O. VON PORAT WINS DECISION

Heeney Admits Best Man Won; Chicagoan Hurts Hands

CHICAGO, Mar. 12. (UP)—Otto Von Porat, Chicago heavyweight, won the decision from Tom Heeney of New Zealand in a ten-round bout here tonight.

Demonstrating a boxing ability he had not previously shown, Von Porat held Heeney off with his long arms and pummeled him around the face and body almost at will in the fourth round the Norwegian landed several hard rights to Heeney's head which made the "hard rock from down under" halt in his tracks.

Opens Gash on Lip

In the tenth round Von Porat opened a deep gash on Heeney's lip with a sharp left hook and the New Zealander was bleeding freely when the fight ended.

The cut penetrated through the lip and left a gaping wound which required the work of several attendants to stop the flow of blood.

Heeney admitted after the fight that the best man had won.

Heeney Game Fighter

"I am fighting my way back and you can rest assured that I will get there. The best man won tonight, but you will hear from me later. I am returning to New York at once."

Von Porat said Heeney was the gamest and cleanest fighter I have ever met and by far the toughest.

"I injured both my hands on him," Von Porat said. "And I knew I had the fight won in the tenth round."

Henley to Compete In Play Tourney

The one-act play to be put on by the Klamath school is "Joint Owners in Spain" by Alice Brosh. According to information received from the Oregon campus, interest in the contest is greater than it has ever been since the tournament was started.

Schwartz Retains Flyweight Title

TORONTO, Ont., March 12. (UP)—Corporal Izzy Schwartz, recognized as the world's flyweight champion by the New York state athletic commission, retained his title by defeating Frenchy Belanger, Canadian champion, in a 12-round bout here tonight.

TILDEN, HUNTER OUT

NEW YORK, March 12. (UP)—America's two ranking tennis stars, Bill Tilden and Frank Hunter, will not compete in the national indoor championships which start here Saturday. Both stars are touring the south. Jean Borotra, French ace who won the title in 1925 and 1927, will be the favorite to repeat.

INSTEAD *of exercise*

Millions of busy men and women are keeping themselves in perfect condition nowadays because they've learned the secret of the pretzel in the vest-pocket box. It's this:

Cascarets give your bowels as much exercise as you get from an hour's hard play. They give you lasting relief from headaches, biliousness, constipation, indigestion, etc., each time you use them. Your bowels become stronger. Only pills and ordinary laxatives produce only mechanical or chemical action, which actually weaken the bowels.

Cascarets are made from Cascara Sagrada, which stimulates the peristaltic action and exercises the bowel muscles. Nothing else does this. That's why Cascarets are selling at the rate of 20 million boxes a year!—Adv.

PORTLAND, Ore., Mar. 12. (UP)—The 18th annual Oregon state high school basketball tournament will be held at Salem on the Willamette campus, according to an announcement tonight by Roy E. Cannon, secretary of the Oregon state high school athletic association.

Officials of the state association had considered holding the meet here, because of the riot that occurred at Salem following the defeat of Salem high in a district tournament.

W. E. Kirk, Oregon City, and R. H. Turner, Dallas, members of the district board, who were threatened with a "ducking" in the mill race, today received apologies from Salem high students.

The tournament will start Wednesday and continue through Saturday.

Eaton Charged In Federal Court

(Continued from Page One)

his daughter since she was 12 years of age.

Eaton and his daughter were arrested by the city police here Saturday. They had registered at two hotels in Klamath Falls as man and wife, Mr. and Mrs. William Polly.

To Leave Today

Last Tuesday Eaton brought his daughter from near Woodland Wash. under a threat that he would drown her unless she accompanied him, the girl said. He and his daughter wrote notes to Mrs. Eaton stating that they would bind themselves together and jump in the Lewis river. The girl wrote her note under threat, she stated Saturday night.

Tonight Cal Wells, deputy United States Marshal, will take Eaton to the federal jail in Portland. Miss Eaton will be held by federal authorities as a material witness.

Washington Officers Here

Sheriff Bill and Constable Robins of Kelso, Wash. arrived here yesterday to take Eaton to the Washington city to face a charge of grand larceny of a boat which it is stated was used in their trip down the Lewis river and across the Columbia.

