avenue with California avenue; thence northerly to the most southerly point or corner of said block 104, said Buena Vista Addition to Klamath Falls, Oregon.

The property benefited is all of the property embraced within the following boundaries:

Beginning at the center of the intersection of California avenue and Conger avenue in the City of Klamath Falls, Oregon, thence southeasterly to the most southerly point or corner of lot 10, block 103 of Buena Vista Addition; thence easterly between lots 10 and 11 of said block 103 to the southeast corner of lot 9 of said block 103; thence northerly along the easterly border of blocks 103 and 102 to the center of the intersection of McKinley street and Second street; thence northwesterly along Second street to the center of the intersection of Roosevelt street and Second street; thence northeasterly along Roosevelt street to center of the intersection of Roosevelt street with Fourth street; thence northwesterly along the center line of Fourth street to a point in the center of said street which would be intersected by a line running midway between lots 1 and 5 on the one hand, and lots 6 to 10 on the other, of block 12, First Addition of Klamath Falls, Oregon, extended to the center of said Fourth street; thence northeasterly between lots 4 and 5 on the one hand, and lots 6 and 7 on the other of block 12, First Addition, to the center of the alley between said lots 4 and 7, which would be intersected by a line dividing lots 3, 4 and 5 on the one hand and lots 7 and 8 on the other of block 12, First Addition; thence northwesterly between lots 3 and 4, block 12 of First Addition, extended to the center of Mt. Whitney street; thence northeasterly along the center line of Mt. Whitney street to the center of the intersection of Mt. Whitney street and Fifth street; thence northwesterly to the end of Fifth street; thence northerly between block 97 of Buena Vista Addition and block 9 of First Addition to the center of the intersection of Doty and Fulton streets; thence northerly between block 96, Buena Vista Addition and block 3, First Addition, to the center of the intersection of Cook and Siskiyou streets; thence northwesterly along the center line of Siskiyou street to the center of the intersection of Siskiyou street and Delta street; thence northeasterly to the southeasterly corner of lot 5, block 87, Buena Vista Addition; thence northerly between lots 1 and 5 on the one hand and lot 6 on the other of block 87, Buena Vista Addition, to the southeasterly corner of lot 11, block 61, Buena Vista Addition; thence easterly to the center of the intersection of Modoc and St. Francis streets; thence northerly along the center line of Modoc street to the center of the intersection of Modoc street and Oregon avenue; thence westerly along the center line of Oregon avenue to the center of the intersection of Oregon avenue and Tunnel street; thence southerly along the center line of Tunnel street to its intersection with the United States government main "A" canal right of way; thence southeasterly along the northeasterly boundary of the said canal right of way to the most easterly point or corner of the said canal right of way in lot 7, block 60, Buena Vista Addition; thence southwesterly to the most easterly point or corner of lot 9, block 83, Buena Vista Addition; thence southeasterly to the center line of Addison street; thence southwesterly along the center line of Addison street to the intersection of said center line with the alley running southeasterly and northwesterly between lots 1 to 6 on the one hand and lots 7 and 8 on the other of block 84, Buena Vista Addition, extended to the center of said St. Francis street; thence southwesterly along St. Francis street to the center of the intersection of St. Francis street and California avenue; thence southeasterly along the center line of California avenue to the center of said avenue which would be intersected by the line dividing lots 9 and 10, block 116, Buena Vista Addition, extended to the center of said street; thence southwesterly between lots 10, 5, 4 and 1 on the one hand and lots 9, 6, 3 and 2 on the other hand of block 116, Buena Vista Addition, extended to the center line of Contra Loma street; thence southeasterly along the center line of Contra Loma street to the center of its intersection with Donald street; thence westerly to the center of the intersection of Donald street and Bown street; thence southeasterly along the center line of said Bown street to the center of the intersection of Bown street and Mt. Whitney street; thence southwesterly along the center line of Mt. Whitney street to the center of the intersection of Mt. Whitney, Gobi and Stanford streets; thence southerly along the center line of Stanford street to the place where the said street ends at lot 12, block 151 of Buena Vista Addition, being at the southeast corner of lot 11, of said block; thence easterly to the most easterly point or corner of lot 12 of said block 151; thence southerly along the easterly border of said lot 12, block 151, to its most southerly point or corner; thence south to the center line of Conger avenue; thence southeasterly to the place of beginning; and that said property above described be and hereby is declared to be benefited and assessed for the expense of said improvement; and

BE IT FURTHER RESOLVED that Monday, the 16th day of August, 1926, at the hour of 8 o'clock p. m., at the Council Chambers in the City Hall of Klamath Falls, Oregon, be fixed as the time and place for the hearing of objections and remonstrances against said proposed improvement; and

The Police Judge be and hereby is directed to cause notice of said hearing to be published as by charter provided.

