

Coast League to Play 27 Weeks

HOLLYWOOD, Jan. 25. (U.N.)—Adoption of a 27 week schedule, opening March 27, and ending October 7, was the principal business transacted at today's session of the Pacific Coast league baseball directors.

The opening session was not broken by the slightest clash. It was concluded by a dinner at the Hollywood Athletic club, at which H. William Lane, president of the Hollywood club, was host.

In the afternoon the directors played a round of golf.

The important draft question was to be voted on at tomorrow's meeting. Under the schedule adopted today, Hollywood will play at Sacramento, Portland at San Francisco, Mission at Oakland and Seattle at Los Angeles.

The closing week will find Los Angeles at Sacramento; Portland at Mission, San Francisco at Oakland and Seattle at Hollywood.

Liberty Headliner Pleasing Picture

One of the most thrilling moments in the production of "Thunder Mountain," now at the Liberty theatre, is when Joe Givens (Arthur Houseman) who has just confessed to the murder of the old miser St. Pace, runs blindly from the mob into the water and is sucked down to his death in the treacherous quicksands.

While Mr. Houseman was not asked to go down in the real quicksands, the scene was filled with danger, for he stood waist deep in the middle of the river on a box so constructed that the weight of his body would cause the top to sink gradually until he was entirely submerged.

"Thunder Mountain" was adapted from the John Golden stage success "Howdy Folks." Leslie Fenton and Madge Bellamy head an all-star cast, supported by Alec Francis, Emily Fitzroy, Zasu Pitts, Arthur Houseman, Otis Harlan, Dan Mason and Russell Simpson.

CHINESE PHEASANTS SUFFER FROM COLD

HOOD RIVER, Jan. 25.—With heavy snow and temperature below zero for a couple of nights, local sportsmen are alarmed lest many of the 500 Chinese pheasants planted here last fall may not survive. The sportsmen, working with ranchers in various districts, are distributing grain for feeding the birds.

New Matchmaker is Named for Boxing

After several weeks of consideration as to capability of several possible candidates, the Klamath Falls boxing commission yesterday announced that Eddie Duback, formerly captain of the Klamath baseball team, has been selected as the new matchmaker.

Local ring fans have freely applauded the selection, as Duback, in addition to being an all-round athlete himself, is experienced in fight circles of the entire Northwest and is believed well fitted for the role of matchmaker.

Plans will be started at once for a good boxing card to be staged in the American Legion Memorial building, considered the best possible location here for presentation of fight cards.

"We feel we have picked a good man for the job of outlining the future fight cards," Dr. H. D. Stewart, commissioner chairman, stated yesterday. "Eddie can put the stuff on right."

Sporting Chance Is Great Picture

"The Sporting Chance," film offering at the Orpheus today, presents the most realistic racing scene ever filmed, according to press reports. Other high spots in the picture are the machinations of the society villain wherein he lures the girl he loves to his apartments; the dramatic rescue of the girl; the heroine's dramatic sacrifice to save her father from disgrace; the pony race jockeyed by beautiful girls, and the dramatic meeting of the girl and her lover.

Eddie Nunn Will Show Real Golfing

An added feature to the Pine Tree entertainment this week will be the presentation of Eddie Nunn, golf professional of the Reames Golf and Country club, who will appear on the stage in an exhibition of shots both Thursday and Friday evenings.

Harry W. Poole has arranged for the exhibition which every golf enthusiast will want to see.

Rare Birds of India for Smithsonian

J. H. Riley, assistant in the bird division of the Smithsonian Institution, Washington, is shown at his desk with three rare and separate species of blood pheasants, which will be stuffed and mounted for the national museum. They are found near the timber line in mountains of northern India and China. Their distinct species is due to the fact they are unable to cross valleys on account of heat, each species being isolated.

Frenchman Declared Rabbit Laurels Champion Aviator Go To Local Men

PARIS, Jan. 25. (U.N.)—Captain Pelletier d'Olay, French aviator who has distinguished himself with flights to French Indo-China, Russia and other parts of the world, has been named by the international league of aviators as the world's outstanding aviator of 1926.

Alan Cobham of England, who made a round trip to Australia, was also named on the first ballot, but d'Olay's election later was made unanimous.

We aim to make the Klamath Valley Hospital contributive to the public good by efficient care of the sick and injured.

Vaudeville Proves Great Attraction

Every offering is bright and classy and has been carefully selected to assure a well-balanced vaudeville bill at the Pine Tree theatre which shows for the last time tonight.

The headline feature offering is Dorothy's Comedy Circus, a miniature affair including ponies, dogs, and monkeys. You are given a circus atmosphere throughout the entire act.

Duncan & Mosher proffer a comedy offering entitled "Two Men on the Box," which should not have any trouble in gathering laughs with their rural comedy songs and sayings.

Lester & Hough, clever appearing young artists, present a comedy offering with an original twist. Both members are good vocalists and punsters.

McDonald & Leggett are dealers in harmony and are universal favorites. They will render a song cycle of the late tunes from "Tin Pan Alley," in their own inimitable style.

Buster Marsh Co. offer a comedy athletic novelty built for laughing purposes only which should be one of the high-lights on the current vaudeville bill. It is speedy, peppy and jolly.

Final show at 9:30 tonight.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

Look, Mother! Is tongue coated, breath feverish and stomach sour?

"California Fig Syrup" can't harm tender stomach, liver, bowels

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Fig Syrup," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Fig Syrup," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."—Adv.

OUTSIDE: A COMMON SENSE PACKAGE, EFFECTIVE AND ECONOMICAL
INSIDE: PIPE TOBACCO OF THE FINEST QUALITY

Inside—that's certainly where Quality belongs!

QUALITY where quality should be—in the tobacco! Not a penny wasted for show—but likewise, not one cent spared in leaf-quality, in manufacturing care, in every detail that makes for genuinely good pipe tobacco.

Kentucky's best "heart" Burley, from the fertile Blue Grass country, processed by an old tobacco secret, "Wellman's method," to seal in richness and "body"—then "Rough Cut" into coarse, shaggy flakes to burn slower and smoke cooler.

Here, gentlemen, is tobacco that is tobacco—and your pipe will bear us out!
