CARD TRACKMEN DEFEAT BEARS

Stanford Sets 94 2-3 Point Mark to California's Score of 36 1-3

PALO ALTO, Calif., April 20. (UP)—Demonstrating the power that made her national champion last year, Stanford today overwhelmed a University of California track team, winning 94 2-3 to 36 1-3.

The "big meet" mark that has existed since 1893 was shattered by the powerful Stanford team sent to the field by Coach Dick Teumpton. The Bears defeated the Cardinals 91 to 25.

But despite the smart defeat, California tonight gloried in the fact that a Golden Bear turned in the outstanding performance of the day. This was the performance of Churchill of California, who threw the javelin 269 feet 7 inches, breaking by more than nine feet the meet record set by Joaquin of Stanford in 1928.

Tossing the javelin a long distance was the thing the boys did best today. Curdies of California threw it 283 feet 2 1/2 inches, also bettering all meet records, and despite that remarkable performance he had to be content with second place.

It was a day for record breaking and thrilling deeds which lent interest to the event despite the one-sided score.

Eric Krens, Stanford weight thrower, broke his own record of 154 feet 6 3/4 inches with a throw of 156 feet 2 inches.

Harlow Rothert, Stanford shot putter, also set another record for the "big meet" by putting the 16-pound ball 49 feet 11 7/8 inches. Glenn Harran's record of 49 feet 8 1/2 inches, set in 1921, fell by the wayside when Rothert turned in his record performance.

A bare one-fourth of an inch admitted Virgil Dowell, Stanford, to the record book. He leaped 23 feet 11 1/2 inches in the broad jump, to beat the

KLAMATH TEAM SHOOT TODAY

The rifle team of Battery D will journey to Medford today to participate in a journey between teams from Grants Pass, Medford, Ashland and Klamath Falls national guard batteries.

Each team will give a trophy and Brigadier General George A. White is donating a trophy to the winner. The Klamath Falls trophy was donated by the Lions club.

First Lieutenant D. E. Van Vactor will be in charge of the team composed of First Sergeant T. R. Gillenwaters, Sergeant Ed DeSpain, Sergeant Elroy Call, Corporal Sid Latta, and Corporal Baney.

SIMPSON LEADS RACERS

MARSHALL, Ill., April 20. (UP)—Paul Simpson of Burlington, N. C., won today's lap of C. C. Pyles' transcontinental footrace as the runners entered another state. The lap today was from Brazil, Ind., 56 miles away.

Simpson's time was 4:31:45. John Solo, Passaic, N. J.; Peter Gavuzzi, England, and Ed Gardner, Seattle, negr., tied for second in 4:51:19.

mark made in 1928 by Fred Zumbro of Stanford. Hee Dyer, Stanford sprinter, equalled a "big meet" record for the 100-yard dash today and now is joint owner with Phil Barber of California for this honor. Barber ran the 100 yards in 9.45 seconds in 1928 and Dyer did the same this afternoon.

MISSIONS HOLD WITH 5TH WIN

Angels Take Long Game From Sacs 5-2; Seals Beat Oakland

By United Press

The Mission Reds continued to hold the lead in the Pacific Coast League baseball race by taking their fifth consecutive game of the season with Portland, 4 to 1.

It was the second game of the week the Reds had successfully touched Jack Knight, Beaver twirler, for victory.

Los Angeles crept up in the race by taking a 10-inning game from Sacramento, 5 to 2. The Angels tied the score with two out in the ninth inning and won by three successive singles in the tenth by Webb, Berger and Tolson.

San Francisco tied the series at two all with Oakland by an 8 to 3 win. The Oaks used three pitchers in an attempt to check the Seals' attack.

Hollywood and Seattle were rained out.

Ashland High Beats Klamath

Ashland high's baseball crew rallied in the ninth inning to defeat the Klamath nine 13 to 11, although Klamath Falls was leading by the score of 13 to 9 when the valley boys went to bat in the last inning.

The game was marked by poor playing and "home-head" plays by both teams. It is stated by a witness of the game. A fairly large crowd attended. Young and Moore umpired. Lineups could not be ascertained.

SPORTSMATTER BY FRANK GETTY

NEW YORK, April 20. (A.P.)—The end of the first week of Major League baseball in 1929 finds the pennant contenders in the two leagues settling down to the fundamental business of winning ball games and the prospective fall enders already nose-diving towards their cellar berths.

Three clubs still have clean slates, due perhaps as much to inclement weather as to the brand of baseball they have been playing. Both New York teams, likely pennant winners in their respective leagues, and the Boston Braves, have not yet lost a game.

Cubs Hold Reputation Heavy hitting, bad weather, wild fielding, and small attendance have been four features of the 1929 season thus far.

The Chicago Cubs have lived up to their reputation as a murdering crew at bat. Stephenson, Wilson, Caylor, Hornsby and Grimm all pounding the ball hard.

Another club in what promises to be a red hot National League pennant scrap which has shown early promise of a somewhat unexpected nature is the St. Louis Cardinals.

Robins Disappoint Heavy hitting, bad weather, wild fielding, and small attendance have been four features of the 1929 season thus far.

MAYTAG - The Measure of Washer Value

WHEREVER washers are sold, you hear the Maytag used as a basis of comparison. This repeated reference to the Maytag's qualities is a tribute that should lead you to compare the Maytag with any other washer that is claimed to be as good.

Find out why other washer manufacturers aspire to equal Maytag value—why the cast-aluminum tub and gyroform action changed the trend of washer design—why the Maytag's new-type Roller Water Remover adds a new element of safety, convenience and thoroughness to washing.

In addition to the model 90 of world's leadership fame, we now have in our Maytag shops on display the new cast aluminum tub model 60. This washer has the same capacity, speed and efficiency as the famous model 90, but priced much lower. Also the new Frederick washer—a Maytag product selling in the low price range.

Here's Economy and Speed for You! in the New International Special Delivery Truck. Always better and better is the trend in truck design by International Harvester. Greater economy, longer, roomier bodies, 124-in. wheelbase, better appearance, greater driving ease, longer life—and four-wheel brakes—these and many other improvements in the new Special Delivery are made possible by the enterprise of an alert engineering staff that keeps International trucks a step ahead of the current demand of truck users. The new Special Delivery is a powerful, fast truck for hauling lighter loads—and economically! All the speed you need for the open road—with quick get-away and flexibility for the thick of traffic. If you need a thrifty, fast truck for light loads, see the new International Special Delivery, or, better still, put one to work on your job. Come in and see this truck or phone us and we'll bring the truck to you. The International line includes the Special Delivery, the Six-Speed Special, the Speed Trucks and Heavy-Duty Trucks. There are 4 and 6-cylinder engines, chain and rear drives, and the capacities range from 3-ton to 5 tons. In addition to trucks there are Motor Coaches and the McCormick-Deering Industrial Tractors.
