

Klamath's Scouts Sign Player for Local Ball Club

Dillon and Saunders Cinch the Fast Fielder, Marlowe, and Leave San Francisco to Go to Sacramento

The southward trek of Tom Dillon and Sandy Saunders, in the interests of the Klamath ball club has not been in vain. It was revealed here yesterday, when Lee Crawford, secretary of the club last year, received a wire from Dillon, stating that Flash Marlowe, who played with Ashland last season, has been signed for the Pelicans.

The wire was sent from San Francisco, so it is believed that Marlowe was signed by the two scouts in that city. He will be remembered as a whirlwind center-fielder with a penchant for crackling the pill well into the azure blue each time he got within screaming distance of the pan.

The two scouts were planning to leave San Francisco for Sacramento, Tuesday, it was stated in the wire to Crawford, where they expected to line up additional material for the Klamath club.

Dillon and Saunders rubbed elbows with considerable expert ball talent in the south, they stated, and while they don't expect to bring all of it back, they will have at least a long calling list on the hook for future emergencies.

Meanwhile the boys at home are turning out nightly to frolic on the fair ground diamond and get in shape for the grilling try-outs which will come soon. With Sandy's return, the work of selecting timber for a local nine is expected to begin, and the players who want a berth on the team are shaking out the kinks in preparation for Sandy's eagle eye.

O. A. C. Track Head Offers Meet Rules

OREGON AGRICULTURAL COLLEGE, Corvallis, March 29. (Special)—Athletic qualifications for entry in the first annual interscholastic track and field meet at O. A. C. May 14 have just been compiled by Dad Butler, Oregon Aggie track coach. The marks were set after careful consideration and study by athletic officials here and are low enough to give the average high school athlete a fair chance for competition.

Here is a list of events with the time and distance qualifications which must be met by an athlete before he is eligible to compete. Results of the Washington state interscholastic meet last year are also given for comparison.

Event—100 yard dash, O. A. C. qualifications, 11 seconds, 1926 Washington result, 10 2-10 seconds.

Event—220 yard dash, O. A. C. qualifications, 25 seconds, 1926 Washington result, 22 4-10 seconds.

Event—220 low hurdles, O. A. C. qualifications, 39 seconds, 1926 Washington result, 25 7-10 seconds.

Event—120 high hurdles, O. A. C. qualifications, 29 seconds, 1926 Washington result, 16 7-10 seconds.

Event—440 yard run, O. A. C. qualifications, 56 seconds, 1926 Washington result, 54 2-5 seconds.

Event—880 yard run, O. A. C. qualifications, 2 minutes 12 seconds, 1926 Washington result, 1 minute 55 5-10 seconds.

Event—Mile run, O. A. C. qualifications, 5 minutes, 1926 Washington result, 4 minutes 30 8-10 seconds.

Event—Shot put, O. A. C. qualifications, 36 feet, 1926 Washington result, 46 feet.

Event—Discus, O. A. C. qualifications, 95 feet, 1926 Washington result, 126 feet.

Event—Javelin, O. A. C. qualifications, 146 feet, 1926 Washington result, 176 feet.

Event—Pole vault, O. A. C. qualifications, 16 feet, 1926 Washington result, 11 feet 5 3-4 inches.

Event—Broad jump, O. A. C. qualifications, 28 feet, 1926 Washington result, 22 feet 3-4 inches.

Event—High jump, O. A. C. qualifications, 5 feet 4 inches, 1926 Washington result, 5 feet 10 inches.

A man should at least be able to make the above time and distance on a good track and O.A.C. has one of the best in the country. In the opinion of Dad Butler, in the relay event each of the four men will be required to run 226 yards.

Baseball Training Camps Are Active

BRADENTON, Fla., March 29. (U.N.)—Alex Ferguson, who broke his thumb his first day in camp, pitched two innings for McIntire's regulars today, helping defeat the Yanigans 12 to 4. The Phillies are breaking camp, and left for home after Tuesday's game with Buffalo.

TAMPA, Fla.—Mickey O'Neil, former backstop of the Boston Braves and more recently with Brooklyn, has been sold to the Senators. O'Neil, a veteran, broke in on the St. Louis sand lots with Muddy Ruel, Washington's first string catcher.

ST. PETERSBURG, Fla.—After getting to old Grover Cleveland Alexander for four runs in the first inning, the Yankees were helpless before the veteran's slants, and the St. Louis Cards nosed out the second game of the spring world's series, 5 to 4. A two-run rally in the ninth inning won for the Cards.

WEST PALM BEACH, Fla.—The Baltimore Orioles hit Jackie May and Ray Colp freely Monday, and beat the Reds 9 to 5. Wally Pipp hit a screaming homer with a man on base.

ST. AUGUSTINE, Fla.—The St. Louis Browns may not be going far after the regular league season starts, but they are champions in Florida. With George Slater leading the attack and hitting three triples and a single, Dan Howley's team walloped the New York Giants Monday 12 to 6.

