Downpour of Rain Blesses Klamath

> Weather Man was on the Job to See that Farmers Would be Thank-

A steady downpour, with Guantanamo Bay snowflakes, fell upon Thanks-

giving Day continuously, a benefit to farmers and the ranges of the entire county. The weather man, H. K. Smith of the United States Reclamation Service, who enjoyed his Thanks-giving dinner despite the fact that he is the one person in the United States always on the job to see how Old Jupiter Pluvius is disporting

himself, scratched his head and mused on yesterday's actions. "At 8 o'clock this morning there was a registration of .06 inches of rainfall. Mingled with snow and rain, and a light consistent downpour, the precipitation probably raised to 2 or 3 inches up until 5 o'clock," remarked Smith last
