TOM MIX FILM WAS TAKEN AT A RODEO

Tom Mix is popular in and around his home town.

Thirty thousand from Los Angeles, Hollywood, Beverly Hills, Santa Monica, Ocean Park, Venice, Redondo Beach, Long Beach, Glendale, Pasadena and other suburban towns, crowded to Fox Hills when Mix and his cowboy outfit staged one of their famous rodeos at the opening of the gates in the new \$300,000 Spanish wall at Fox Films studio.

The broncho busters put on a program of horsemanship novelties which they had been developing especially for "The Canyon of Light," which will show at the Liberty theatre Sunday. These new stunts in the saddle won round after round of applause and Mix and his riders responded to many encores.

Among the actors in "The Canyon of Light" were Dorothy Dwan, Carl Miller, Ralph Sipperly, Harry Norton, William Walling, Duke Lee, Carmelita Geraghty and the broncho busters.

PIRATES STILL LEAD IN NATIONAL LEAGUE

(By United Press)

The Pittsburgh Pirates continued to increase their lead in the National league Friday, defeating the Cincinnati Reds at Forbes field 3 to 1. Lee Meadows defeated Adolfo Luque in a closely contested game. The result raised Pittsburgh's average to .875 and reduced Cincinnati's to .125.

The helplessness of the Boston Red Sox once more was demonstrated before a small crowd at Fenway park, when the Washington Senators won a hollow victory 7 to 3. Stan Coveleski started for the visitors and was relieved by "Firpo" Marberry, the Senators' famous reliever hurler, in the seventh. The Sox got but six hits.

The well equipped X-Ray laboratory at Klamath Valley Hospital is indispensable in investigating difficulties of the chest and abdomen.

Golf Tournament For Women Starts

With the advent of pleasant weather, which means golfing weather, Billy Wade, golf "pro" at the Reames Golf and Country club, announces the qualifying round for women with the opening of the ladder tournament starting at 9 o'clock Thursday morning.

Wade is making good in the course which he anticipates will be the best in southern Oregon within a few months. The first time around the course, and the second time as well, Wade made it in 37. According to golfers who have been watching Wade's style, he is good enough to enter the Oregon state open tournament to be held in Portland early this summer.

Home Run in 11th Gives Seals Game

SAN FRANCISCO, April 22, (U. P.)—Stokes' home run in the eleventh inning drove in a man ahead of him and gave the Seals the series. The Oaks had scored in their half of the eleventh, and seemed safe for their third extra inning of the week, until Stokes' clout changed the outlook.

Sacramento made four straight over Los Angeles. Hollywood scored four runs in the eighth inning and defeated Seattle 7 to 6. Mission won a slugging match from Portland, 19 to 5.

Salesmen who contemplate selling goods to Indian boys of minor age, should first of all, before talking to the boys, have the consent of either the guardian of the boy or the superintendent of the reservation. In the past, through disregard of the above, many an unjust sale has been made, and in order to guard against any unfairness in the future, we ask the co-operation of all salesmen who come to the reservation.

Tunney's Back and Ready for Battle; Holds Little Fear

NEW YORK, April 22, (U. P.)—Distressing news of the survivors of the heavyweight elimination tournament was broadcast by Gene Tunney, returning here from a vaudeville tournament.

"It was really most distressing," said the champion, "to find wherever I went a certain number of people ready to believe the canard that I was possessed of super intelligence, with the instincts of a showman rather than of a fighter."

Tunney is a trifle tired of the footlights, now, and ready for battle.

"I will prove in the ring that the impression of my high battiness is erroneous," said Tunney.

"Of course, to reasonable men I have only to point to my record. I knocked out three men who never before had taken the count—Bartley Madden, Tommy Gibbons and Jeff Smith, and if it is necessary I'm willing to keep right on."

The champion repressed a smile when asked his opinion of the winners of the winter bouts to determine a logical contender for his title.

He is not given to belittling, but he admits he expects to be the title holder a year from now and then some.

It may be that Tunney will be satisfied to prove his fighting heart by causing some British heavyweight to dive for the resch at Wembley stadium in June.

Gene said he proposed to appear in London in an exhibition bout while the last of the heavyweight contenders in this country were completing the business of elimination.

"When I return it will be to fight for Tex Rickard, of course, and no one else. Naturally I am bound by my contract and anything to the contrary is without foundation," said the champion.

On the matter of the comparative merits of the remaining con-

tenders for his title Tunney remained discreetly silent.

"If I praise one I make the other sore," he said. "When I was a contender and Jack Dempsey said anything favorable about Harry Wills or Jack Delaney, I would boil with rage."

There is undercurrent of belief in the Tunney entourage, however, that Paul Cuckosky, the Boston Polack, will be the ultimate survivor and the recipient of the champ's favors some dark September night.

Mr. Cuckosky, whose fighting name is Jack Sharkey, is rated somewhat higher than his fellow townsman, Jimmy Maloney, by those close to the title holder.

TRACK MEET PUT OFF

MISSOULA, Mont., April 22, (U. P.)—The quadrangular track meet to be staged at Spokane Saturday with Montana, Washington State College, Idaho and Gonzaga competing, has been indefinitely put off because of weather conditions.

The postponement will benefit Montana, however, as it will give them a chance to send more relay teams to the Washington relay carnival, to be held in Seattle April 29.