When the Mann act charges were filed by the federal officer the Washington authorities decided to turn Eaton over to the United States court.

Someone said that 15 per cent of the people play golf. He probably meant 15 per cent of the golfers.

19 PLAYERS ON HOLDOUT LIST

Major Season Only Month Away; Some Managers Don't Care

By GEORGE KIRKSEY
U. P. Staff Correspondent

NEW YORK, March 12. (UP)—With the opening of the baseball season little more than a month away, nineteen major league players have not signed their contracts.

Only five clubs—the New York Giants, New York Yankees, Boston Red Sox, Chicago Cubs and Detroit Tigers—have all their players signed.

Six Serious

Out of the little group of unsigned players, six may be classed as serious holdouts. These include the Waners of Pittsburg, Dazzy Vance of Brooklyn, Max Bishop of the Athletics, Johnny Hodapp of the Indians and Bill Hunnefield of the White Sox.

Said Sam Jones and Goose Goslin, American League batting champion, might also be added to the list but for the fact that they have joined the Senators and undoubtedly will sign soon. Jones is asking for a salary in the neighborhood of $15,000. Goslin is not talking about the terms.

Vance Wants $25,000

The Waners are demanding $35,000 between them—$20,000 for Paul and $15,000 for Lloyd. Neither Barney Dreyfuss nor the Waners have shown any signs of capitulating.

Vance wants $25,000 for his services this season, two and a half thousand more than Brooklyn is willing to pay.

Bishop desires an increase of $2,000 over his last year's salary and has indicated he is ready to forsake baseball for his insurance business in Baltimore.

Sox Must Hurry

Hodapp, the former third baseman, who is slated to play first base for the Indians this season, and Bill Hunefield, the White Sox rosy-cheeked infielder, are far from their team's training camps but about as near ad they'll get unless they sign soon.

Secretary Harry Grabiner of the white sox told the United Press today unless Hunnefield reported at once he would be traded to some other club.

The Indians may shift Bib Falk, the former white sox outfielder, to first base unless Hodapp comes to terms.

President Doesn't Care

The Cincinnati Reds have four unsigned players—Hal Picinich, Hugh McMullen, Charley Dressen and Curt Walker. Only Picinich is missing from the squad, McMullen having joined the Reds at Fort Myers today.

Ernie Orsatti, the Buster Keaton of baseball, and Fred Haney, former Detroit Tigers' infielder, are holdouts from the St. Louis Cardinals.

"They can remain in California forever as far as we are concerned," President Sam Breadon said today. "We have offered them fair contracts."

Two Braves Holdout

With Heinie Manush due at West Palm Beach, Fla., Wednesday, the St. Louis Browns have only one holdout, outfielder Frank McGowan. The Browns have made their last offer to McGowan.

Joe Dugan, veteran third baseman bought from the New York Yankees, and Bill Clarkson, former Giants' pitcher, are holding out from the Boston Braves, but Judge Emil Fuchs said today he didn't care whether they reported or not.

Bob McGraw, veteran pitcher, has refused to accept the terms offered him by the Philadelphia Phillies.

Henri Meine, recruit pitcher who attempted to holdout on the Pirates, has drawn his release.

Deny Order Given To Arrest Pyle

URBANA, Ill., March 12. (UP)—Elmer Shoaf, sheriff of Champaign county, denied today that he had asked Los Angeles authorities to arrest C. C. Pyle, nationally known sports promoter, as reported in press dispatches.

Pyle, under indictment in connection with the failure of the Illinois Trust and Savings Bank of Urbana last fall, is at liberty under $25,000 bond.

The sports promoter came here last week furnished bond and departed without disclosing his destination. Los Angeles authorities said today he had gone to New York.

Pyle and several others will be tried shortly in Champaign county circuit court.

GIANTS' FIELD SOGGY

SAN ANTONIA, Tex., March 12 (UP)—Bogged down by the rain of the last two days, the playing field here was in no shape for the Giants to hold their daily practice game, and the workout was limited to a limbering up in the afternoon.

Speed Novice Drives Auto at 180 Miles an Hour

DAYTONA BEACH, Fla., March 12. (UP)—Lee Bible, a novice at the game of super speed, drove a 16-cylinder machine down the hard white sands of Daytona Beach at a three miles a minute rate today but failed by 50 miles an hour to equal the new straightaway speed record.