State of Oregon,
County of Klamath,

RESOLUTION OF INTENTION

NINTH STREET AND ROSE STREET PAVEMENT.

The City Engineer, pursuant to resolution of the Common Council heretofore adopted, having on the 9th day of July, 1926, filed plans, specifications and estimates of the cost of improving Ninth street from the west line of Prospect street to the southerly line of Rose street, and Rose street from the west line of Prospect street to the west end of said Rose street, to be known as Improvement Unit Number 61, and the Council having taken same under advisement and finding said plans, specifications and estimates satisfactory;

BE IT HEREBY RESOLVED that the said plans, specifications and estimates for the improvement of the said portions of said streets, being the specifications and estimates attached to the plans and estimates filed herein on July 9th, 1926, be and the same are hereby approved; and

BE IT FURTHER RESOLVED that the Common Council hereby declares its intention to improve said portions of said streets in accordance with said plans, specifications and estimates. Said improvement to consist of paving said portions of said streets with (a) Warrenite Bithulithic, 1½" top on 3½" bituminous conirete base or asphaltic concrete, 1½" top, 1" binder on 3½" asphaltic concrete base, or type "C" Portland cement concrete or type "C" Vibrolithic; or (b) Warrenite Bithulithic pavement, 2" top on 4" bituminous concrete base, or asphaltic concrete, 2" top, 1" binder on 4" asphaltic concrete base, or Portland cement concrete, type "A" or Vibrolithic, type "A"; or (c) Warrenite Bithulithic, 2" top on 4" crushed rock base, or asphaltic concrete, 2" top, 1" binder on 4" crushed rock base, at an estimated cost, including cement sidewalks, curbing, gutters and drainage for (a) Warrenite Bitulithic, 1½" top on 3½" bituminous concrete base, or asphaltic concrete, 1½" top, 1" binder, on 3½" asphaltic concrete base, or type "C" Portland cement concrete, or type "C" Vibrolithic, of $16,494.15; for (b) Warrenite Bitulithic pavement, 2" top on 4" bituminous concrete base, or asphaltic concrete 2" top, 1" binder on 4" asphaltic concrete base, or Portland cement concrete type "A" or Vibrolithic, type "A"; or, for (c) Warrenite Bitulithic, 2" top on 4" crushed rock base, or asphaltic concrete, 2" top, 1" binder on 4" crushed rock base, of $15,905.24, said estimates to include engineering, supervision, advertising, clerical assistance and unforseen contingencies; also, said improvement to consist of grading the streets full width, constructing combination curbs and gutters, laying a 5-foot cement sidewalk on each side of the streets, paving roadways, whose width will be 26 feet, back to back of curbs, except at intersections, where the pavement will be full width, constructing sanitary sewers where needed, with proper "Ys" and branches, and providing for storm drainage where necessary, parking strips to be rolled and leveled throughout the length of said improvement, except at intersections, all in accordance with the said plans, specifications and estimates filed July 9th, 1926; and

BE IT FURTHER RESOLVED BY the COMMON COUNCIL that the property hereinafter described be and hereby is declared to be benefited, to-wit:

All of Shives Addition, being lots 1 to 11, inclusive; lots 1, 2, 3, 8, 9 and 10, block 19; lots 1, 2, 3, 8, 9 and 10, block 16; all of block 17 and all of block 18, together with vacated Roosevelt street from Ninth street to Rose street, also lots 1, 2, 3 and 7, 8 and 9, block 6, all in First Addition to Klamath Falls, Oregon; and that said property above described be and hereby is declared to be benefited and assessed for the expense of said improvement; and

BE IT FURTHER RESOLVED that Monday, the 16th day of August, 1926, at the hour of 8 o'clock, p. m., at the Council Chambers in the City Hall of Klamath Falls, Oregon, be fixed as the time and place for the hearing of objections and remonstrances against said proposed improvement; and

The Police Judge be and he hereby is directed to cause notice of said hearing to be published as by charter provided.

