

Pelicans Win Two Tilts from Merrill Chiloquin Fives

PELICAN CITY, Jan. 5. (Special)—The Pelican City Pelicans pulled an "Iron Man" tonight at the Pelican City gym. They played Chiloquin and then took on Merrill for good measure, beating both teams by good scores. Pelicans 42, Chiloquin 17; Merrill 30, Pelicans 65, were the final scores.

The Pelicans need much practice to put them in the pink but we expect them to round into shape in a short time. Ed Arthur, coach, stated.

All players played good ball and many shifts were made to give every one a chance.

In the first game with Chiloquin, Red Wenner and Louie Anderson played an excellent game as forwards with Wenner as high point man with 16 points. Louie dropped in 10. Peterson had little trouble in getting the tip-off and played a good checking game. Benson and Wakeman who started as guards held their forwards to nine points. Dewey, Hoxie, Patterson and Martz going in during the game showed well and will hold their own with the men in this league.

Hendrickson of Merrill refereed the game. Jess Moore was time keeper, and Dan Howard kept score.

John Graves was high point man for Chiloquin with 11 and Redford a close second with 7. All the men on the Chiloquin team played a very good game.

The lineup: Pelicans: Anderson 10, Wenner 16, Peterson 5, Benson 5, Wakeman 3, Dewey 0, Hoxie 0, Patterson 2, and Martz 5.

Chiloquin: Taylor 5, Jones 4, Redford 9, Harold Graves 8, and John Graves 11.

The second game, which was

fast and looked bad for the Pelicans for a while, was won by the Pelicans 65 to 30.

In this game "Little" Louie Anderson was high point man with 21 points. Wenner was second with 16. Anderson just could not be stopped and when he shot they dropped in and from any angle. Wenner passed in this game more and helped Anderson while he wasn't dropping them in for himself. Peterson could not get started in this game till the last quarter when he dropped in six points in succession. Peterson got the tip-off in this game and looks fair to doing it all season.

Wakeman, playing as guard for the Pelicans was fast as lightning and stopped plays that looked sure. Benson was shifted to a forward position for part of this game and showed well. He will fill a hole here when a sub is needed. Patterson worked a good game at guard and knocked down shots well on their way to points. Martz showed better in the second game and checked many starts. Kvorton, a new man, was used in this game and will be given other opportunities to show his ability.

Kiger and Cowell were tied for high point Merrill men with eight counters each. Merrill has some very good players and will give any team in the league plenty of trouble. They threw a scare into the Pelicans by leading them with eight points before the Pelicans got away.

The lineup: Pelicans: Anderson 21, Wenner 16, Peterson 5, Benson 12, Wakeman 4, Patterson 0, Kvorton 2, Martz 0.

Merrill: Hulse 4, Hulse 0, Kiger 5, Balin 0, Jackson 6, Hibe 4, Hendrickson 0, Colwell 0, and Street 0.

Must Prove Shooting
If it can establish the remains as human, the prosecution will have closed what appears to be a vital weakness.

In the death of the Mexican youth, the state has established corpus delicti through the findings of the desecrated body in Los Angeles county, but it has not yet shown that the bullet wound in the corpse was inflicted on the Northcott farm.

It will call upon Captain Edward C. Crossman, international famous ballistics expert, to show that a bullet fired from a revolver found on the farm made the wound.

In a room at Allison hospital, Rickard lay in a critical condition after a relapse from the gallstone appendicitis operation. A turn game next Friday as a preliminary to the Ashland Normal-Pelican City game.

Scores made in the game last night are:

Rinky-Dinks: Bene 4, Buchanan 0, Borland 2, Muskoft 0, Nani 0.

Lambs Mill: N. Kalluss 2, Nelson 0, E. Kalluss 4, D. Nelson 4, H. Nelson 0.

bulletin said the outlook is grave "but not entirely hopeless."

A toxic condition, high pulse and temperature were disturbing factors.

Outside the room, Jack Demp-

sey, who was made a millionaire by Rickard, and others waited anxiously.

Everything had been done that is possible to save his life.

Mueller to Be Indian Officer

Battery

20% to 30%
More Power

Due to a new combination of battery oxides, developed by our engineers, Wizard and Western Giant Batteries have 20% to 30% more cold weather starting power than average standard batteries. This means an instant response of hot surging power at the touch of the starter button. It means faster spinning of your starter, and those extra turns that will start the coldest motor... and hotter, fatter sparks that fire every cylinder instantly and surely.

Super-Six Owners to pit it against all
that motordom has to offer.....

24% Greater power — Over 70 miles an hour — Hydraulic shock absorbers all around — Effective double action four-wheel brakes, the efficiency of which is not affected by water or mud and which permit positive car control by the slightest foot pressure — Larger, roomier bodies — Seats easily adjustable to comfortable driving position — Electric gas and oil gauge — Instant starting regardless of weather — New radiator, with shutters, of course — All bright parts chromium-plated — New easier steering — Greater economy in fuel and oil.

IN FAST GET-AWAY—no car is expected. IN SPEED—anything the road offers up to 70 miles an hour. IN HILL CLIMBING—against any car you choose. IN APPEARANCE—match it for smartness with costlier cars. IN EASE OF DRIVING—note smoothness of motor—ease of steering—roadability and effectiveness of brakes. IN ENDURANCE—60 miles an hour all day long is well within its range.

One million owners know the special advantages of the Super-Six. They are best qualified to compare the Essex the Challenger. To them we offer first opportunity to test the most powerful, the largest, roomiest, smoothest, easiest riding—most complete Essex ever built. But all motordom must be astounded that even with seventy-six notable improvements, the price is the lowest in Essex history—a price but little above the lowest-priced car on the market.
