Idol Gets STOCKTON, June 11.—A live beetle with a coating of gold on both sides of tile body is the latest curt-only being displayed in Sonora. The bottle was discovered by an old Sonora prospector. Hubert shaw, and was turned over to H. H. Sherard of the county horticultural commissioner's office. Sonorans may name their new pet Weepah. Just now they are puzzled as to how to keep the bestle alive and if the insect doesn't start eating the various kinds of food that have been placed before it soon, entomological advice is going to be needed to outsage from Europeans. BY OLD PROSPECTOR Won't Be On, Trial With Hugh Ray and Roy D'Autremont to be Held in going to be needed to outsage from Europeans.

sage from Europeans

WASHINGTON, June 11 (AP)-Idol of a nation and hero to all the world, Charles A. Lindbergh returned today to his native America to receive the welcome of a homecoming conqueror.

His entry into the national capital over a roadway that has known the tread of victorious armies and the passing of kings and of presidents was one of sublime triumph.

Hundreds of thousands. straining impatiently against police barriers, tumultuously acclaimed the blonde young viking who conquered the air agent stated.
