

BASEBALL GAME TODAY 2 O'CLOCK

Klamath Team to Meet Sprague River in Practice Game

Baseball fans of Klamath will have a chance today to see a ball team in the making when the Klamath boys meet the Sprague River Indians at 2 o'clock at the fair grounds. Women will be admitted free of charge and men will be charged 25 cents.

"Pop" Varnadore, manager of the team, is a veteran of the game and has played professional ball in many leagues. He will give all players a chance today to try out for the team.

GOOD COMPETITION
The Indian boys should furnish good opposition as they have been working out regularly for three weeks and are considered the best Indian team ever assembled in this section.

The locals are working out faithfully under the direction of "Pop" Varnadore with about 25 men out for berths on the team, and only 12 men will be carried on the roster of the club. They are doing their best to make the team in order to be among the lucky dozen left when the team is made up.

PROMISING PLAYERS
Among players showing lots of promise are:
Catcher—Tony Eagan, formerly of Potlatch; Aekoff, of Bend and Burns, also with some organized club experience; Beggs, last year with Langell Valley, and Robertson of the Portland City League.

Pitchers—Earl Hilton, known to all Klamath fans and an ex-Coast Leaguer; Ridley, a big youngster with lots of speed and some minor league experience; Montgomery from Reno, a curve ball artist; Newton, a newcomer around these parts but with high school and college experience and last but not least Red Sanders, who is getting the old flipper in great shape and promises to make all the youngsters step to beat him out of a regular place.

Infielders—Walt Fuller, the "old reliable" from last year's Pellicans; Doc Smith, the best second baseman in Oregon; Wakeman who worked out with Oakland this spring; Glenn Palmer, high school star and last year with the Klamath Cubs; Harshbarger from Whitman College, a flashy fielder and hard hitter; Estes, a local youngster full of pep and fight and also Pop Varnadore, who can play any spot in the infield.

Outfielders—Shipman, hard hitter of last year's Pellicans; Johnny Farrell, last year's cub star and considered by many fans to be the best ball player developed in Klamath in many years; O'Brien, last year with Medford and before that for several years in the Timber League; George Tomlin, an old regular army player who can still hit and field; Cantor, who looks like a hard hitter and willing worker.

AVERAGE SCHEDULE
Klamath has been invited to enter the Valley League but will not decide until next week whether or not to accept. In the meantime Doc Smith, business manager, is arranging an attractive schedule.

The team has the backing of the city and the businessmen and eleven firms have already purchased suits, with several other firms offering assistance to the team to make it the best in southern Oregon this year.

The firm buying suits which are expected to arrive next week are: Copco, Johnson, Klamath Billiards, Star Drug, Klamath Athletic Club, Lakeshore Inn, Lawson's, Central Super Service, Baliger, Copeland and the Vox Theatre.

U. S. Army Band To Give Concert Here This Fall

The United States Army band will present a concert in Klamath Falls on October 6, under the auspices of the Veterans of Foreign Wars. It was stated last night by W. C. Maclean of the Pelican post.

The band is the group which attended the convention of ex-servicemen in Paris in 1929, and is known as the nation's official band.

The concert will be presented in the Pelican theatre, Mr. Maclean stated.

Paulina Lake Fishing Opens On May 15th

GOLF as the STARS play it by ART KRENZ

THIS IS AN ACTION SKETCH OF WALTER HAGEN PLAYING AN EXPLOSION SHOT OUT OF A BUNKER. HAGEN LAYS HIS CLUB WELL BACK AND HITS THE SAND FIRMLY ABOUT AN INCH IN BACK OF THE BALL.

What is the surest way of getting out of bunkers?
The average golfer neglects this department of play. A large percentage of players will practice wood and iron shots and putting but rarely do you encounter one practicing bunker shots.

Bobby Jones believes the surest way of getting out of a bunker is to rely entirely on the explosion. To make the explosion shot, the golfer must take a firm stance, with the feet firmly in the sand, tilt the face of the club well back to prevent driving the ball either into the bunker or over the green and take a comfortable swing, hitting about an inch behind the ball.

