WINTER SPORTS DRAW CROWDS

Many Visit Fort Klamath For Skiing and Sled Rides Sunday

Winter thrills galore and not a few spills were provided sport fans who visited Fort Klamath Sunday and were shown Klamath's own winter playground. Scores of people from this city motored almost as far as Anna Springs camp to enjoy skiing, tobogganing and coasting. An expert ski instructor was on hand to give lessons to those who experienced their first thrill on skis.

A large group of Fort Klamath men, members of the Crater Lake ski club who are promoting interest in the annual ski race February 22, were busily engaged in hauling timber, clearing the roads and in keeping up the huge bonfire built near the ski slides.

The roads were open within one mile of Anna Springs camp Sunday. Motorists were able to drive the entire distance, although chains were needed, and experienced no difficulty at all. Ample parking space for the cars was afforded. The balance of the road as far as the camp will be opened by the time of the races, officials stated. From Anna Springs to Crater Lake the road is continually kept open by the huge snow plows.

Among the Klamath Falls people enjoying the winter sports Sunday were Mr. and Mrs. Leslie Rogers and sons, Donald and James; Mr. and Mrs. N. B. Drew and three sons, Mr. and Mrs. Edgar De Spain, Mr. and Mrs. Lawrence Bertram, Mr. and Mrs. Scott Warren, Mrs. Paul Evans, Frances Lore, Ralph McColloch, Roy Premo, Garrison Mitchell, Fred Pankey, John Dougherty and Mrs. Jess Bradley.

CHANGE ORDER AT REVIVAL

Dr. Homer Kellemes Gives Sermon While Brother Leads Singing

Last night was a gala night at the First Christian church. The order of the exangelistic team was changed and Dr. Homer Kellemes preached the sermon while Dr. Jesse Kellemes, who has been doing the preaching for the last two weeks, led the song service. Tonight Dr. Jesse Kellemes will assume his place in the program and will speak on the theme, "Three Answers to the Same Question."

Mrs. Inez Toledano Kellemes, who arrived from Los Angeles Saturday, has charmed the people of the city by her two beautiful violin solos. Accompanied by Mrs. Bageley at the piano, she played a lovely number. At the close of the beautiful rendition the great audience involuntarily broke into prolonged applause. Mrs. Kellemes is an artist and it is worth attending the meetings just to hear her play. She will appear frequently during the campaign.

AUDIENCE GROWS

The audiences that have been attending the meetings of late are among the largest that have ever attended such an effort in Klamath Falls. Already a large number of neophytes have been added to the church and it is expected that all the churches in the city will benefit in additions and increased enthusiasm for Christian work.

Dr. Homer Kellemes said last night in part:

"We talk about salvation and we think about it as though it were a commonplace thing. The fact of the matter is that it is an incredible thing, a seemingly impossible thing."

THEOLOGIAN RIGHT

"The old Scottish theologian was right when he said that it takes 'all the almightiness of God to save a soul.' There can be no doubt about the fact that we are right now on the edge of a great world revival of religion. The time is right for it. We have tried about everything else in the world and we have failed. We have tried materialism and it has brought us nowhere. We have tried a thousand cults of neo-philosophy and they have been meaningless. The time has come when we are going to return to the truths of God as they are revealed to us in His Gospel."

Last night a number of people were baptized and tonight there are a large number of others who will also experience this Christian rite.

What puts the fluff in fluffy muffins

It's the millions of tiny bubbles in the batter, released by the cream of tartar in your Baking Powder. Unfortunately, there are cheap substitutes for cream of tartar. They make bubbles too, but not the tiny, fluffy kind. Ask any domestic science teacher or any dietitian. Not every baking powder contains cream of tartar, for the substitutes cost a lot less. Look on your baking powder tin. See if you see the words "cream of tartar" anywhere. It's important!