RESOLUTION OF INTENTION

SPRING STREET AND WALL STREET PAVEMENT.

The City Engineer, pursuant to resolution of the Common Council heretofore adopted, having on the 9th day of July, 1926, filed plans, specifications and estimates of the cost of improving Spring street from the north line of Main street to the south line of Esplanade, and Wall street from the west line of Spring street to the east line of Broad street, to be known as Improvement Unit Number 63, and the Council having taken same under advisement and finding said plans, specifications and estimates satisfactory;

BE IT HEREBY RESOLVED that said plans, specifications and estimates for the improvement of the said portions of said streets, being the specifications and estimates attached to the plans and estimates filed herein on July 9th, 1926, be and the same are hereby approved; and

BE IT FURTHER RESOLVED that the Common Council hereby declares its intention to improve said portions of said streets in accordance with said plans, specifications and estimates. Said improvement to consist of paving said portions of said streets with (a) Warrenite Bitulithic pavement, 1½" top on 3½" bituminous concrete base, or asphaltic concrete, 1½" top, 1" binder, on 3½" asphaltic concrete base, or class "C" Portland cement concrete, or class "C" Vibrolithic pavement; or (b) Warrenite Bitulithic pavement, 2" top on 4" bituminous concrete base; or asphaltic concrete, 2" top, 1" binder on 4" asphaltic concrete base, or class "A" Portland cement concrete; or class "A" Vibrolithic pavement; or (c) Warrenite Bitulithic pavement, 2" top on 4" crushed rock base; or asphaltic concrete, 2" top, 1" binder on 4" crushed rock base; at an estimated cost, including cement sidewalks, curbing, gutters and drainage, for (a) Warrenite Bitulithic pavement, 1½" top on 3½" bituminous concrete base, or asphaltic concrete, 1½" top, 1" binder, on 3½" asphaltic concrete base, or class "C" Portland cement concrete, or class "C" Vibrolithic, of $11,213.60; for (b) Warrenite Bitulithic pavement, 2" top on 4" bituminous concrete base, or asphaltic concrete, 2" top, 1" binder on 4" asphaltic concrete base, or class "A" Portland cement concrete; or class "A" Vibrolithic pavement, of $11,844.65; or for (c) Warrenite Bitulithic pavement, 2" top on 4" crushed rock base; or asphaltic concrete, 2" top, 1" binder, on 4" crushed rock base, of $10,792.90; said estimates to include engineering, supervision advertising, clerical assistance and unforseen contingencies, said improvement to consist of grading the streets full width, constructing combination curb and gutters, building a five-foot cement sidewalk on each side of the said improvement throughout its entire length except where already in place, parking strips to be leveled and rolled throughout except at intersections, where said pavement is to be full width; said pavement to be twenty-one (21) feet wide on East street and twenty-four (24) feet wide on Upham and Johnson streets, all in accordance with the said plans, specifications and estimates filed July 9th, 1926; and

BE IT FURTHER RESOLVED BY THE COMMON COUNCIL that the property hereinafter described be and hereby is declared to be benefited, to-wit:

Lots 4, 5 and 6, block 31; lots 4, 5, and 6, block 28; all of block 29; all of block 30; all in Hillside Addition, all of Block 59, in Nichols Addition, sometimes known as Fairview Addition Number One, to Klamath Falls, Oregon; and lots 4, 6, 7 and 8, block 14, Hot Springs Addition to Klamath Falls, Oregon, and that said property above described be and hereby is declared to be benefited and assessed for the expense of said improvement; and

BE IT FURTHER RESOLVED that Monday, the 16th day of August, 1926, at the hour of 8 o'clock p. m., at the Council Chambers in the City Hall of Klamath Falls, Oregon, be fixed as the time and place for the hearing of objections and remonstrances against said proposed improvement; and

The Police Judge be and he hereby is directed to cause notice of said hearing to be published as by charter provided.

RESOLUTION OF INTENTION

EAST STREET, UPHAM STREET AND JOHNSON STREET PAVEMENT.

