O'Grady's Manager Tosses Towel When Geogie Lands Blows

MEDFORD, Ore., April 20. (UP)—Geogie Deon, Portland boxer, hit Gene O'Grady of Ashland on his feet in the ninth round of their scheduled ten round bout here tonight when O'Grady's manager threw in the towel and gave Dixon a technical knockout.

It was O'Grady's fight until a devastating right cross to the head in the eighth round nearly knocked the Ashland battler. O'Grady could not recover sufficiently to weather the next round, and the fight went to Dixon.

Dixon weighed 167 and O'Grady 175.

Robby Marrs, 119, Long Beach, and Pancho Villa, 167, Oakland, fought a lightning-fast six-round draw in the semi-final.

GOLF as the STARS Play It

What can a golfer do to keep from swaying?

Too many golfers have the wrong impression about shifting the weight to the right leg. I think the golfer would improve his backswing a great deal if he would bear in mind to throw the weight over against a stiffened right leg instead of onto it.

With the weight against the right leg it is only natural that the head will be kept still and the body rotate mostly above the hips. The style of Willie McFarlane is adapted to illustration.

UPSET RULE IN GAMES OF MAJOR CLUBS

Brooklyn, Cincinnati Win First Victories; Babe Gets Two Homers

BY DIXON STEWART
United Press Staff Correspondent

NEW YORK, April 20. (UP)—Underdogs had their day in major league baseball today with Brooklyn and Cincinnati scoring their first victories of the season in the National League, and the last place Boston Red Sox pounding out a 13 to 3 victory to deprive the Washington Senators of the American League lead.

Two home runs by Babe Ruth enabled the New York Yankees to defeat the highly favored Philadelphia Athletics, 5 to 4, in a fourth "upset."

CHANGES STANDINGS

The results brought numerous changes in the standings and the first week of the 1931 competition closed with Washington, New York and Cleveland tied for first place in the American League, and St. Louis leading the pack in the National.

Jim Bottomley's sixth inning home run provided St. Louis with the winning margin in a 3 to 2 game with the Chicago Cubs, and gave the Cards sole possession of first place. Burleigh Grimes outpitched Bob Smith and capped the performance by fanning Hack Wilson in the ninth.

GIANTS, BRAVES SPLIT

New York's Giants and the Boston Braves, who opened the day in a tie for first, divided a doubleheader and dropped to a tie for second. New York took the morning game, 4 to 3, with Terry's triple and a wild pitch scoring the winning run in the eighth. The second game was an old-fashioned hurling duel, with Socks Seibold besting Carl Hubbell to give Boston a 1 to 0 victory.

Boston made seven hits and the Giants six, with Boston scoring the winning run on Spohrer's long fly with the bases filled in the ninth.

Brooklyn's 10 to 5 triumph over Philadelphia saw the Robins hitting in their expected form for the first time this season.

The Robins pounded four Philadelphia moundmen for 15 hits, while Joe Shaute, former Cleveland pitcher, kept Philadelphia's 11 blows fairly well scattered.

HOMER IN FEATURE

Nick Cullip's home run with two on, two out and the score tied at three all in the fifth inning, featured Cincinnati's 7 to 5 victory over Pittsburgh. Two errors by Regan, while he was attempting to pivot a throw by Traynor for a double play in the fourth, gave the Reds their first three scorers.

Babe Ruth was the outstanding hero of the day's play and the Yankees defeated Philadelphia through Ruth's individual efforts.

Ruth put the Yanks in the same when he homered in the fourth with Larry on base, and Gehrig and Chapman added a tally. With the score 4 to 3 in the eighth and Larry again on base, Ruth hit his second homer and won the game.

PITCHING DUELS

Boston pounded four Washington pitchers for 18 hits in beating the Senators, 13 to 2. The game was a pitching duel between Crowder and Russell for the first six innings but the Red Sox got to Crowder and Tauscher for seven runs in the seventh and added four more in the next two sessions.

Cleveland brooded to a 9 to 3 victory over Detroit in the only other game played. The Indians collected 14 hits off Hoyt and Hogsett, while Hudlin coasted through and kept 12 Detroit hits scattered.

The Chicago-St. Louis game was postponed because of rain.

Lewis Throws Marshall In Kansas City

KANSAS CITY, April 20. (UP)—Ed "Strangler" Lewis, headlock artist who claims the world's heavyweight wrestling championship, successfully defended his synthetic crown here tonight, winning two falls out of three from Everett Marshall of La Junta, Col. Lewis weighed 230 pounds; Marshall, 222.

