## HUNDREDS ATTEND ANNUAL IRIS SHOW

More than 200 people attended the first annual iris show held on the grounds of the H. R. Macartney home under the auspices of the Library club Thursday afternoon.

The show was a great success, and all who called were amazed at the quantity and perfection of blooms entered in the exhibit.

Tea was served between the hours of 3:30 and 5:30 o'clock, and proceeds have been turned over to the civic recreation fund by the Library club.

Mrs. Ruth Olds Bathany was chairman of the iris committee and Mrs. Fred Schallack chairman of the committee in charge of arrangements for tea.

The Library club has sponsored a flower show annually for a number of years, but this is the first that any particular variety of bloom has been featured.

Climatic and soil conditions of the city are particularly adapted to the growing of fine iris, and a growing interest in their cultivation is noticed over the city.

Particular attention to the cultivation of the finer, named varieties of iris is also evidenced, and an iris show will be an annual event of mid-June hereafter, according to officers of the Library club.
