

### Sugarman's Fall Opening Success, Continues Tonight

With a continuous line of Klamath Falls citizens eager to see what the smartly dressed men will wear this fall fitting in the K. Sugarman clothing store last evening, the twenty-third annual fall formal opening commenced at 8 o'clock and lasted throughout the evening.

Visitors after viewing the attractively furnished display windows of the store, entered an autumnal atmosphere and were greeted by K. Sugarman and his staff of clerks. Within the store were many models depicting the authentic colors and weaves in men's fall fashions. Each guest was presented with a flower by Mr. Sugarman's youngest daughter.

In the back of the large store, Ashworth and his Altamont band furnished music for dancing throughout the evening.

At the close of the evening Harry Peltz, Jim Daugherty, Jack Morrison, Kenton Hamaker and Frank Hall were voted the best dressed men who attended. This best dressed man contest continues at the second evening of the formal opening tonight. The winner will be presented with a \$35 suit or overcoat. The second best dressed visitor will be given a choice of a \$10 hat or pair of Florsheim shoes.

### Stolen Auto Recovered Here

Two cars reported stolen to the sheriff's office Wednesday were again in the possession of their owners last night.

The Hupmobile sedan, belonging to Thomas Dillon, of the Willard hotel, was not stolen, but had been borrowed for a short time, according to word from the office of the local agent of the insurance company with which the car was insured.

A Hudson coach, belonging to R. Hazelwood, Lakeview, was found about a mile north of the city yesterday. The thief apparently had been afraid to bring the car into the city and had abandoned it by the side of the road. The owner arrived and took possession yesterday.

More than 5000 people flew in British aircraft during 1927, and only five lives were lost in accidents to civil machines, including testing and racing.

### University Boys Hold State Titles

Don See, left, and Brad Harrison, University of Oregon star athletes, are the only two collegians to jointly hold the state titles in golf and tennis. See is state golf champion and one of the outstanding golfers in the country. He was runner-up to Dr. O. F. Willing, of Portland, for the northwest honors, and qualified in the national tourney. Harrison won all five northwest open tennis tournaments, including the Oregon state championship, and at present is in the south defending his California state title.

### Malin, Bonanza to Have Cafeterias

I take my prescriptions to the Pelican Drug store and they are always right. Try them and you will also be satisfied.—Adv. 18-4f.

### Pep Rally Tonight, Football Saturday

Tonight Klamath union high school students will hold a pep rally in anticipation of the football game tomorrow with Alturas high school's gridsters.

The game to be played on the field at the county fairgrounds, will start at 2:30.

Coch Al Sinclair, of Klamath high, expects the Alturas team to be strong opponents for his team, which has held few scrimmages so far this year, to prevent injury to the players who have not yet hardened themselves for the season's grind.

However he reports that the Klamath warriors are coming along fine for so early in the season. He plans to play about 30 men in the game tomorrow. This is not a conference game and he will use it as an opportunity to test the players.

Games are scheduled for the next four week-ends. The following Saturday Ashland will play here; the week after that the Klamath team will journey to Grants Pass for a contest, and the week following the Grants Pass game Dunsmuir will play here.

### Large Buck Shot By Henry Burke

Been hunting yet? Any success?

Some hunters are finding them and getting some of them. Yesterday Henry Burke, Edwin Otto, and "Dad" Acher, all of Pelican City, saw five bucks in the Green Springs Mountain district.

They were successful in bagging a seven-prong buck, fat as butter, and weighing 195 pounds when dressed. It required the efforts of all three to tote the game to their waiting automobile when they returned to the city to live on venison for a while. Burke made the lucky shot.

### At the Liberty

Should war sever the ties of friendship? Is the spirit of brotherly love stronger than the enmity of nations? "His Foreign Wife," showing today at the Liberty theatre, is a story of brotherly love.

Such an experience befalls Johnny Haines, played by Wallace MacDonald, in "His Foreign Wife," a story of war's emotions, depicting the romance of an American doughboy in the Army of Occupation and a German fraulein who is looked upon by his people as an enemy. This latter character is portrayed by Greta von Rue, a newcomer. Edna Murphy, Lee Shumway, Elsie Bishop, Charles Clary and others contribute other important impersonations.

### Slater Harvests Wealthy Apples

Another evidence of successful fruit growing in Klamath county may be seen in the windows of the Jack Slater Investment company on South Seventh street, where three large red apples as large as cantaloupes are on display.

These apples were grown in the orchard of the Slater ranch, which is located at the junction

of the Merrill and Ofene highways. They are of the Wealthy variety, which is one of the few kinds of apples being grown in the large orchard. Slater states he has had a good crop this year, harvesting about 175 boxes.

### At the Pine Tree

On the Stage

The program of the Dixie Jubilee Quartet includes a goodly number of plantation melodies for which their voices are so peculiarly adapted. However, while the folk-lore songs are favored the program is interspersed with many humorous and popular selections, as well as attractive features. This combination, together with a very fine strain of

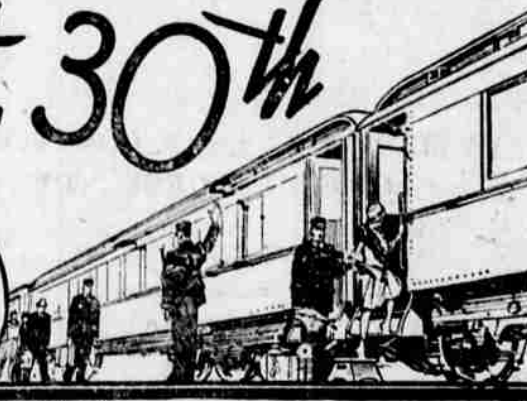

light comedy, makes a happy combination.

On the Screen  
Billie Dove is sold as a slave for a purse-full of gold in "The Love Mart," now at the Pine Tree theatre.

Gilbert Roland and Noah Beery, with Miss Dove, have the leading roles. Emil Chautard, Armand Kaliz, Boris Karlof, Andre Lancy, Raymond Turner, Paul Vincenti, Robert Schnable and others appear in the cast.
