MAY FETE TO BE ATTENDED BY THE OREGON GOVERNOR

Of paramount interest this month is the May fete of Klamath county high school which has been postponed from the past week to Wednesday afternoon, May eighteenth when Governor Isaac L. Patterson and his wife, Mrs. Patterson, and a party of prominent visitors will be the guests of honor.

Through the chamber of commerce the date of the May fete was postponed, and well it might have been for the gods of weather did not smile with interest upon the mortals of this world and rain fell in torrents and the wind was most cold and unattractive to the tastes of the queen's court.

Plans have been made for an elaborate fete and Queen Lorraine will rule over a loyal kingdom from two o'clock in the afternoon until almost midnight Wednesday. Following the fete, where there will be a charming representation of girls in folk dances, ethnic numbers and several stunts by the grade schools, Queen Lorraine, Prime Minister Zed Barnes, and the court of fair maidens, will be guests of the chamber of commerce at the seventh annual community dinner to be held in the Fremont school auditorium.

All hail Queen Lorraine, the second fair majesty to reign over Klamath Falls, and greet her court with homage befitting such charming maidens!

Friendly Thoughts By Towey & Harrington

ONE outstanding feature in the lives of good great men, is their love for their mothers. That arresting spot upon the calendar known as Mother's Day, should cause every man to prove his love by constantly doing the little kindnesses that will reward Mother for her years of unselfish labor and faith, remembering that a personal attitude toward Mother is often the standard by which their fellow men judge them.

Rather than assert our qualifications for your approval, we would have you talk with those whom we have served.