The City Engineer, pursuant to resolution of the Common Council heretofore adopted, having on the 9th day of July, 1926, filed plans, specifications and estimates of the cost of improving East Street from the north line of Canby street to the south line of Upham street; Upham street from the west line of East street to the west line of Johnson street; and Johnson street from the south line of Upham street to the north line of Donald street, to be known as Improvement Unit Number 60, and the Council having taken same under advisement and finding said plans, specifications and estimates satisfactory;

BE IT HEREBY RESOLVED that said plans, specifications and estimates for the improvement of the said portions of said streets, being the specifications and estimates attached to the plans and estimates filed herein on July 9th, 1926, be and the same are hereby approved; and

BE IT FURTHER RESOLVED that the Common Council hereby declares its intention to improve said portions of said streets in accordance with said plans, specifications and estimates. Said improvement to consist of paving said portions of said streets with (a) Warrenite Bitulithic pavement, 1½" top on 3½" bituminous concrete base, or asphaltic concrete, 1½" top, 1" binder on 3½" asphaltic concrete base, or Portland cement concrete, type "C" or Vibrolithic, type "C"; or (b) Warrenite Bitulithic pavement, 2" top on 4" bituminous concrete base, or asphaltic concrete, 2" top, 1" binder on 4" asphaltic concrete base, or Portland cement concrete type "A" or Vibrolithic, type "A"; or, for (c) Warrenite Bitulithic, 2" top on 4" crushed rock base, or asphaltic concrete, 2" top, 1" binder on 4" crushed rock base, of $17,377.59; or, for (c) Warrenite Bitulithic, 2" top on 4" crushed rock base, or asphaltic concrete, 2" top, 1" binder on 4" crushed rock base, of $15,905.24, said estimates to include engineering, supervision, advertising, clerical assistance and unforseen contingencies; also, said improvement to consist of grading the streets full width, constructing combination curbs and gutters, laying a 5-foot cement sidewalk on each side of the streets, paving roadways, whose width will be 26 feet, back to back of curbs, except at intersections, where the pavement will be full width, constructing sanitary sewers where needed, with proper "Ys" and branches, and providing for storm drainage where necessary, parking strips to be rolled and leveled throughout the length of said improvement, except at intersections, all in accordance with the said plans, specifications and estimates filed July 9th, 1926; and

BE IT FURTHER RESOLVED BY the COMMON COUNCIL that the property hereinafter described be and hereby is declared to be benefited, to-wit:

All of Shives Addition, being lots 1 to 11, inclusive; lots 1, 2, 3, 8, 9 and 10, block 19; lots 1, 2, 3, 8, 9 and 10, block 16; all of block 17 and all of block 18, together with vacated Roosevelt street from Ninth street to Rose street, also lots 1, 2, 3 and 7, 8 and 9, block 6, all in First Addition to Klamath Falls, Oregon; and that said property above described be and hereby is declared to be benefited and assessed for the expense of said improvement; and

BE IT FURTHER RESOLVED that Monday, the 16th day of August, 1926, at the hour of 8 o'clock, p. m., at the Council Chambers in the City Hall of Klamath Falls, Oregon, be fixed as the time and place for the hearing of objections and remonstrances against said proposed improvement; and

The Police Judge be and he hereby is directed to cause notice of said hearing to be published as by charter provided.

State of Oregon,
County of Klamath,
City of Klamath Falls, ss.

I, Lem L. Gaghagen, Police Judge of the City of Klamath Falls, Oregon, do hereby certify that the foregoing is a duly enrolled copy of a resolution adopted by the Common Council at its adjourned regular meeting held on Thursday, July 15th, 1926, and of the whole of said resolution.