Bible drove J. M. White's triplex, former title-holder, in the tests today and his official average was announced as 180.5 miles an hour.

Yesterday, Major H. O. D. Segrave drove his Golden Arrow, a bullet-like machine, at an average of 231.36 miles an hour, to break the record made last year by Ray Keech, in White's triplex.

Bible made the south run, against a high wind, at the rate of 176.5 miles and hour and came back at 190.67 miles an hour.

Visibility was poor along the track and the high wind seriously impeded the attempt to return the speed record to the United States. Yesterday conditions almost were ideal when Segrave made his amazing record.

Association Gives Highway Reports

The Oregon State Motor association has announced that all the ferries on the upper Columbia river are again in operation, but during the daylight hours only.

In the Redding district, the free bridge at Redding is closed for this week dating Monday the 11th, in order that flooring may be completed. Traffic on the Redding-Alturas route will be maintained by detour eastward from Pacific highway two miles north of Redding.

On the Redwood highway, the bridge is being repaired at Willow Brook and detour provided during working hours, but opened to traffic from 5:30 p.m. until 7 a.m. The bridge will be completed within the next two days it is believed.

The Motor association draws attention to the fact that motorists wishing to see the blossoms of the southern district will find them in full bloom practically all over the valley of the San Jose district. The date set for the Saratoga Blossom Festival is March 22rd and 24th. The prune trees are expected to be in bloom for that event.

On the river road toward Courtland and Walnut Grove in the Sacramento district and also on the roads thru Fair Oaks and Orangevale, apricots, plums and peaches are now in bloom. The above two routes cover the best fruit country in the Sacramento district.

All this information is being constantly called for by parties planning to tour through the south at this time and the Klamath Falls branch office is kept busy keeping posted on the extent of the blooms on the southland.

Filipino Fighter Kayoes Spaniard

BARCELONA, Spain, March 12 (UP)—Luis Logan, Philippine boxer, defeated Frances Lepesant by a technical knockout in the second round of their scheduled 10-round fight tonight. Lepesant was knocked to the canvas four times. The Filipino landed several hard jolts to the jaw soon after the fight started, leaving his adversary groggy.

MOTHERS now learn value of MAGNESIA

Because it is so helpful in keeping babies and children healthy and happy, every mother should know about Phillips Milk of Magnesia.

This harmless, almost tasteless preparation is most effective in relieving those symptoms of babies and children generally caused by souring food in the little digestive tract, such as sour-belching, frequent vomiting, feverishness, colic. As a mild laxative, it acts gently, but certainly, to open the little bowels in constipation, colds, children's diseases.

A teaspoonful of Phillips Milk of Magnesia does the work of half a pint of lime water in neutralizing cow's milk for infant feeding, and preventing hard curds. Its many uses for mother and child are fully explained in the interesting book "Useful Information." It will be sent you, FREE. Write The Phillips Co., 117 Hudson St., New York, N. Y.

In buying, be sure to get genuine Phillips Milk of Magnesia. Doctors have prescribed it for over 50 years.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Chas. H. Phillips Chemical Co., and its predecessor, Chas. H. Phillips, since 1875.

GOLF CHAMPS IN COMEBACK

Farrell, Sarazan Defeat Espinosa, Dudley in Tourney

MIAMI, Fla., March 12 (UP)—Johnny Farrell and Gene Sarazen staged a remarkable comeback today to defeat Al Espinosa of Chicago and Ed Dudley of California, 4 and 2, in the international four-ball golf championship. They had started the 36 holes apparently headed for certain defeat.

The champions finished the first 18 holes this morning in the sixth annual playing of the event at the Miami Country club on even terms with their opponents, after being four down at the turn. The comeback was made possible mainly by the matchless play of the former open champion, Sarazen.

Willie McFarlane and Harry Hampton, who will play the defending champions tomorrow, eliminated Clarence Hackney and Craig Wood, 7 and 6.

Of the greater interest was the matches between Walter Hagen and Leo Diegel against Johnny Golden and Billie Burke, which was won by the former team. Henry Cluet and Joe Turpen defeated George Christ and Charlie Mayo. The scores in both matches was one up.
