KIWANIANS HEAR ROGERS

Vocational Guidance Work Highly Praised By O.S.C. Dean

Kiwanians entertained in a "big way" at their regular weekly meeting in the Willard hotel at noon Thursday when they had as their guests all speakers who appeared on the vocational guidance program which has just come to a close at the Klamath high school. Dean H. E. Rogers of Oregon State college was principal guest and speaker. The program was in charge of the vocational guidance committee of the club, consisting of Paul Schuur, chairman, Percy Murray and Earl Reynolds.

Guests at the meeting and who have taken part in the vocational program were Allen Dyer, Maize Wetzel, Margaret Nye, Hubert Maguire, Marc Davis, John McCull, Harry Nettleton, Leslie Rogers, John Houston, C. A. Henderson, Joe Knudson, J. H. Van Winkle, W. W. Southwell, Doc Cook, Harry Borel, Rev. Arthur Eaton, W. G. Bates, Dr. George Massey, Eddie Van Sickle, Etta Farr, Mrs. Paul T. Jackson, Clifford A. Dunn, Thomas Delzell and E. A. Thomas.

ROGERS SPEAKS
Dean Rogers gave an exceptionally fine talk on vocational guidance activities and their relations to future citizenship.

"The Klamath Falls Kiwanis club is not a glib, glib, glib and glib club," he stated in commending them on the excellent work they have accomplished at the high school.

"Success depends entirely upon ability, character and determination. A driving, vigorous personality will bring success in any person in any line of endeavor," Dean Rogers said.

DO SERVICE
"The purpose of a vocational guidance program is to give students information which will enable them to adjust themselves to their job; to analyze themselves, what they want and how to get it; and to give students assistance and guidance which will aid them in selection of some vocation, future or position for which they are qualified by their manipulative and intellectual skill," he said.

Following Dean Rogers talk, Principal Paul Jackson of the high school gave a vote of thanks to the Kiwanis club and presented Paul Schuur with a gift from the high school in recognition of the work he has performed.

As a close to the program Kiwanians and their guests were taken to the high school in three buses and their pictures were taken with a group of high school seniors of Klamath county.

a chapter on how and how not to divorce your wife or husband. American divorce courts grind out more decrees than any other country save one, Russia, according to the Reich statistical bureau in Berlin. In her "New Book of Etiquette" Miss Eichler adds that politeness must oil the machinery of divorce, and make the going to Reno or Arkansas easier.

How to Get Relief From Catarrh

If you have catarrh, catarrhal deafness, or head noise, go to Star Drug Store or your druggist and get 1 oz. of "Arminit" (Double Strength); it's a "miraculous" remedy. Add to it 1/4 pint of hot water and little sugar. Take a tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostril should open, breathing become easy and the mucous stop dropping into the throat. It is easy to make, tastes pleasant and costs little. Every one who has catarrh should give this treatment a trial. You will probably find it just what you need.—Adv.
