May Come To U.S. In Ten Days

Flyer Abandons Plans for European Tour and Will Soon be ready for

LONDON, May 30, (UP)-Captain Charles A Lindbergh will probably be home in about ten days to receive the wel. come of New Yorkers, and presumably will return to San Diego by way of St. Louis. The proposed European tour of the world famous flyer has ended, he announced here today, although he expects to fly to Paris to say farewell be-

fore going home.

The vessel which is to carry Lindbergh to New York has not yet been decided upon. He may chouse between a liner and a United States

but not altogether, despite Ambassador Househion's elaborte pre-cautions. A crowd of several thousehion a waited his "socret attendance" of Memorial day exercises here. And a pretty girl broke through the police lines as Lindbergh left the American embassy; and disconcer ed the handsome here with an attempted kiss which he with an attempted kiss which he ducked, accompanying by a hug

which he did not want.

Like the Prince of Wales' occassional practice, the trans-Atlantic
flier was traveling incognite most of
the day and with the same lack of

Several thousand awaited his un-Several thousand awaited his un-announced appearance at the exer-cises, but they caught only a mom-entary glimpse of him when he em-erged hastily by a side door. With Houghton, the flyer then proceeded hastily the several hun-dred yards to Westminister Abbey.

He stood stiffly while the deplomat placed a wreath upon the tomb of England's soldier.

Spectre of Death

SAN FRANCISCO, Cal., May 30, SAN FRANCISCO, Cal. May 20, (U.P.)—The grim spectre of death stalked among merry holiday crowds on the Pacific coast yesterday when Sunday alone counted 28 tragic deaths, seven of them murederd.

Drowning and suicide claimed six each, while the automobile took tive lives and injured besides, a mumber of others, some of them perhaps fatally.