Tomorrow—Which hand—the right or left—does the actual hitting in the golf swing?

At The Vox

Talking pictures demand stage-trained players, and I advise all screen aspirants to get some experience behind the footlights before attempting to perform in the studio citadel. Says James Cruze, famous director, whose latest production, the joyous comedy "Once a Gentleman" is at the New Vox theater.

"Silent pictures required mobility in facial expressions and a pantomime gift. In this new era of talkies, a player must not only have the qualities demanded in the silent, but must possess what I term a stage speaking voice—a modulated method of speech, an understanding of the importance of proper inflection and familiarity with the sound of his own voice. Too many actors don't know their own voice and its possibilities. Stage training develops this for them, and gives them a valuable assurance which we call stage presence, obtainable in no other way."

"Practically every member in cast of 'Once a Gentleman' has had training in the legitimate theater. Edward Everett Horton is even today Hollywood's most popular comedian. Lois Wilson has served her footlight apprenticeship and so have King Baggott, Francis X. Bushman, Sr., George Fawcett and Charles Coleman. Young Emerson Treacy played on Broadway, and lovely Evelyn Pierce was a Ziegfeld Follies girl."

"So I advised would-be screen stars to get some stage experience first—either in stock, musical comedy or the legitimate theater, before attempting to achieve fame in the talkies."

Boy Hero Off For Home After Capital Visit

WASHINGTON, May 2. (UP)—Thirteen-year-old Bryan Untied, with his harmonica, left the White House today for home in Towner, Col., with glittering memories as a member of three days as the president's guest.

In the youngster's mind there must have been a jumble of impressions—a king, a queen, an entire presidential family, ping-pong, an honest-to-goodness ship, the Washington monument. And whatever those impressions may have been, a boy's promise kept them from the public today.

Bryan, hero of the Towner snow disaster recently, is resolute in keeping his word. Requests for interviews with Bryan have been turned down by his father, who said he would not allow his son to be a public figure in the past few days. It was all but arranged yesterday and again today.

But Theodore Joslin, of the White House secretariat, ended the interview quest with the explanation that Bryan had promised a Denver, Col., newspaper that he would appear after leaving the White House. The boy thought he should abide by that promise, President Hoover thought a boy with that kind of code should be encouraged.

INDIANS GAIN GAME AND HALF LEAGUE LEAD

Washington Divides Two Games; White Sox Win Over Browns

NEW YORK, May 2. (UP)—The Cleveland Indians increased their leadership in the American league to one and one-half games today, defeating the Detroit Tigers, 3 to 1, while Washington divided a double header with the Boston Red Sox.

Cleveland pounded Vic Sorrell, Tiger star, for 10 hits while Brown and White Sox won today, defeating the Detroit Tigers, 3 to 1, while Washington divided a double header with the Boston Red Sox.

The Senators won the first game from the Red Sox, 4 to 2, but dropped the second, 3 to 2, in 10 innings. Fischer and Hadley held Boston to nine hits in the opener while Washington pounded three Boston hurlers for 13 blows.

Chicago jumped a few percentage points above Washington in the standings, although in games won and lost they are rated on an equal basis, by winning from the luckless St. Louis Browns, 2 to 1. Pat Caraway and George Blaicholder hooked up in a pitching duel with the former allowing four hits while the White Sox got six.

The other scheduled American league game, between New York and Philadelphia, was postponed because of rain. Three games, called off in the National, were the double header between New York and Boston and Brooklyn-Philadelphia contest.

L. Wanner, Pirate centerfielder, hit a home run with the bases loaded as Pittsburgh shoved Cincinnati deeper into the National league cellar, 11 to 5. The Reds held a 5 to 1 advantage going into the sixth inning when three miscues in the field filled the circuit to tie the score and the Pirates came back in the seventh inning to count six times. It was Cincinnati's 11th defeat in 12 starts.

