

Beavers Slam Out Four Homers and Win 4th Straight

PORTLAND, April 16, (U.P.)—The Portland Beavers hammered out four home runs and took the fourth straight game from the Hollywood Stars six to four here this afternoon.

Elmer Smith slammed out a pair of homers, while Manager Ernie Johnson and Al McCarty contributed one each. Only eight hits were gathered off the delivery of Jacobs for the Stars, but half of them were out of the lot.

Lingrel was relieved by Orman in the ninth when the bases filled with two on.

"SATAN TOWN" FILM IS LIKE REAL LIFE

That even today, and on the fringes of our most prosperous and respectable communities, vice and degradation is being commercialized and fostered by those financially interested in "making it pay," is proven by a recent dispatch from Oakland, California, describing a raid in a nearby town, Alvarado, where it was said a gambling, liquor and redlight district of several blocks was finally wiped out by concerted action of the police and the better elements of the community.

This is the theme of "Satan Town," Harry Carey's latest starring feature at the Liberty theatre Sunday, but those who might doubt that such conditions exist inside our borders, have only to watch the newspapers, where frequently appear such stories as the one describing conditions, now past, in Alvarado, California.

UNION BALL PLANNED
The Plumbers and Steamfitters annual ball will be given at Altamont pavilion, Friday, April 22. It was announced Saturday. Hal Blackburn's band will furnish the music for the occasion, and refreshments will be served.

The union has printed clever programs, listing 50 dances and four extras, beginning with "Call for a Building Laborer, Local 117," and ending with "Steamfitter's help."

HUGGINS WOULD CHANGE HURLER'S NAME

GEO. PIPGRAS

With the Saints, a second division club, he won 22 and lost 19 "Pippin" of Pipgras.

By NORMAN E. BROWN.

It has been mentioned before that the uncertain qualities of Mr. Miller Huggins' pitching staff gives him his chief worry. His problem was lessened a trifle when Herb Pennock put a two-year contract after finishing second to Eddie Roush in the holdout free-for-all. But Hug still needs a consistent winning hurler to team with Pennock, Hoyt and Shocker.

And in George Pipgras, purchased from the St. Paul club last year, Hug hopes to find this fourth man.

Pipgras is no newcomer to the big show but this is in his favor at this time. Huggins feels that at last he has acquired the ability, poise and experience needed to carry him through.

"Pip" entered the majors in the spring of 1922 as a rookie with the Boston Red Sox. It was his second season in pro ball.

In the spring of 1923 the Yanks grabbed him and have kept a string on him right along. He was with Nashville two years ago and with St. Paul last year. Huggins hopes to make a

LILLIAN GISH STARS IN "SCARLET LETTER"

Lillian Gish has not only grown in fame but also in stature since her first phenomenal success in "Birth of a Nation." During her rise to fame she has grown between six and seven inches.

She plays Nathaniel Hawthorne's tragic heroine, "Hester Prynne," in the new Metro-Goldwyn-Mayer production now being shown at the Orpheus Theatre.

The production was staged on a lavish scale, hundreds of people appearing in the big pillory scenes that climax the dramatic story.

duction now being shown at the Orpheus Theatre. It is a dramatic story of a Puritan woman who, to shield the man she loved, bore a brand of shame on her breast for a lifetime.

Victor Seastrom directed the play, in which Lars Hanson, the famous Swedish star, is making his American debut. The cast includes Waltball, Karl Dane, William H. Tooker, Marcelle Cordy, Mary Hawes, Jules Cowles, Joyce Coad, Fred Herzog, James A. Marcus and others of note.

"House of David" Team to Play Here

The "House of David" ball team has been signed to play the Klamath Valley ball club Wednesday, April 27. It was announced Saturday.

This team has a record of defeating 12 big league teams, and at one time went through a season's run of 127 games without losing a single match.

"A victory over this team would mean a lot to the Pelicans," Manager Saunders said Saturday.

The House of David colony is located at Benton Harbor, Michigan, and consists of some 8000 people. The team was in Stockton, Cal., when it wired Manager Saunders. The long-haired ball tossers will play Wednesday, April 27, the day before they play here, it was announced.

We aim to make the Klamath Valley Hospital contributive to the public good by efficient care of the sick and injured.

PINE TREE FILM IS ALMOST LIKE COMICS

Have you ever wondered what might happen if your favorite comic strip could come to life? If so, come on down to the Pine Tree Sunday and see W. C. Field's latest starring production, "The Pottery." J. P. McEvoy's pen and ink folk will come to life and you can meet the gang.

Pa'll be there. Ma will continue nagging Pa. Pa's sure to keep on kidding Mamie. Bill will attempt to be more than a kid and Mamie will (this is actually guaranteed) prove that she loves Red Miller. In fact, to divulge a secret, they run off and get married just as Pa becomes mixed up in the darkest mess. And, don't tell a soul, but it's Mamie who finally pulls him out of the hole.

Interested? Don't forget to go. Fred Newmeyer, formerly Harold Lloyd's director, was in charge of production. Ivy Harris and Mary Alden are featured.

The well equipped X-Ray laboratory at Klamath Valley Hospital is indispensable in investigating difficulties of the chest and abdomen.

Mission Club Cans Fighting Manager

SAN FRANCISCO, April 16, (U.P.)—"Wild Bill" Leard, fighting manager of the Mission club of the Pacific Coast league, has been given his unconditional release.

Owner William McCarthy, with the Bells in Seattle, said that the action was taken because Leard has broken training rules and because of "conduct prejudicial to the best interests of the club."

Leard was suspended during the first week of the season for arguing with an umpire. He was reinstated last week and was in charge of the team when it left here.

All Walters, catcher, has been selected as temporary manager.

Pelicans Will Meet Malin Ball Tossers

The Klamath Pelicans ball club will tangle Sunday with Andy Street's Malin tossers in the first game of the season. It was announced Saturday.

The Malin team is said to be in good condition considering the early loss of the season, and Manager Saunders is looking forward to a fast game.

Two infield men, one of them a pitcher, Chase, of Sacramento, have been added to the local club's string of players during the past week, and with the nightly work-outs the team has had, a snappy game is forecast for next Sunday.