RESOLUTION OF INTENTION

FOURTH STREET PAVEMENT

The City Engineer, pursuant to resolution of the Common Council heretofore adopted, having on the 9th day of July, 1926, filed plans, specifications and estimates of the cost of improving Fourth street from the southerly line of Walnut avenue to the northerly line of Oak avenue, to be known as Improvement Unit Number 62, and the Council having taken same under advisement and finding said plans, specifications and estimates satisfactory;

BE IT HEREBY RESOLVED that said plans, specifications and estimates for the improvement of the said portion of said street, being the specifications and estimates attached to the plans and estimates filed herein on July 9th, 1926, be and the same are hereby approved; and

BE IT FURTHER RESOLVED that the Common Council hereby declares its intention to improve said portion of said street in accordance with said plans, specifications and estimates. Said improvement to consist of paving said portion of said street with (a) Warrenite Bitulithic pavement, 1½" top on 3½" bituminous concrete base, or type "C" Portland cement concrete or Vibrolithic, or asphaltic concrete, 1½" top on 1" binder on 3½" asphaltic concrete base; or (b) Warrenite Bitulithic pavement, 2" top on 4" bituminous concrete base, or type "A" Portland cement concrete, or Vibrolithic or asphaltic concrete, 2" top, 1" binder on 4" asphaltic concrete base; or (c) Warrenite Bitulithic pavement, 2" top on 4" crushed rock base, or asphaltic concrete, 2" top, 1" binder on 4" crushed rock base, at an estimated cost, including cement sidewalks, curbing, gutters and drainage for (a) Warrenite Bitulithic pavement, 1½" top on 3½" bituminous concrete base, or type "C" Portland cement concrete or Vibrolithic, or asphaltic concrete, 1½" top on 1" binder on 3½" asphaltic concrete base, of $4,321.57; or (b) Warrenite Bitulithic pavement, 2" top on 4" bituminous concrete base, or type "A" Portland cement concrete, or Vibrolithic or asphaltic concrete, 2" top, 1" binder on 4" asphaltic concrete base, of $4,587.46; or for (c) Warrenite Bitulithic pavement, 2" top on 4" crushed rock base, or asphaltic concrete, 2" top, 1" binder on 4" crushed rock base, of $4,144.31; said estimates to include engineering, supervision, advertising, clerical assistance and unforseen contingencies; also, said estimates in either event to include grading full width, building combination curb and gutters, laying five-foot cement sidewalk on each side of said improvement throughout its entire length, with parking strips to be leveled and rolled, said pavement to be thirty-six (36) feet wide, all in accordance with the said plans, specifications and estimates filed July 9th, 1926; and

BE IT FURTHER RESOLVED BY THE COMMON COUNCIL that the property hereinafter described be and hereby is declared to be benefited, to-wit:

Lots 1, 2, 3, 8, 9 and 10 in block 86; and lots 3, 4, 5, 6, 7 and 8 in block 85, all in Klamath Addition to Klamath Falls, Oregon; and that said property above described be and hereby is declared to be benefited and assessed for the expense of said improvement; and

BE IT FURTHER RESOLVED that Monday, the 16th day of August, 1926, at the hour of 8 o'clock p. m., at the Council Chambers in the City Hall of Klamath Falls, Oregon, be fixed as the time and place for the hearing of objections and remonstrances against said proposed improvement; and

The Police Judge be and he hereby is directed to cause notice of said hearing to be published as by charter provided.

State of Oregon,
County of Klamath,
City of Klamath Falls, ss.

I, Lem L. Gaghagen, Police Judge of the City of Klamath Falls, Oregon, do hereby certify that the foregoing is a duly enrolled copy of a resolution adopted by the Common Council at its adjourned regular meeting held on Thursday, July 15th, 1926, and of the whole of said resolution.

LEM L. GAGHAGEN,
Jly 20-30 inc. Police Judge.

RESOLUTION OF INTENTION

CYPRESS, ROGERS AND CARROLL STREET AVEMENT.

The City Engineer, pursuant to resolution of the Common Concil heretofore adopted, having on the 17th day of June, 1926, filed plans, specifications and estimates of the cost of improving the following:

Beginning at the intersection of the westerly line of South Riverside avenue with the center line of Main street; thence westerly on Main street 75 feet more or less, thence in a northwesterly direction across Lot 3, Block 1, West Klamath Falls, Oregon, to the center line of North Carroll street; thence up North Carroll street to the intersection of said North Carroll street with the center line of North Rogers street, formerly Park street; thence southwesterly along North Rogers street, formerly Park street, to the center of its intersection with Cypress avenue; thence westerly on Cypress avenue from the westerly side of North Rogers street to the westerly side of Lippincott street; also, beginning at the intersection of the center of Cypress avenue and North Rogers street, thence southeasterly along North Rogers and Main streets to the intersection of the center of South Rogers street with the center line of Main street, including intersection; thence southerly along South Rogers street to the southerly line of Lot 21, Block 7, Lakeside Addition to Klamath Falls, Oregon; said improvement to be hard-surface pavement throughout except that portion extending from the westerly side of North Rogers street to the westerly side of Lippincott avenue on Cypress avenue, and also North Rogers street from its intersection with the center line of Cypress avenue to its intersection with the center line of Main street, thence along Main street to the center of its intersection with the center of South Rogers street, thence southerly along South Rogers street to the southerly line of Lot 21, Block 7, Lakeside Addition to Klamath Falls, Oregon; and as to said portion of said improvement, same shall be waterbound macadam, macadam, or other pavement other than hard-surface pavement, same to be known as Improvement Unit Number 48, and the Council having taken same under advisement and finding said plans, specifications and estimates satisfactory;

BE IT HEREBY RESOLVED that said plans, specifications and estimates for the improvement of the said portions of said streets and avenues, being the specifications and estimates attached to the plans and estimates filed herein on June 17, 1926, be and the same are hereby approved; and

BE IT FURTHER RESOLVED that the Common Council hereby declared its intention to improve said portions of said street and avenues in accordance with said plans, specifications and estimates. Said improvement to consist of paving said portions of said streets and avenues designated for hard-surface pavement with (a) Type "A" Portland cement concrete, or Type "A" Vibrolithic or Warrenite Bithulithic, 2" top on 4" crushed rock base, or (b) Warrenite Bithulithic 2" top on 4" crushed rock base, at an estimated cost, including curbing, gutters, storm sewers, catch basins, and embankments, for (a) Type "A" Portland cement concrete, or Type "A" Vibrolithic or Warrenite Bitulithic, 2" top on 4" crushed rock base, of $21,865.50; and for (b) Warrenite Bitulithic, 2" top on 4" crushed rock base, of $21,077.50, said estimates in either event to include engineering, supervision, advertising, clerical assistance and unforseen contingencies; and $10,865.00 for said portion of said improvement to be paved with water bound macadam, macadam, or other pavement other than hard surface pavement, all in accordance with the said plans, specifications and estimates, and with the plans and estimates filed June 17, 1926.

BE IT FURTHER RESOLVED BY THE COMMON COUNCIL that the property hereinafter described be and hereby is declared to be benefited, to-wit:

Lots 2 and 3, Block 1; all of Block 2; and Lots 1 and 2, Block 4, West Klamath Falls Addition; all of Blocks 16, 17, 18, 19 and 20; Lots 1 to 4, inc., Block 13; Lots 1 to 4, inc., Block 10; Lots 1 to 4, inc., Block 9; all of Block 8, and all of the Riverside school property which lies between Lippincott, North Georgia, Cypress and Grand avenues, all being situated in Riverside Addition to Klamath Falls, Oregon; Lots 1 to 22, inc., Block 7, and Lots 1 to 13, inc., Block 8, Lakeside Addition, said lots lying adjacent to South Rogers street and extending from the south boundary of Riverside Addition of Klamath Falls, Oregon, southerly to a point which would be intersected by a line running westerly between Lots 21 and 22 of Block 7, said Lakeside Addition, extended westerly, and said lots extending westerly from Rogers street to South Georgia avenue, and that said property above described be and hereby is declared to be benefited and assessed for the expense of said improvement; and

BE IT FURTHER RESOLVED that Monday, the 16th day of August, 1926, at the hour of 8 o'clock, p. m., at the Council Chambers in the City Hall of Klamath Falls, Oregon, be fixed as the time and place for the hearing of objections and remonstrances against said proposed improvement; and

The Police Judge be and he hereby is directed to cause notice of said hearing to be published as by charter provided.

State of Oregon,
County of Klamath,
City of Klamath Falls, ss.

I, Lem L. Gaghagen, Police Judge of the City of Klamath Falls, Oregon, do hereby certify that the foregoing is a duly enrolled copy of a resolution adopted by the Common Council at its regular meeting held on Monday, June 28th, 1926, and of the whole of said resolution.

LEM L. GAGHAGEN,
Police Judge.