Hallahan and Lindsey pitched the St. Louis Cardinals to a 6 to 3 victory over the Chicago Cubs, enabling the Cards to maintain their league leadership. Root pitched for the Cubs.

Game and Fish Violations Show Lack of Licenses

SALEM, May 2. (UP)—Principal violations of the Oregon game code are fishing and hunting without licenses, and illegal possession of deer.

Of the 633 arrests for game violations for the fiscal year ending September 30, 1950, 71 were of persons without fishing licenses, 52 without hunting licenses, and 47 for illegal possession of deer.

Other violations which brought about 25 or more arrests were hunting game animals in closed season, hunting after sunset and one-half hour before sunrise, and killing fawn deer. The arrests numbered 25, 25 and 26, respectively.

The Lions' victory, coming just before nightfall, robbed Yale of a clean sweep in the day's proceedings, for earlier in the afternoon three Eli crews—150-pound, junior varsity and freshmen—had scored smashing triumphs.

Columbia traveled the mile and three-quarters route in the nicest time of 7:45.4 to finish a length and a quarter ahead of Yale. Pennsylvania was a poor third, trailing Yale by some four lengths. Yale's time was 7:49.2, Pennsylvania's, 8:05.

Notre Dame's Regulars Lose To Reserve Team

SOUTH BEND, Ind., May 2. (UP)—Notre Dame's victorious 1920 football team was defeated, 19 to 0, today in the annual scrimmage between the varsity and the reserves.

The reserve line smothered varsity plays throughout the game and held the star backfield, composed of Carideo, Schwartz, Kaplan and Brill, to two first downs.

25-yard pass, Koken to Root, netted the first touchdown: Steve Banas of Hammond, Ind., plunged through the line for the second score, and Sheeketski ran 19 yards off tackle for the final six points.

Two former world champions—Gus Sonnenberg and Ed Don George—also will appear on the card. Sonnenberg will tackle George Zaryoff, Russia, while George will engage Leo Wykoff, another collegian.

Judge Hall Lusk Rules for City In Vaughn Case

PORTLAND, May 2. (UP)—Umpire Judge Hall S. Lusk on the circuit court diamond today called the Portland Heavers out and the City of Portland won the first inning of the game in which it seeks to cut a street through the infield of Vaughn street baseball park.

Judge Lusk overruled the ball club's demurrer to the city's answer to the ball club's suit for injunction to stop the street opening.

The baseball club now has five days in which to file an answer to the city's return, and the case will go to trial on its merits.

The city passed an ordinance two years ago which vacated Wilson street, May 1, 1971, providing that the baseball club did not build a new \$250,000 fireproof grandstand during the interim.

The ball club didn't.

The city now seeks to cut the street through the ball park.

Columbia Crew Beats Yale and Pennsylvania

NEW YORK, May 2. (UP)—Slicing through a heavy fog that blanketed the winding Harlem river, Columbia's varsity crew rowed to victory in the fifth renewal of the Blackwell cup regatta today, defeating Yale and Pennsylvania.

The Lions' victory, coming just before nightfall, robbed Yale of a clean sweep in the day's proceedings, for earlier in the afternoon three Eli crews—150-pound, junior varsity and freshmen—had scored smashing triumphs.

Columbia traveled the mile and three-quarters route in the nicest time of 7:45.4 to finish a length and a quarter ahead of Yale. Pennsylvania was a poor third, trailing Yale by some four lengths. Yale's time was 7:49.2, Pennsylvania's, 8:05.

Paul Bunyan Wins Dixie Handicap Event

BALTIMORE, May 2. (UP)—L. M. Severson's Paul Bunyan won the Dixie handicap at Pimlico race track here today from a field of nine mature stake horses. The Belair Stud's Friar was second and W. E. Caskey, Jr.'s William T., third.

Paul Bunyan ran the mile and three-sixteenths over a deep, holding track in 2:01 1-5, to earn first prize of \$15,425. He returned \$11.10 for a \$2 bet in the straight mutuel.

