National, Local Markets

CHICAGO'S WHEAT CLOSING UNSTEADY

CHICAGO, May 31 (AP)—Downward predominated in grain prices today, except a transient early advance of wheat. Monthly private crop estimates on wheat will be given to the trade tomorrow, and are generally expected to show improvement as compared with 1932, 1930-1931 probable domestic winter wheat yield suggested by the government May 1 returns. Advances today regarding American and Canadian spring wheat prospects were favorable.
