### Over 55 Expected From California Cities Friday Night

Word was received at the Klamath chamber of commerce offices late Tuesday afternoon that 55 people have signed up at the Redding chamber of commerce to make the trip being sponsored by that organization to promote interest in the early completion of the Weed-Klamath Falls highway.

It was also learned that two representatives of the California state chamber of commerce will be in the party, and immediately upon receipt of this advice, Ralph Hamilton, of Bend, president of the Oregon State chamber of commerce was invited to be present at the dinner and meeting to be held at Hotel Willard, Friday evening, in honor of the guests.

A broiled steak dinner will be served at the Willard at 6:30, and since the steaks will be especially ordered for the occasion and secured under the supervision of W. C. Dalton, chairman of roads and highways committee, it is imperative that all reservations be made by 5 o'clock Thursday evening.

Among the notable in the caravan from the neighboring state will be Earl Lee Kelley, chairman of the California State highway commission, Col. Walter Garrison, director of the department of public works, and C. H. Purcell, California state highway engineer. County commissioners of Tehama county, Calif., will also be in the party.

All members of the Oregon state highway commission have been invited to be present, as well as Roy Kleis, state highway engineer, and W. E. Chandler, division engineer.

The Friday night dinner and meeting will take the place of the regular forum luncheon held every Wednesday noon at the Willard.

A marriage license was issued yesterday at the office of the county clerk to Carroll Brown Nixon, 21, mechanic, and Jovis May Rhoades, 22, cashier, both of this city.

Klamath Falls will have a circus this year. The Al G. Barnes 5-ring show, one of the outstanding circuses as well as one of the world's largest, will exhibit here on Saturday, May 16.

Transported aboard three special trains with employes numbering 1,040 people, in addition to 108 advance men, an official of the circus here today furnished some statistics. Hundreds of draft horses are carried; innumerable and 60 clowns will also be a part of the super program.

For more than a quarter of a century the Al G. Barnes Circus has excelled with its trained wild animals. More than a score of international wild animal trainers will be seen. For this season she is presenting a group of 17 Royal Bengal tigers in a display of courage, daring and patience. Johnny Myers, Capt. Terrill Jacobs and Miss Lulline Huggins will also be seen as wild animal trainers.

Seventy thousand dollars was expended on wardrobe for this gorgeous prologue and pageant.

Performances will be given at 2 and 8 p. m. The doors will open at 1 and 7 p. m. to permit an inspection of the zoological collection or to enjoy a concert of popular and operatic music by Prof. Redrick's military band.