Jockey J. Gianelloni did not rush Paul Bunyan away from the barrier but lost no time getting him into contention once the race was under way.

A crowd estimated at 20,000 persons witnessed the running of the Dixie under leaden skies.

TROJANS WIN OVER CARDS IN CARNIVAL

Upset Stanford Hopes And Bear Out Dope With 69 to 62 Score

STANFORD UNIVERSITY, May 2. (UP)—Upsetting Stanford's hopes, but bearing out advance dope, the Southern California track team today defeated Stanford in the closest meet in years. The final score was 69 to 62.

So close was the going that entries approached the pit in the discus, next to the last event, with the winner yet undecided. But where Stanford had hoped to get a clean sweep here, they dropped third place to U. S. C. six-point edge and putting in a position to win, since they were assured of at least four points in the pole vault, where Stanford had only one entry.

SURPRISE FEATURE
Surprisingly, for so close a contest between championship teams, only one record was broken—the national intercollegiate mark for the mile relay. The record was unofficially shaved when the great Stanford team stepped it off in three minutes 14.3 seconds.

The previous meet record for the event had been 3 minutes 15.4 seconds.

Stanford's margin of defeat was represented by an unexpected failure to get first place in the javelin throw, a disappointing showing in the quarter mile and the failure of Stanford sprinters to get more than one place in the 100-yard dash.

While it had been expected that Frankie Wykoff, Trojan flier, might nose out "Hee" Dyer in the century, Coach Templeton had banked heavily on the chance of "Lombardi Ltd.," Indian sophomore, to take third place, which he did, ahead to Delby of Southern California.

EASTMAN STARS
Stanford's great quarter mile team failed to do better than second place, "Vic" Williams of Troy taking first and Woessner, the Trojan, taking third.

Stanford lost a possible five points in the quarter when Templeton decided at the last minute not to enter Ben Eastman, middle-distance star, who took first place in the half mile and ran another man in the relay.

Surprisingly for such a close meet between two championship teams, no records, coast, meet or otherwise, were broken. A stiff crowd wind blew.

Mile run: Halstead (SC); Brown (S); Hammett (SC). Time 4:23.2.

100-yard dash: Wykoff (SC); Dyer (S) Delby (SC). Time 9.8 seconds.

Javelin: McKenzie (SC); Gray (S); Rintala (S) and Roeger (S) tied for third. Distance: 191 feet 2 1/2 inches.

440-yard dash: Williams (SC); Abe Habes (S); Woessner (SC). Time, 48.2 seconds.

120 high hurdles: Smith (S); Nisbet (S); Bills (SC) and Berry (SC) tied for third. Time 15.2 seconds.

Two-mile run: Callahan (SC); Asherhol (S); Unruh (SC). Time 9:42.2.

Shot put: N. Gray (S); Hall (SC); G. Grey (S). Distance 49 feet, 2 inches.

330-yard run: Eastman (S); Fitzmaurice (SC); McGeech (SC). Time 1:54.1.

220-yard dash: Dyer (S); Wykoff (SC); Delby (SC). Time 21.2.

220-yard low hurdles: Payne (SC); Nisbet (S); Carla (SC). Time 23.6 seconds.

High jump: McNaughton (SC); Stewart (SC); Blackburn (S). Height, 6 feet 2 1/2 inches.

Broad jump: Barber (SC); West (S); Selby (SC). Distance 24 feet 11 inches.

One mile relay: Stanford (Shove, A. Habes, L. Habes, Eastman). Time 3 minutes 14.6 seconds.

Discus: Jones (S); McLeod (S); Hall (SC). Distance 151 feet 8 1/2 inches.

Pole vault: Graber (SC); second tied between DeGroot (S), and Chienlos (SC). Height 13 feet 6 inches.

Final score: U. S. C. 69, Stanford 62.

