LAKI LADIES homes give careful thought to the landscaping of their lawn, be it ever so tiny. The time has gone when the landscaping of one's suropnding ground must call for acres and acres, a fish pond and a swimming pool, with Italian gardens, or English corners. Even a house, on one of the busiest residential streets, can be landscaped so that every fea-ture of the house, every line at the window, can be flattered. One of the elements to think of when you are planning your home garden is color harmony. Trees, shrubs, percombined that their colors will cre ate a series of harmonies throughout the year.
