Indians, Angels Take Ball Games

SAN FRANCISCO, April 28. (U.P.)—Seattle and Los Angeles won their games Thursday in the tenth innings after their opponents had tied the score in the ninth.

"Doc" Wright won a pitching duel against Pilette here and the Angels defeated Mission 3 to 2. The Indians won over Portland was decided in the same manner and by the same score.

Both San Francisco and Oakland moved nearer first place as a result of the Oaks' defeat of Sacramento. The 11 to 2 victory was Oakland's third straight victory over the league leaders. The Seals, now two games behind the Senators, defeated Hollywood, 5 to 2.

Pelicans to Play Away from Klamath

The first two games played by the Klamath Pelican baseball team will be on foreign soil. It was learned here Thursday following the return of Manager Sandy Saunders and Doc Noel from the valley, where the Southern Oregon league schedule was adopted.

The first league game of the season falls Sunday when the Pelicans will meet Medford at Medford. The following Sunday the local squad will trek to Grants Pass for a scramble with that aggregation of stellar baseball performers.

Incidentally, it was announced Thursday that while Ashland withdrew from the league, Gold Hill fans got together and put up the necessary funds to back the Ashland players. Whether the team will go under the Ashland banner or a cognomen from Gold Hill, is not decided.

The probable line-up for the game at Medford Sunday is, Chase, p; Peterson, c; Brown 1b; Brady Montgomery, 2b; Duhaack, 3b; Powell, ss; and Fuller, Marjowe and Foss, outfield.

"MEN OF PURPOSE" IS POWERFUL FILM

Months were spent in thorough research work, and only the most thrilling, educational scenes were chosen for "Men of Purpose."

The scenes are all authentic, having been taken by the photographic sections that were attached to the forces of the different countries. In the endeavor to present the picture according to facts, the assassination of the Archduke Ferdinand and his morganatic wife, the Duchess of Hohenburg, were staged at Sarajevo, Serbia. Extremely interesting are the pictures of the bullet and shell-marked camera that was used in

Freaks Feature in Big League Games

(By United Press)

Freak games of every variety featured the big league engagements of Thursday.

Perhaps the weirdest was at Pittsburgh, where the Cubs, after getting three runs in the first inning, put across nine in the second, finally winning 16 to 4.

The Pirates used four pitchers in vain.

As a result of Pittsburgh's defeat, the Giants took a clear title to first place by beating the Boston Braves 4 to 3. Roush's homer and Farrell's double won the game.

The Phillies came from behind in the ninth inning to score five runs, Wrightstone hitting a homer with the bases filled, beating Brooklyn 8 to 4.

Carl Mays of the Reds held St. Louis to five hits, but the world's champions beat Cincinnati 3 to 1.

The Athletics made 15 runs and 15 hits off six Washington pitchers, defeating the Senators 15 to 7.

Although "outfit," the Tigers knocked George Uhl out of the box in the seventh, scoring five runs and beating Cleveland, six to five.

Thomas of the White Sox beat Zachary of the Browns after an 11-inning pitching duel, the Sox winning 2 to 1.

the taking of the remarkable close-up shots of the Russians on the Eastern Front. The closeups of the Doughboys cleaning out German machine gun nests at the point of the bayonet in the Argonne Forest are weirdly thrilling.

The German scenes alone are astounding in their vastness, millions of troops goose-stepping into action, you see the Kaiser beseeching, forcing, compelling his generals to obey his commands.

"Men of Purpose" must be seen to be appreciated. What finer appeal of loyalty, or duty could be shown to the world?

See it at the Pine Tree today.

Long Beards Score Heavily in Medford

The Denton Harbor team of long beards who succumbed to the superior playing of the Klamath Pelicans here Wednesday afternoon to the tune of seven to one, displayed a different brand of baseball for the Medford squad Thursday and walloped the valley team 15 to 2.

This is according to word from Medford late Thursday night. The report was encouraging to the local team which is to meet Medford in the valley Sunday for the first league game of the season.