Pittsburgher Walks Away in Opening Race

LOUISVILLE, May 2. (UP)—Pittsburgher, a son of In Memoriam and Wistaria, carried the silks of the Shady Brook farm to victory over several 3-year-olds he will oppose in the Kentucky derby in winning the six lucky derby in winning the six and a half furlong allowance race which shared honors with the Clark handicap as opening day feature at Churchill Downs today.

With his regular jockey, C. Corbett, in the saddle, Pittsburgher raced close up all the way, and finished full of courage as he came within one-fifth of a second of the track record to be timed in 1:17 4-5. He paid the unexpectedly large returns of \$26.28 for a \$2 investment in the straight mutuel.

Spanish Play, Louisiana derby winner, finished second, R. W. Collins' Don Leon followed in third place.

Harvard Crew Beats Tigers, M.I.T. in Race

BOSTON, May 2. (UP)—Harvard inaugurated its 1951 racing season by winning top honors in a triangular regatta with Princeton and Massachusetts Institute of Technology on the Charles river today.

Harvard and Princeton divided first places in the four-event program, but the Crimson captured the big varsity race and the junior varsity put, the Tigers winning the least important 150-pound varsity and freshmen events.

The usually turbulent Charles behaved pretty well for the regatta, rowed under cloudy skies, before nearly 75,000 spectators.

ALEXANDER, DAVIS LEAD

Tiger and Phillie Stars Lead Major Batters; List Pitchers

NEW YORK, May 2. (UP)—Dale Alexander, first baseman of the Detroit Tigers, and Virgil Davis, Philadelphia Phillies catcher, are setting the major league batting pace.

Official averages, including the games of Thursday, show Alexander topping the American league with a percentage of .509 and Davis, the National, at .506. Alexander has pounded out 27 hits in 53 times at bat while Davis has been to the plate 32 times and hit safely 16.

RUNNERS-UP
Wally Roetger, Cincinnati outfielder, Ernest Lombardi, rookie Brooklyn catcher, and Rogers Hornsby, manager of the Chicago Cubs, are the runners-up in the National with averages of .429, .412 and .403, respectively.

Al Van Camp, Boston's rookie first baseman; Charley Berry, Boston catcher, and Roy Spencer, Washington catcher, are trailing Alexander with marks of .424, .429 and .415.

LEADING HURLERS
Six pitchers—Fitzsimmons, of New York; Grimes, St. Louis; Root, Chicago; Selbold, Boston; Mitchell, New York, and Brandt, Boston, share National league hurling honors with three victories and no defeats. Hal McCall of the Chicago White Sox, heads the American league with three victories and no defeats.

Cleveland in the American, are setting the club batting pace. The Indians have an average of .323 while the Cubs' mark is .304. They are the only major league teams hitting more than .300.

Chicago also leads in the National league club fielding records with an average of .984. Philadelphia heads the American with a mark of .985.

TWENTY GRAND WINS WOOD MEMORIAL

JAMAICA, L. I., May 2. (UP)—The Greenlee stable's Twenty Grand, equal favorite with Equipoise to win the Pimlico Frisbie, won next Saturday and the Kentucky derby two weeks hence, made an impressive debut today as a 3-year-old in winning the Wood Memorial stakes. The victory was worth \$10,200 to the winner.

The Son of St. Germain and Bonus turned in a sensational race under an impost of 120 pounds to be timed in 1:42 3-5 for the mile and 70 yards. He went to the post at 1 to 2.

M. L. Schwartz's Clock Tower, another Freshness and derby candidate, set a brisk pace from the start, and as the field swung into the home stretch Twenty Grand was four lengths behind. Kirtling lashed out frantically at this stage, and responding the Greenlee color bearer closed the gap and won by a half length.

Mrs. R. T. Wilson's Camper was a distant third, with Polydorus fourth in the field of six.

IDAHO BEATS O.R.C.

CORVALLIS, May 2. (UP)—The University of Idaho got 12 hits off five Oregon State pitchers here this afternoon and defeated State 16 to 9. Errors and weak hitting caused the Beavers' downfall. Kraela and Corkery hit home runs for Idaho.