Marshall won the first fall in 35 minutes and 39 seconds with a body slam.

Lewis came back to take the second fall in 19 minutes flat with his tortuous headlock.

Marshall appeared in a daze as he entered the ring for the third and deciding fall. He had injured his left shoulder earlier in the match. Lewis again applied his headlock and won the fall in two minutes and 10 seconds.

A crowd of 19,000 persons saw the match.

Three-Cushion Tournery Opens

CHAMPAIGN, Ill., April 20. (UP)—The opening game of the 1931 national amateur three-cushion billiard tournament today was won by Frank I. Fleming of Champaign, who defeated Anthony N. Clod of Beaumont, Tex., southwestern champion, 59 to 44, in 89 innings.

In the first night game Robert B. Harper of Denver, defending titleholder, turned back H. N. Purdy of Atlanta, Southeastern champion, 59 to 21 in 66 innings.

Joe Vosmik, Cleveland Outfielder, Outstanding Rookie of Big Leagues

NEW YORK, April 20. (UP)—Simple task No. 222: Naming the outstanding rookie of the 1931 American League baseball season to date.

Joe Vosmik, 20-year-old Cleveland outfielder, is the boy and should be held to anything like his blistering batting pace of the first week, along about September you can knock off that "no date" business and name him the find of the year.

Vosmik, who learned his baseball on the Cleveland sandlots, has been to bat 22 times since the season opened and has managed to hit safely 14 times for the amazing average of .714, included among his 14 hits are five doubles, two triples, one home run and six singles. When you learn that the entire Cleveland club has scored but 79 hits you begin to realize just what a part he has played in the Indians' attack and why the good burghers of Cleveland are a trifle daffy over the youngster.

His best day came last Saturday when he batted an even thousand, getting three doubles, a triple and a single. He followed this blistering performance with a homer and a single on Sunday and a triple and single today.

COOL UNDER FIRE

His coolness under fire and easy-going nonchalance stamp Vosmik as a baseball natural. On his second trip up today he was forced to hit the dirt to avoid one of Waite Hoyt's fast ones. Unperturbed, the youngster arose, dusted himself and slammed Hoyt's next offering into the centerfield stands for a triple.

So far he has been a hitter without a weakness; high balls, low balls, fast balls, curved balls all met the same fate. He apparently doesn't care whether he is hit-handed or right-handed batters. He hits to all fields and on several occasions has called his shots, dropping the ball within a few yards of where he promised to deposit it.

POTHIER TO MEET PELZ

Mandott Faces Sparr Tonight in Portland Program; Praise Pothier

Pierre Pothier and Benny Pelz will meet tonight in one of the double main events being featured on George Moore's fight program in Portland.

Al Trullmans meets Frisco McGale, negro, in the other half of the double bill.

Red Mandott of Klamath Falls meets Cliff Sparr of The Dalles in the curtain-raiser.

Portland fans are enthusiastic over Pothier's action in workouts. The Sunday Oregonian gives the little Frenchman a big boost.

"Pierre Pothier's workout yesterday at the White House gym following his arrival here from Klamath Falls stamps him as a worthy opponent for Benny Pelz when they step into the auditorium ring Tuesday night for one of the 10-round bouts in the double main event of George Moore's boxing card. The Frenchman, who has been fighting in Klamath Falls recently, is a willing mixer and handles himself like a real fighter.

The little Frenchman, whose home is in Helms, France, arrived in this country six months ago. He was in the aviation service during the war. He started boxing at an early age. Following the war he won the French, German, Belgian and Spanish featherweight titles. All of these fights were for 20 rounds.

Arriving in Mexico for a trip through South America, Pothier defeated the Mexican Glegero, in a 10-round bout and then came to California.

In Klamath Falls Pothier beat Young Ado, Joe Calder and Dixie LaHood. He lost a decision to Joe Marcus, who outlasted him several rounds. He dropped a close decision to Frank Kliek, Pacific coast featherweight champion.

PORTLAND TO OPEN SEASON IN HOME PARK

SAN FRANCISCO, April 20. (UP)—First games of the Pacific Coast league will be played in Seattle this season will be played tomorrow, and the best games of the entire circuit this week will probably be between Portland and Hollywood in the Oregon park, Seattle's opening game.

The Beavers show before home town crowds with one of the strongest aggregations they have ever assembled. It is apparent by their play during the first two weeks in California. They are looking for second place with the Los Angeles Angels, who stay at home this week to play Oakland.

In the other series, the league leading Sacramento Senators oppose the San Francisco Seals here.

