Victor W. Johnson, recently appointed assistant county agent, arrived Sunday, and yesterday took up his duties at the office of the county agent.

Local Man Is Recovering From Meningitis

Bert Schwartz who has been confined in the Isolation Hospital with spinal meningitis for the past seven weeks, is now able to be out of bed and in a short time will be fully recovered. When he was first taken sick he was under medical treatment for sixteen days and gradually growing worse. At the end of that time Doctor Mather, chiropractor, was called and since then he has gradually improved thru scientific chiropractic methods and he will soon be in perfect health again.

NEWS OF KLAMATH COUNTY

Written by Special Correspondents, Exclusive to the Klamath News

DAIRY

MRS. EMMA McCUMBER News Correspondent

DAIRY, Ore. (Special to the News)—Earl Tilred was a Bonanza visitor Thursday morning. Mr. and Mrs. Frank Glose of Klamath Falls were visitors at the Jones home Wednesday.

Miss Jeannette Smith of Dairy returned to Ashland Wednesday to continue at Normal school. Mr. and Mrs. Stochler drove Miss Smith to Ashland in their car. They said it was raining and snowing alternately in Ashland and on the mountain. The road on Green Spring mountain was very icy and made driving rather hazardous.

Jack Marshall was a visitor at the Jones home Friday. Harold Flackus and Buck Lovelady of Hildebrand were visitors at the Stochler home Friday.

The girls of the Dairy school have formed a sewing club. The members are Lucille Ward, Marjorie and Mildred Burdorf, Virginia Jones, Verda Huff, Orfa and Nina Olden, Elinor Breuner and Clara Stochler. Miss Simmons, the teacher, organized the club and plans to have a costume party and wicker roast when it snows again.

Orlan McCumber and Earl Alford were in Bonanza Friday. Mr. Alford went to do some trading.

Albert Burdorf was a Klamath Falls visitor Thursday.

Mrs. Charles Burdorf, the former Dairy school teacher, and Mrs. Albert Burdorf were visitors at the Dairy school Thursday.

Earnest Arant of Pine Grove, Albert McCumber and Franklin Arant were in Klamath Falls Wednesday night to attend the dance at Moose hall.

Mr. and Mrs. William Jones of Pine Flat and Mr. and Mrs. G. G. Anderson of Dairy joined the grange some time ago. They were initiated at Hildebrand Friday night.

William Wright, retired farmer of Dairy, is a Klamath Falls visitor.

Mr. Fonters and son Alvie hauled wood Wednesday and Thursday.

I take my prescriptions to the Pelican Drug store and they are always right. Try them and you will also be satisfied.—Adv. 18-17

POE VALLEY

MRS. EVA ROBERTS News Correspondent

POE VALLEY (Special to the News)—Mrs. John McFall is quite ill at her home with measles and flu. Jack McFall has just recovered from an attack of measles.

Mr. and Mrs. J. B. Short is expecting to leave for Medford next Sunday. They are going to stay there for awhile to see if the climate will benefit the health of Mr. Short, who has been ill most of the winter. His many friends hope for a speedy recovery.

Rex High and Joe Taylor were busy on Wednesday draining the water from the Market road near their ranch.

Mr. and Mrs. Francis Freuet were shopping in Klamath Falls on Wednesday.

Mr. and Mrs. Eddie Roberts delivered hogs to Klamath Falls Thursday.

There is a new teacher at the Lower Poe school, Mrs. McDonald, from Ketchikan, Minn.

Fred and Lee Roberts were visitors at the Cecil Day home one day this week.

William Roberts is recovering very slowly from his recent illness.

Cecil Day has returned home from Clear Lake, where he has been employed by Bill Simms.

Marjorie Mitchell had quite a serious accident last Saturday when she failed to see a small clothes line stretched across the porch at the J. B. Short ranch and ran into it, knocking her unconscious for a short time and bruising her face quite badly.

Mrs. Essie Keck is expecting to make a trip to Nebraska in the spring.

Leslie Ross and Irwin Ross have been quite busy the last week getting in wood.

Rex High and Joe Taylor were visitors in Klamath Falls Saturday.

Ell Wolf and Louis Bernhardt are getting in their winter wood. There is quite a crew busy chopping hay on the Vogt ranch.

Joe Work is also busy chopping hay. Pete Holzhauser is helping.

Ferris Moore and Lawrence Nixon, from Sisters, Oregon, were visitors at the Earl Wabber home last Wednesday.

The roads in the valley are

getting bad from the recent rains. Mr. and Mrs. Homer Roberts and Mrs. Pauline Roberts motored to Klamath Falls on Saturday.

Ray Roberts, who attends high school in Bonanza from the valley, reports the roads very bad. The small daughter of Mr. and Mrs. H. Young of the north side of the valley was taken to Klamath Falls for medical treatment Thursday.

Ed and Fred Young were at the George Young ranch on business Sunday.

Bill Reynolds of Klamath Falls was a visitor at the C. Harper ranch Monday.

PORTLAND, Jan. 7. (UP)—A. M. Cannon, referee in bankruptcy, today signed an order directing that a suit to recover approximately \$2,275,887.90 be brought in New York against Logan & Bryan, on behalf of the creditors of the defunct Overbeck & Cooke brokerage firm.

If slow starting were the only penalty

... "WET" gasoline might do

"WET" gasolines are not "wet" with water but with heavy fractions of petroleum. They'll cause you trouble in starting—plenty of it. You use up more battery, you flood the carburetor and waste gasoline every time the engine gets cold.

But that's not all. The most serious waste and damage, you never see. Cold "wet" gasoline that can't vaporize is sucked into the motor. It runs down the cylinder walls and washes away the protecting film of oil. Down into the crankcase it goes, thinning your oil until within a few days your lubricant is likely half gasoline!

BLOW your breath on a cold mirror—see how the vapor settles. The same thing happens in your car; "wet" gasoline won't stay mixed with air when it hits the cold manifold. "Dry" Shell 400 overcomes this—it stays vaporized.

Such a needless waste of fuel, of oil—useless damage to your car!

Shell 400, the "dry" gas, overcomes the winter starting problem and in doing that it naturally overcomes all these other things.

Careful refining eliminates the "wet" parts; the result is a "dry" gas that burns cleanly. You start quickly on half choke with Shell 400. You drive in winter just as you would in summer, free from the thin oil menace. Shell 400 is costlier to make, of course, but you pay the same price for it as for ordinary "wet" gasolines. All Shell yellow and red pumps sell it—it is the only Shell gasoline sold.

Carbon deposits come from burned motor oil. If you would avoid the clogging destroying damage of hard carbon, insist on Shell Motor Oil. It forms no hard carbon—only a little soft soot that blows away

In winter five hundred miles of running often dilutes your oil 50% to 60%. If you use wet gasoline, but with "dry" gas a full thousand miles shouldn't thin it more than 10%.

Remain Healthy Use Common Sense

Statistics issued by public health bureaus confirm the belief that illness reaches its peak in the wintertime. It's good common sense to forestall sickness by keeping your medicine chest full of the reliable specifics and remedies that treat germs roughly. We've a complete stock.
