Telephone 1900

The News and Herald business office, corner 5th and Main streets, is open from 8 a. m. until 6 p. m. Between those hours Want Ads may be placed at the counter or phoned by calling 1900.

In order to insure proper classification in both the Herald and News, Want Ads must be in our office, corner 5th and Main, not later than 6 p. m.

Advertisements will be accepted in the "TOO LATE TO CLASSIFY" column of the Evening Herald up until 12 noon of the day of issue. Want Ads accepted for that department will be charged at the rate of three cents per word for the one paper only.

Orders to change or discontinue advertisements for the next day's issue of the News and Herald cannot be accepted later than 6 p. m. All changes and kills ordered after this time will not take effect until the following day in the News.

Any errors found in advertisements should be reported to the News and Herald office immediately, as the News and Herald will not be responsible for more than one incorrect insertion.

The News and Herald reserves the right to reject objectionable advertising. It further reserves the right to classify all advertising under the proper classification.

All classified advertising, except "Too Late to Classify," will appear first in the Morning News and then phoned up and run without change in the Evening Herald.

All accounts for classified advertising are due upon presentation of the bill and overdue after ten days.
