**KIRK, Ore., Jan. 12 (Special)**—The members of the Kirk Community club started the year by giving a surprise party in honor of Mr. and Mrs. Jerry O'Callaghan, on New Year's Eve. Mrs. O'Callaghan was the retiring president of the club. The party was given at the home of Mr. and Mrs. Peter Callee. Refreshments were served and Mrs. O'Callaghan was presented with a bouquet and prex card by the club members. A good many of the members were unable to attend because of illness. Those present were Mr. and Mrs. C. W. Simmons, Mrs. Elsie Burton and daughter Gene, Mrs. F. W. Calender, Mrs. Akers and Mrs. Miller, the guest of honor and the host and hostess, Mr. and Mrs. Peter Callee.  
 Mrs. O'Callaghan, who moved to Klamath Falls January 2, will be greatly missed in Kirk. She was one of the most prominent citizens, having been postmistress for the past four years. She was a member of the local school board and president of the Community club.  
 Silas Davis, government sealer, has gone to Forest Camp to scale logs this week.  
 Mrs. Earl Silvers, who has been quite ill for the past week, is much improved. She was taken to the Agency hospital last Wednesday, going from here to Chiloquin on the train, where she was met by Dr. Patterson from the Agency.  
 Mr. and Mrs. C. W. Flinn, who spent the holidays with Mr. Flinn's parents in the Sholes, returned New Year's night. Mr. Flinn immediately moved his family from Martin, where they

**MILLS ADDITION (Special)**—Little Miss Joyce Mosby, daughter of Mr. and Mrs. G. H. Mosby, was hostess at a party of little folks on her birthday, January 7. Her guests were Floyd Boyce, Bobby Boyce, Pauline Swinney, Mildred Jackson and Elva Amleke. She received many nice gifts.  
 Mr. and Mrs. E. W. Saunders and little son returned on January 1 from a holiday trip to Vancouver, B. C. where they spent a delightful vacation visiting friends and relatives. They spent some time with Mrs. Saunders' parents.  
 Kenneth Stooks returned to Gerber, Calif., after spending ten days visiting old friends here. Mrs. W. B. Youse returned on Saturday from Prineville, Ore., where she spent the last two weeks visiting friends and relatives.  
 The senior class of the Community Congregation church of the Mills addition, "The Live Wires," presented a three-act play at the Mills school auditorium on Saturday. There were two performances, matinee and evening. The title of the play chosen was "Yimnie Yonson's Yob," which depicted the trials and tribulations of one Yimnie Yonson in his connection with the "Yob." It was up to the audience to decide whether anticipation or realization afforded the greatest satisfaction in the life of an earnest worker these days. The performance lasted approximately two hours and was well attended. The players were excellent in their parts. The cast chosen was as follows: Yimnie, from "Mannessuta"—Roland Andrus Pal, detective, —Alfred Johnson Frank, clerk, —Lewis Smith Mickey, farmhand, —Chandler Berry Mr. Kent, father, —Bernard Smith Mrs. Kent, mother, —Fay Kesterson Belle, foster daughter, —Marie Cole Sylvia, niece, —Frances Berry Peg, cook, —Jacqueline French Kitty, helper, —Maxine Fiddler. Synopsis of the story: Act 1—Late afternoon in August. Act 2—That night. Act 3—Late the next day. The scene was laid in the living room of Kent's farm home.

ing hour when five new members were taken into the club. At this time it was also voted to cooperate with the Rotarians to secure an International speaker to speak in this city about March 1. Following the business meeting Mrs. E. E. Magee presided over a program. Mrs. J. Royal Shaw entertained with two solos, accompanied by Mrs. Lester Offield at the piano. Mrs. Offield then favored with several solos with Mrs. Shaw as accompanist. Two piano numbers were given by Miss Stella Alberts, predicted to be a coming favorite in city musical circles.  
 Miss Jane Sneider, best known of Southern Oregon's best known art authorities, was then introduced. Miss Sneider had her subjects before her as she talked on Professor Schreff's art exhibit which was brought here by the art department of the library club. The pictures are all water colors depicting scenes in Washington and Oregon. Professor Schreff is head of the fine arts department at the University of Oregon. The pictures are for sale at half price, and anyone wishing to take a purchase is asked to get in touch with Miss Sneider.  
 At the conclusion of the program tea was served in the parlor of the club rooms. Mrs. H. R. Perrin and Mrs. Emma Lee Mills presided at the tea table which was colorful with four red glowing tapers and contrasting carnations.

**Chrysler's New Style is Based on Authentic Canons of Classic Beauty**

Chrysler engineering has achieved something never done before in motor car design. It has searched out authentic forms of beauty which have come down the centuries unsurpassed and unchallenged and has translated them in terms of motor car beauty and motor car utility. The lengths to which Chrysler designers have gone in this patient pursuit of beauty will doubtless prove a revelation to those who have probably accepted Chrysler symmetry and charm as fortunate but more or less accidental conceptions. The Chrysler process goes far deeper than any charming but fortuitous design. For, Chrysler has left nothing to chance. Chrysler has not relied alone upon the inspiration of individual designers. Chrysler in its newest products has found that there are so many glorious precedents and inspirations in art, architecture and design, that the search for authentic and harmonious symmetry can actually be reduced to something like a scientific system in which results are certain.

New Chrysler "65"—Six body styles priced from \$1050 to \$1445... New Chrysler "75"—Nine body styles priced from \$1335 to \$2145... New Chrysler Imperial—Five custom styles priced from \$2675 to \$3475. All prices f.o.b. Detroit. (1118)

**The Outstanding Chevrolet of Chevrolet History**  
 - a Six in the price range of the four!

represents 4 years of Development and over a Million miles of Testing

Never has a new motor car come to the public more thoroughly proved in every detail than The Outstanding Chevrolet of Chevrolet History. Years ago, the Chevrolet Motor Company designed and built its first experimental six-cylinder motor. This far-sighted step was taken because Chevrolet engineers knew that the six-cylinder motor is inherently the most perfectly balanced motor—the ideal power plant to meet the growing public demand for greater reserve power, faster getaway and, above all—smooth, quiet performance. During the last four years, over a hundred six-cylinder motors—representing every conceivable type—were built by Chevrolet engineers and tested on the General Motors Proving Ground. This constituted one of the greatest series of tests ever conducted with any automobile. From time to time, the experimental models were torn down for inspection, redesigning and further testing—until the present motor was developed and pronounced correct. While the new six-cylinder motor was in process of development, other Chevrolet engineers were perfecting other parts of the chassis. And another great automotive organization—the Fisher Body Corporation—was devoting its gigantic resources to the creation of the finest, sturdiest and most beautiful bodies ever offered on a low-priced automobile. As a result, the Outstanding Chevrolet offers an order of well-balanced excellence that is extraordinary in the low-price field. From every standpoint—power, speed, smoothness, acceleration and quietness—its performance is truly amazing. Its handling ease and roadability are exceptional. Its economy of operation is so great that it delivers better than 20 miles to the gallon of gasoline. And its outstanding beauty, smartness and luxury are exciting widespread admiration. You owe it to yourself to see and inspect this remarkable car. Come in today!