Will Organize Junior League Teams Today

The Junior League baseball teams will start practice this week in preparation for the opening of the season. The schedule of games will be released about May 1.

Klamath Post No. 8 of the American Legion expects ten teams to participate in the Junior League, with teams from Merrill, Malin, Bonanza, Henley, Altamont, Keno, Klamath Falls and possibly Chiloquin contending.

June 15 the District Post teams will be selected from all the players that have taken part in the preliminary games. The Post team will enter the play-off for the state championship.

A meeting will be held at the Klamath Union high school at 3:45 this afternoon at which time the three teams representing Klamath Falls will be organized and matters pertaining to the season's schedule discussed.

The American Legion officials and members of the Junior League baseball committee deeply appreciate the cooperation they have received from county sug-

HENIGAN WINS BIG MARATHON

Father of Five Children, Aged 40; Defeats Former Stars

By HENRY MINOTT
United Press Staff Correspondent

BOSTON, April 20. (UP)—James Patrick "Hinky" Henigan, father of five children who will enter his 40th year next Saturday, won the 55th annual Boston A. A. marathon today against odds of age, extreme heat, and a field that included four former winners of the classic.

The small, stoop-shouldered Medford shipping clerk broke the tape in 2 hours, 46 minutes, 45 1/2 seconds—12 minutes and 37 seconds behind the course record but 2 minutes and 17 1/2 seconds ahead of Fred J. Ward of the Millrose A. A. of New York, who placed second.

100 ENTER RACE

Of the 229 American and Canadian long-distance runners who entered only 189 set out at noon from Hopkinton on the 26-mile 385-yard grind to the B. A. A. clubhouse in Boston's back bay. And of those who actually participated, only 25 had finished 45 minutes after the veteran Henigan had broken the tape.

Clarence H. De Mar, Keene, N. H., school teacher, seven-time winner of the tripping trek and a top-heavy favorite today, trailed in fifth place, nearly 10 minutes behind the victor. Admittedly eager for warm weather, this 42-year-old veteran apparently found the temperature of 80 a bit too enervating, and never once got out in front.

HEAT HANDICAP

Likewise the hardy and youthful Canadian, Johnny Miles, who set a record of 2 hours 23 minutes, 8 1/2 seconds for the undulating course in 1929, was harried by the heat today. Running under the colors of the Hamilton (Ont.) Olympic club, he squeezed into the magic first 10 by a bare two seconds.

Besides Henigan and Ward, the first 10 finished like this:

Third—Karl Koski, Finnish-American A. C., New York, 2:33:27 3/4.

Fourth—David Faerland, the same club, 2:53:41.

Fifth, De Mar, 2:55:46 1/2.

Harper At Notre Dame

Harper, who was head football coach for five years, preceding Rockne, consented to return to Notre Dame in a long distance telephone conversation from Ashland, Kans., with Father O'Donnell.

He will assume his new duties May 1. The Notre Dame coaching staff will remain the same, with Hearty (Hunk) Anderson senior football coach and Jack Chevigny junior coach. Harper will supervise the Notre Dame athletic program and handle all the organization work but will take no part in coaching any of the teams.

No announcement was made by Notre Dame concerning Harper's contract but the university was very anxious to get his services to bridge the gap after Rockne's death.

No salary was revealed but it was rumored that Harper will receive \$15,000 annually. This large salary is believed to have been the reason why Harper finally consented to take the responsible position after he had said he would take it only on a part-time basis.

At The Vox

Romance, pathos, thrilling drama and a sensational dual characterization by the extremely talented Bert Lytell make "Brothers," the film adaptation of the successful stage play released by Columbia Pictures, a really entertaining picture. It opened at the New Vox theatre for a four-days' run Sunday.

The story is concerned with twin brothers separated in infancy and brought up in contrasting environments. The effect of the environments on the two brothers as they grow to manhood is clearly depicted. Fate brings them together again with tragic results. The film is teeming with dramatic situations and interest.

The dual portrayal of Bert Lytell is a masterpiece of dramatic art. In an amazing manner he changes his manner, voice and personality so that it appears like two entirely different people. It is a finished performance, and it intrigued the audience.

Dorothy Sebastian gives a charming performance in the role of the heroine. She is an attractive and talented actress. William Morris, who appeared in the original stage performance, repeats his creditable performance. Others in the cast who give performances of special mention are Richard Tucker, Claire McDowell and Howard Hickman. Walter Lang directed.

Golf Extremes

Lake Worth in Florida was pumped dry to make possible the construction of a 110-acre golf course, while at Clouderoff, in New Mexico, a links has been built 2,996 feet above sea level.