NOTICE OF PUBLICATION
(Publisher)

DEPARTMENT OF THE INTERIOR

U. S. Land Office at Lakeview, Oregon, July 14, 1926.

NOTICE is hereby given that Tillie Largent, whose post-office address is Klamath Falls, Oregon, did, on the 15th day of February, 1926, file in this office Sworn Statement and Application No. 012644, to purchase the N½SW¼ and S½SE¼, Section 19, Township 23S, Range 10E., Willamette Meridian, and the timber thereon, under the provisions of the act of June 3, 1878, and acts amendatory, known as the "Timber and Stone Law," at such value as might be fixed by appraisement, and that, pursuant to such application, the land and timber thereon have been appraised at $640.00, the timber estimated 285M. board feet at $2.00 per M., and the land $120.00; that said applicant will offer final proof in support of her application and sworn statement on the 25th day of September, 1926, before Bert C. Thomas, U. S. Commissioner, at Klamath Falls, Oregon.

Any person is at liberty to protest this purchase before entry, or initiate a contest at any time before patent issues, by filing a corroborated affidavit in this office, alleging facts which would defeat the entry.

SUMMONS FOR PUBLICATION

Equity No. 2127.

IN THE CIRCUIT COURT OF THE STATE OF OREGON FOR KLAMATH COUNTY.

Oscar R. Stewart and Winifred S. Stewart, Plaintiffs, vs. J. P. McAuliffe, Nora McAuliffe, Bly District Improvement Company, a corporation, L. E. Walker, Leonard J. Woodruff, Merl Knotts and Thomas Cates, Defendants.

TO: LEONARD J. WOODRUFF, DEFENDANT:

In the Name of the State of Oregon, you are hereby required to appear and answer the complaint filed against you in the above entitled suit, on or before August 25, 1926, that being the last day of the time prescribed in the order for publication of this summons. And if you fail so to answer or appear, for want thereof, the plaintiffs will apply to the court for the relief prayed for in their complaint on file herein, to-wit:

Plaintiffs pray judgment against the said defendants J. P. McAuliffe and Nora McAuliffe, and each of them, for the sum of $12,000.00, together with interest thereon at the rate of six per cent per annum from October 15, 1924; for the further sum of $1000.00 as attorney's fees to be allowed by the court, and for their costs and disbursements incurred herein and all accruing costs of this suit.

And plaintiffs pray for a decree of this court decreeing the foreclosure of plaintiff's said mortgage lien and for the sale of premises therein described, in the manner provided by law; that the proceeds of said sale be applied in payment of the above mentioned sums due plaintiffs, and that all defendants herein mentioned and all persons claiming in any manner under them subsequent to the execution of plaintiffs said mortgage lien be barred and foreclosed of all right, title, interest and equity in and to said mortgaged premises and every part thereof, which said mortgaged premises are described as follows:

Section 35 in Township 36, South of Range 14, East of the Willamette Meridian: The South half of the Southwest quarter of the Northwest quarter in Section 1, in Township 37 South of Range 14 East of the Willamette Meridian; the South half of the South half of the Southwest quarter of Section 25 in Township 36 South of Range 14 East of the Willamette Meridian; and the Northwest quarter of Section 5 in Township 37 South of Range 15 East of the Willamette Meridian, all of the above described land being in Klamath County, Oregon, with all the water rights used with the above described lands as such water rights are owned by the grantors herein, and to such extent only, and also: Beginning at the Northeast corner of the Northwest quarter of Section 2 in Township 37 South of Range 14 East of the Willamette Meridian, in Klamath County, Oregon, thence South 210 feet, thence west 840 feet, thence north 210 feet, thence east along the north line of said Section 2 to the place of beginning, containing four acres, more or less, with the water rights same as above.

And plaintiffs pray for such other and further relief as to the court may seem equitable.

This summons is served by publication thereof, in the Klamath News, a daily newspaper printed, published and of general circulation in Klamath County, Oregon, by order of the Honorable A. L. Leavitt, Judge of the above entitled court, made and entered on June 1, 1926, which said order requires that this summons be published once a week for six weeks. The date of the first publication of this summons is July 14, 1926.

R. C. GROESBECK
Attorney for the Plaintiffs.
Address: American National Bank Building, Klamath Falls, Oregon.