A dry field and better playing conditions were ascribed as part of the explanation for the heavy defeat which the House of David boys handed Medford.

DEMPSEY REPLIES TO SUIT CHARGES

LOS ANGELES, April 28. (U.P.)—Jack Dempsey, former heavyweight champion of the world, Thursday filed answer to a suit brought against him by Morris Shewitt, who claimed Dempsey owed him several hundred dollars for tickets he purchased to the Dempsey-Tunney fight at the ex-champion's request.

Shewitt claimed he had been commissioned to purchase tickets for Dempsey, but when the fighter found they were in the 54th, instead of the 24th row, he refused to accept them.

If Men Planned the Desserts

I'm inclined to think that if the men of the family planned the desserts, there'd be a big decline in the use of whipped cream and candied cherries, but a corresponding increase in food value.

The trimmings and flourishes which seem to most women so important a part of a dessert are pretty much wasted on the men of the family. Give them good, wholesome food—unadorned—and they are content.

There's a golden opportunity to work into your desserts the extra milk needed to bring each member of the family's quota up to the prescribed quart a day. Custards and milk puddings, bread pudding, blanc mange, caramel tapioca—all of them call for a generous use of milk and add food value to the menu. Today I give a recipe for a delicious Lemon Rice Cream. Made with Carnation Milk, it has a richness, a smooth delicacy of texture that even the best of bottled milk cannot equal.

How "Homogenization" Helps
Carnation Milk is simply the purest of whole milk, produced in some of the finest dairy districts of Oregon, evaporated to double richness and sterilized for safe-keeping. It is also "homogenized"—the cream content broken up into minute particles and distributed throughout the milk, giving

every drop its generous double share of enriching cream. The extra-fine cream particles give an extra-fine, smooth texture to all foods in which Carnation Milk is used.

I want you to give Carnation Milk the severest test. You'll find it more convenient, more economical, more dependable than milk in any other form. Or if you have confined its use to special dishes which you have discovered are notably delicious made with Carnation, let me help you extend that deliciousness to all your cooking. Let me send you free the Carnation Cook Book—"My Hundred Favorite Recipes." Address Carnation Milk Products Co., 474 Gilean St., Portland.

Carnation Lemon Rice Cream

1/2 cup rice, 1 1/2 cups Carnation Milk, 1 1/2 cups water, 1/2 cup sugar, grated rind of 1/2 lemon, 2 1/2 tbsp. lemon juice, 1/4 tsp. salt, 2 eggs, 3 tbsp. powdered sugar, 1/4 tsp. lemon extract. Soak washed rice 1 hour in cold water. Drain; add milk, water, salt; cook in double boiler until rice is soft; add sugar, rind, lemon juice, slightly beaten egg yolks. Cook until thick (about 5 minutes); put in buttered baking dish; cover with meringue of egg whites, powdered sugar, lemon extract; brown in 300° F. oven.

Men Want Real Food

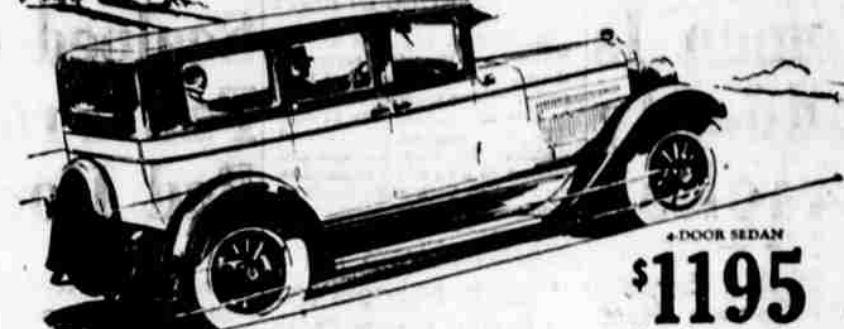

FEWER frills and more "regular" food—that's what most men want. Let Carnation Milk, "the safeguarded milk," help you to put greater food value into the plain cooking that men like best.