TAMPA, Fla.—Washington "scripples" came from behind to score three runs in the eighth and tie up the game with the Robins. The contest was abandoned at the end of the eleventh, with the teams still tied 4 to 4.

SHREVEPORT, La.—The Chicago White Sox were happy Monday because they won a 13-inning game from Shreveport, Texas league club, and because Johnny Mostil, star outfielder, who attempted suicide March 8, left the hospital, where he has been confined, with prospects of being in uniform by May 15. It required four extra innings for the Sox to win 2 to 1.

SANFORD, Fla.—Bill Lamar's terrific swing and Walter French's base running gave the Athletics a 3 to 2 victory over the Indianapolis American association club. Cobb played five innings, but failed to make a hit and was played out stealing home in the third. Gray and Pate pitched against Schupp and Ambrose.

Three Home Teams Win Opening Games In Coast Baseball

SAN FRANCISCO, March 29. (U.N.)—The baseball season was opened on the Pacific coast Tuesday and fans in three California cities were able to rejoice because the home team won.

The opening game in Los Angeles, where last year's champions of the Coast league were to have clashed with the Seattle Indians, was postponed because of wet grounds, but baseball was ushered in at Sacramento, Oakland and San Francisco with capacity crowds and the usual ceremonies.

Oakland, considered by many as the most formidable club in the circuit, weathered some of Mission's best pitching and made six hits suffice for a 3 to 2 victory. The Missions gathered 11 hits, but compact work by the speedy Oak infield kept down the score.

Earl Kuns turned in a nice game on the mound for San Francisco and the Seals turned back Portland 5 to 2. The Seals kept pecking steadily at the offerings of Walter Kinney and the former major leaguer, who was making his first appearance for the Beavers was retired in the seventh.

The Hollywood Stars were smothered in Sacramento 10 to 1, with Vinc, star moundman, master of the situation at all times.

Speed Car Breaks World's Records

DAYTONA BEACH, Fla., March 29. (U.N.)—Speed hitherto believed unattainable, which tossed his four ton Sunbeam racing car lightly as a feather on the Daytona sands and which rendered the pilot unconscious to everything except the desperate effort of holding his machine in its course, was reached by Major H. O. D. Segrave, an English race driver, Tuesday, as he shattered all existing world's records in covering a one mile stretch at the rate of 207.5076 miles per hour.

Hurling along the famous yellow beach past delicately contrived electrical timing instruments with everything blotted out in the roar of his 1,000 horsepower motors and the course flags, rods apart, a steady blur of meaningless color to his straining eyes, the British driver literally took his life in his hands to set his new records.

High School Teams Vie for National Basketball Title

CHICAGO, March 29. (U.N.)—The national interscholastic basketball championship, held under the auspices of the University of Chicago, saw completion of the first round Tuesday with the favorites winning.

The stalwart boys from Alpine, Tenn., who attracted much attention as representing the smallest town in the competition, could not meet the furious pace of Lincoln, Neb., and went down to defeat 71 to 9. The boys who walked five miles to a railroad station from their pin point town of 75 persons, were outclassed from the start.

The Cicero, Ill., quintet, champions of the Chicago suburbs, defeated Durant, Okla., 29 to 19. London, Ky., defeated Muscatine, Iowa, 15 to 12.

In the most exciting battle of the early season, Huron, S. D., defeated Parker high of Greenville, S. C. 22 to 20.

Grand Forks, N. D., led its game with Waite High of Toledo and through a 28 to 21 victory. Fairmont, W. Va., defeated Tallahassee, Ala., 29 to 13.

Winfield, Kas., won from Aberdeen, S. D. 26 to 23. Vienna, Ga., won from Minersville, Utah, 33 to 28.

Golfer Gets Good Tournament Prize

ATLANTA, Ga., March 29. (U.N.)—John Golden, Jersey City professional, won the \$1,000 first prize, offered for the winner in the southern open tournament, by defeating Johnnie Parre, New York professional, in an 18-hole play off Monday.

Golden had a 69 for the 18 holes to Parrell's 6. Par for the course is 9.

The second prize, \$1,750, goes to Parrell.

The play-off was necessary when Golden and Parrell tied with 289 for second place in the tourney, which ended Saturday.

Bobby Jones, Atlanta amateur, had 281 for first place and the title. Officials of the match offered to split the first and second prizes equally between Parrell and Golden Saturday, but Parrell insisted that the two play 18 holes to decide.

Golden's 33 going out equalled Bobby Jones' record in the last week's tournament, when he made a 23 out and in for a total of 66.

"Phillips Milk of Magnesia" Better than Soda

Hereafter, instead of soda take a little "Phillips Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." Twenty-five cent and fifty-cent bottles, any drugstore. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Co. and its predecessor Charles H.
